2. Selection Events:

2.1. Event names, dates, and locations of all competitions, and camps to be used as part of the selection process:

Squads wishing to be considered for Team selection for the Event must achieve a minimum of two (2) Scores during the Qualifying Period, January 1, 2025 - March 30, 2026 ("Qualifying Period"), as outlined below, unless a waiver is granted in accordance with Section 2.1.2 below. Scores must come from two different Selection Events and must include compulsory and freestyle components in the Squad section. Scores will only include the first-round compulsories and first round freestyle. Second round freestyle (FEI) will not be included on the Record of Experience. Scores must be achieved by a minimum of the same four (4) vaulters. Any change in more than two (2) members of a Squad represents an entirely independent Squad, must submit a separate application of intent (see Section 1.1.3.d), and will be considered separately for selection. The following events are designated as Selection Events:

- any CVIO4*, CVI 3*, CVIJ 2* or
- any USEF 3* A Squad or 2* B Squad

A maximum of one score can be attained at a 2* Squad event.

Any submitted score achieved after January 1, 2026, must have been achieved at a competition (listed Section 2.1) with no less than three (3) judges.

Selectors may grant a waiver for up to one (1) required qualification scores, if they determine in their discretion that it is in the best interest of fielding the Team. The Selectors may grant a waiver based on these factors. These are in no particular order:

- Previous international experience of the Squad;
- Previous experience and submission(s) to virtual judging or virtual competitions completed in 2025 or 2026;
- The circumstances, facts, and in the case of illness or injury to a Horse or Athlete, documentation by the Team Veterinarian or USEF-approved physician(s); and/or
- Unforeseen circumstances which create a logistical emergency.

Requests for waivers must be made, in writing, to Steven Morrissey at smorrissey@usef.org before March 30, 2026 at 5:00PM ET. The request must include specific details about why a waiver should be considered.

Squads will be notified in writing of any decisions as soon as practicable. Should a waiver request be denied and the score requirement not be met, the Squad will no longer be considered for the Short List.

2.1.1. Step-by-step description of the selection process for this Event:

2.1.1.1. Short List:

Squads must submit their two (2) qualification scores to USEF no later than March 30, 2026, at 11:59 PM ET, through the Record of Experience (See definitions) form posted on the [USEF website](#), which will be made available no later than February 15, 2026. Squads must also submit a narrative detailing their prior Record of Experience and preparation.

The scores and Records of Experience will be reviewed by a panel of five Selectors. (See Definitions: USEF VAULTING SELECTORS for a detailed description of Selectors). Selectors will be announced no later than Dec 15, 2025, at <https://www.usef.org/compete/disciplines/vaulting>.

On or around March 30, 2026, the Selectors, in consultation with the USEF Vaulting Director of Performance, will review the Squads' scores and Record of Experience and recommend a "Short List" of up to four Squads. There will be no ranking order on the Short List. The Selectors will recommend the Short List to the USEF Board of Directors, Executive Committee, or an Ad Hoc Selection Group approved by the USEF Board of Directors. In making their recommendation, the Selectors will consider the following factors in no particular order:

- Scores earned during the Qualifying Periods. Additional consideration to consistency of scores, trend in scores, and recent scores achieved.
- Previous international experience of the Squad. Additional consideration to recent major competitions in Europe.
- Behavior of Squad, lunger, and people associated with the Squad (including, but not limited to, owners, coaches, and grooms) that may have an impact on creating a positive team environment.
- FEI Certificate of Capability or evidence of prior scores/experience which indicate if FEI requirement of certificate of capability will be earned.
- Record of Experience.

Only Squads named to the Short List are eligible to proceed through the selection process.

Any submitted score achieved after January 1, 2026, must have been achieved at a competition (listed Section 2.1) with no less than three (3) judges.

Squads on the Short List will be required to participate in the following events held between March 31, 2026 – June 1, 2026 ("Selection Period"). Only the first-round compulsories and freestyles will be considered. Second round freestyles will not be considered. All scores must be obtained with at least four of the same Athletes. During the Selection Period, Squads must attend three Designated Observation Events (USEF 3* class or FEI 3* or 4* class).

The list of Designated U.S. Observation Events and Designated European

CVI Observation Events will be published on the USEF Website by December 15, 2025.

In addition, the Selectors may add a required Training Camp as an Observation Event during the Selection Period. If this is required, details will be circulated to Squads no later than February 1, 2026, and Squads will be required to participate.

In the case of extraordinary circumstances such as medical or veterinary issues, the Selectors, by unanimous agreement, may grant a waiver to excuse Squads from any of the Observation Events, including the required Training Camp, if it is determined to be in the best interest of the Team. Any request for a waiver must be made in writing to Steven Morrissey at smorrissey@usef.org by the conclusion of the Selection Period. The Selectors may grant a waiver based on the following factors. These are in no particular order:

- The Squad has demonstrated “Proven Ability” (See definition) to succeed at the Championships in the Squad event;
- Previous international experience of the Squads;
- Previous experience and submission(s) to virtual judging or virtual competitions completed in 2025 or 2026;
- The circumstances, facts, and in the case of illness or injury to a horse or athlete, documentation by the Team Veterinarian or USEF-approved physician(s);
- Unforeseen circumstances which create a logistical emergency; and/or
- FEI Certificate of Capability or evidence of prior scores/experience which indicates if FEI requirement of certificate of capability will be earned.

If a waiver request is made during an Observation event, Selectors may grant a request based on the criteria above. Should a waiver request be denied and the score requirement not be met, the Squad will no longer be considered for the FEI Nominated Entries.

2.1.1.2. Final Submission of Record of Experience – June 1, 2026

By no later than June 1, 2026, at 5:00PM EST, Squads listed on the Short List will be asked to complete and submit their Final Record of Experience, which must include at least the following five scores, unless a waiver has been granted permitting fewer scores:

- the two (2) scores listed in their first Record of Experience; and
- a minimum of three (3) additional scores earned at Observation Events during the Selection Period (see 2.1.3).

Additional scores may be listed on the Final Record of Experience. Scores achieved after January 1, 2026, must have been achieved at a competition with no less than three (3) judges.

Athletes are responsible for reviewing and verifying the Record of Experience and notifying Steven Morrissey at smorrissey@usef.org in writing no later than June 1, 2026, at 5:00PM ET of any discrepancies found. No changes will be accepted after June 1, 2026, at 5:00PM ET.

The remaining Squads on the Short List, up to the maximum number permitted under FEI rules for the Event, may be named as ranked “alternate” Squads for the FEI Nominated Entry for the Event. 3.3 Other Discretionary Criteria:

- a. Horses that are candidates for selection for the Event may be examined at any time following the application deadline and through the conclusion of the Event for soundness by the Team Veterinarian. Horses found to be unsound by the Team Veterinarian may result in the removal of the Athlete and/or Squad and/or Horse from the selection process, at the recommendation of the Team Veterinarian, and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.
