1. The 2020 VAULTING SENIOR WORLD CHAMPIONSHIPS SQUAD LIST - Squad coaches who completed an application will be asked to submit three (3) scores to the USEF no later than **April 19, 2020** through an online form posted on the USEF website at <https://www.usef.org/compete/disciplines/vaulting> by January 15, 2020. This form is called a "Record of Experience". (See definition on page 14).

2. **Squads** must also submit a narrative application detailing their prior Record of Experience and preparation.

Scores may be obtained at any of the following competitions during the Qualifying Period, September 1, 2019 – April 19, 2020, in the applicable Senior or 3* A Team Event:

- Any USEF recognized Vaulting competition
- Any CVI 3*

The scores and Records of Experience will be reviewed by a panel of five Selectors. (See Definitions: USEF VAULTING SELECTORS on page 14 for a detailed description of Selectors.) Selectors will be announced no later than January 31, 2020 at <https://www.usef.org/compete/disciplines/vaulting>

Any change in three (3) members of a Squad represents an entirely independent Squad and must be listed separately on the 2020 VAULTING WORLD CHAMPIONSHIP FOR SENIORS Squad List.

Special consideration: the Selectors may grant a waiver for all or part of the Score requirements if it is in the perceived best interests of the Team. The Selectors may grant a waiver based on these factors:

2. Previous international experience of the squad and/or members of the squad;
3. The circumstances, facts, and in the case of illness or injury to a horse or athlete, documentation by the Team Veterinarian or physician(s) approved by USEF; and/or

3. 2020 Vaulting World Championships for Seniors Short List

By **April 21, 2020**, the Selectors, in consultation with the USEF Vaulting Director of Performance, will review the vaulters scores and Record of Experience and create a “Short List”. The Short List will include up to:

A Squad participating in CHIO Aachen 2020 or World Cup Finals, with the potential to win a medal, may also request a waiver. Any request for a waiver from a mandatory Observation Event must be made in writing to Laureen Johnson, USEF Director of Vaulting, at lkjohnson@usef.org no later than the start of the Observation Event. The Selectors will approve or disapprove the request based on these factors:

- The Squad has demonstrated “Proven Ability” (See definition on page 15) to succeed at World Vaulting Championships in the Squad Event;
- Previous international experience of the Squad and/or the vaulters on the Squad
- The circumstances, facts, and in the case of illness or injury to a horse or athlete, documentation by the Team Veterinarian or physician(s) approved by USEF; and/or

(See Attachment H for list of USEF Committees, their roles, and list of members).

E. Other Considerations:

- 1. Equine Drug Testing:** All applicant horses are subject to drug testing both in competition and out of competition.

In-Competition. All horses entered to compete in any FEI or USEF competition are subject to drug testing at any time from when the competition begins until the competition ends or beginning when the horse arrives for the competition until the competition ends, whichever beginning occurs first. Blood and/or urine samples may be collected and tested for substances prohibited or forbidden under the subject competition rules. National competitions may invoke GR 409 whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden substance, or a metabolite or marker, is detected in the sample collected in-competition, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport Programs or the Discipline Director for the dissemination of information as appropriate. In such instance, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by a panel (“Selection Hearing Panel”) comprised at least one member of the applicable discipline Sport Committee along with at least two members of the Hearing Committee, one of which must be an Eligible Athlete. The Chairman of the USEF Veterinarian Committee, or his designee, may serve Ex Officio and a member of the Veterinarian Panel selected for the event may serve Ex Officio.

