Dear Ms. Ettenger,

Thank you for submitting a request for a Presidential Modification to the application of DC901.4. A Presidential Modification is granted in cases of substantial, extraordinary circumstances. When measured against that criterion, it has been determined that your request meets the standard for a Presidential Modification and is therefore approved for Spring Fling (ID#339242).

As a result of this Presidential Modification, Format 2 will be allowed as outlined in DC901.3.2 instead of the stipulation that National Championships must be run in a certain three-day format. Specifically, the format approved is Day 1 – Dressage; Day 2 – conclusion of Dressage, Cones; and Day 3 – Marathon. Notably, Format 3 in the rules allows for Dressage and Cones to take place on the same day.

Sincerely,

A handwritten signature in black ink, appearing to read 'Murray S. Kessler'.
