Re: Qualifying Dates and Competitions for 2027 FEI North American Youth Championships, U25

Dear Potential 2027 FEI North American Youth Championship Applicants – U25:

This preliminary information is being provided to assist you with your competition planning. Please remember that this information is based on the recommendations of the United States Equestrian Federation (USEF) Dressage Sport Committee and is subject to approval by the USEF Board of Directors and, therefore, subject to change.

Selection Process Summary: Ranking lists of athlete/horse combinations will be maintained, and selection is based on the final rankings of each Region (see more details below). The 2027 FEI North American Youth Championships (NAYC) is scheduled to take place on August 2nd – 8th, 2027, in Traverse City, Michigan.

1. Qualifying Period

The proposed qualifying period for NAYC begins on July 28, 2026, and is anticipated to end at least ten days prior to the Nominated Entry date (TBD).

2. Qualifying Competitions

It is anticipated that athlete/horse combinations will be required to complete at least two Qualifying Competitions during the qualifying period. Qualifying Competitions include:

- Competitions listed on the USEF/NAYC Qualifying Competitions (Qualifying Competitions) Calendar: Scores earned at these competitions within the qualifying period will be automatically included in the Ranking List calculations. USEF/NAYC Qualifying Competitions can be found [HERE](#). Please check the Calendar(s) frequently for updates.
- CDI Events: Scores earned at CDI (including CDI/U25 may be included, at the option of the athlete, and will only be included in the Ranking List calculations upon receipt of a CDI & Championship Report Form within the specified deadline stated on the form (form can be found [here](#)). Changes to a submitted CDI & Championship Report Form will not be accepted following the specified deadline stated on the form. The 2026 and 2027 FEI Calendars can be found on the FEI website [HERE](#) (Please note that the FEI 2027 calendar is approved by the FEI no later than December 31, 2026). Please check the Calendar(s) frequently for updates. NOTE: Scores from the 2026 NAYC will not be counted.
- 2026 USEF Brentina Cup Dressage National Championship: Scores earned at this National Championship may be included, at the option of the athlete, and will only be computed into the Ranking List upon receipt of a CDI & Championship Report Form within the specified deadline stated on the form.

3. Tests Required

It is anticipated that athlete/horse combinations will be required to achieve two (2) scores in the current edition of the FEI Grand Prix 16-25 Test and two (2) scores in the current edition of the FEI Intermediate II Test at USEF/NAYC Qualifying Competitions in USEF/NAYC designated Qualifying Classes.

- For the U25 Championship, the FEI Grand Prix 16-25 Test is the Individual test, and the FEI Intermediate II Test is the Team test.
- Athlete/horse combinations that achieve more than two (2) scores in the FEI Intermediate II Test or the FEI Grand Prix 16-25 Test may drop the lowest score earned in the FEI Intermediate II Test and the FEI Grand Prix 16-25 Test, regardless of whether these scores were earned in the same Qualifying Competition.
- Hors de Concours entries are not permitted in USEF/NAYC Qualifying classes.

4. Certificate of Capability

- Each athlete/horse combination must earn a minimum overall average of 64.000% or greater on the final Ranking List. It is anticipated this will be calculated by scores earned from the FEI Intermediate II Test and the FEI Grand Prix 16-25 Test at two (2) different USEF/NAYC Qualifying Competitions from a panel of two (2) or more USEF 'S' or FEI Judges, in order to be named to the Nominated and Definite Entries.
- In addition to these tests, athlete/horse combinations will be required to earn one (1) score of 65.000% or higher in the FEI Grand Prix Freestyle held at a CDI or national Qualifying Competition, or an FEI Freestyle Test of Choice class held at a national Qualifying Competition.
- In circumstances where an athlete/horse combination has an overall average and/or freestyle score within 0.5% of the required scores noted above, the USEF Dressage Selectors may recommend athlete/horse combinations for selection. The factors for discretionary selection by the USEF Dressage Selectors will be published in the complete Selection Procedures.