Out-of-Competition. Blood and/or urine samples may be collected out-of-competition at any time throughout the selection period, which is defined as commencing on April 1, 2020, following notification to the applicant at least 24 hours prior to collection of samples. Samples collected from horses out-of-competition will be tested for the presence of substances prohibited by the FEI, including metabolites and markers. Failure to make the horse available for collection of samples may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden substance, or a metabolite or marker, in the sample, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport Programs or Discipline Director for dissemination of information as appropriate. In such instance, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process unless the Team

Veterinarian appointed for the selection of the Event certifies that the substance detected has been approved or is legitimate and appropriate under the circumstances. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

This provision does not abrogate the enforcement of applicable equine anti-doping rules at Federation licensed competitions, including competitions where GR 409 is invoked whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

Also see the section on Veterinarian Treatment, a violation of which may result in elimination under this provision. Before elimination occurs in either instance, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

USEF GR409.2 Equine Drugs and Medications, Prohibited Substance Provisions

No horse and/or pony competing in a Breed or Discipline designated as (or part of) a No Prohibited Substance Group is to be shown in any class at a competition licensed by the Federation if it has been administered in any manner or otherwise contained in its tissues, body fluids or excreta a prohibited substance as defined in the FEI Equine Anti-Doping and Controlled Medication Regulations, which can be found at <https://inside.fei.org/content/anti-doping-rules>.

2. **Soundness** - Horses that are candidates for selection for the Event may be examined at any time during the selection process (which is defined as commencing on the application deadline, January 22, 2020) for soundness by the Team Veterinarian with the recommendation of the USEF Vaulting Sport Committee, and approval of the USEF Board of Directors. Horses found to be unsound by the Team Veterinarian may result in the elimination of the athlete/horse combination from the selection process, but only with the recommendation of the USEF Vaulting Sport Committee and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.
3. **Team Veterinarian Request** – Horse owners and/or Lungers, **at their own expense**, shall make available, upon the request of the Team Veterinarian, 24 months' worth of complete veterinary records of horses being considered for selection. In addition, applicants, **at their own expense**, shall be responsible for supplying any follow-up diagnostic information requested by the Team Veterinarian for horses being considered for selection. Horse Owners and/or Lungers, **at their own expense**, shall complete any treatment prescribed by the Team Veterinarian, after consultation with the horse's treating veterinarian if such a consultation is requested by the athlete, for horses being considered for selection. Failure to comply with any reasonable request of the Team Veterinarian may result in the removal of the horse and/or athlete from the selection process upon the recommendation of the Team Veterinarian and the USEF Vaulting Sport Committee, and approval by the USEF Board of Directors or an Ad Hoc Selection group approved by the Board of Directors.
4. **Veterinary Treatment** – From the time the Short List/FEI Nominated Entry/Squad is announced, TBD, and until the departure of U.S. horse(s) for the SENIOR WORLD CHAMPIONSHIPS venue for the purpose of competing in the Event, Squads on the Short List/FEI Nominated Entry will be required to consult with the Team Veterinarian if Short Listed U.S. horse is being treated by any person other than the Team Veterinarian. After Definite Entry, the Squad will be required to obtain written permission from the Team Veterinarian prior to the U.S. horse being treated by any person other than the Team

Veterinarian. This permission must be obtained by using an official USEF Vaulting Veterinary Treatment Request Form (Attachment I).

If applicants are using foreign-owned borrowed horses, it is highly recommended that a Certificate of Health stating the horse is fit to compete under Equine Athlete Drug and Medication Rules (EADMR) be submitted to the Team Veterinarian as soon as practical.

Failure to adhere to this policy and/or the directives of the Team Veterinarian as outlined on the USEF Vaulting Veterinary Treatment Request Form may result in the removal of the athlete/horse combination from the selection process upon the recommendation of the Team Veterinarian and the USEF Vaulting Sport Committee, and approval by the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.

- 5. Medical Request** - In the event of illness or injury, applicants may be required to submit to a medical examination by a physician(s) approved by the USEF International Disciplines Council any time during the selection process for the purposes of determining the applicant's ability to compete at the Event. Failure to submit to such examination may result in the removal of the applicant from the selection process upon the recommendation of the USEF approved physician(s) and with the approval of the USEF Vaulting Sport Committee and the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors. Following the examination, should the USEF approved physician(s) find the applicant to be unfit to compete, the applicant will be removed from the selection process with the recommendation of the USEF Vaulting Sport Committee, and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.
