Draft 1: Recommends Disapproval 04/17/2026

Draft 1: The Board agrees with the intent of the rule but would like to ensure language of marker vs. flag remains consistent throughout. Another suggestion for added clarity was to apply following language "A horse is considered to have missed a marker when the point of the shoulder fails to pass between the original position of the obstacle markers."

EV122 Cross-Country Phase Definitions of Faults

2. DISOBEDIENCES (REFUSALS, RUN-OUTS, and MISSED MARKER).

c. Missed marker. To clear an Obstacle, the Horse's head, neck, and points of both shoulders must pass between the Obstacle markers. ***A Horse is considered to have missed a marker when the point of a shoulder fails to pass between the obstacle markers.*** If a marker is dislodged, the hindquarters must jump the height of the solid part of the obstacle. If the Obstacle is not navigated as described a 9-point penalty must be assessed.
