A grant may be offered to the OC, contingent upon the following conditions:

- The application to the FEI must be submitted by the deadline (i.e., without late fees)
- Selection of judges and other officials to benefit US Vaulters (i.e. judges who are highly experienced; officials who are on the FEI Vaulting committee or other positions of influence; will domestic officials benefit from this experience for promotion? Ability to justify Officials hired; judging at Championships?)
- Number of foreign countries represented
- Number of US states represented
- Provide final CVI budget
- Completed W-9 for grant recipient

Grant amounts are determined by the Vaulting Sport Committee and based on available funds.

Should you have any questions, please contact Steven Morrissey, Managing Director of Non-Olympic Disciplines at smorrissey@usef.org.
