Chapter 1. General Licensing Information

Section 1. General.

1. The Federation will act upon every completed application for enrollment, annual renewal, and promotion of judges, course designers, stewards and technical delegates.
2. All applications whether for initial enrollment, renewal, or promotion shall contain a statement to be signed by the applicant, indicating that the applicant has read and understands the rules governing the application process, and agrees to be bound thereby.
3. Any USEF member who is a U.S. citizen holding a FEI license for which there is a comparable national level license must maintain the national level license with the Federation (Exception: Jumper Judges, Jumper Course Designers, and Stewards). If the national license is not properly maintained, this in itself shall be deemed sufficient basis for the Federation to recommend to the FEI that the individual be removed from the FEI list of officials.
4. The following individuals shall comply with the criminal background check and training requirements of the Federation's Safe Sport Policy:
 - a. All individuals seeking FEI licensure through the Federation; and
 - b. Current Federation FEI officials

Section 2. Amendments and Revisions.

1. FEI licenses are not governed by USEF.
2. The Federation will make amendments to this document in order to match the FEI license requirements. These amendments may occur at any time.

Section 3. Licensing

1. Applications must be completed, submitted, and paid for on the USEF website. The application fee is not refundable.
2. Application Requirements
 - a. All national level and Federation FEI officials must be Federation Active Members, 21 years of age or over.
 - b. All applicants must be compliant with the USEF's Safe Sport Policy before starting any application requirements. In order to be compliant with the policy, applicants must complete Safe Sport Training and a criminal background check.

Section 4. Maintenance Requirements.

1. It is the responsibility of the licensed official to satisfy all necessary requirements for maintaining their license.
 - a. Refer to the relevant discipline Education System documents for course and officiating maintenance requirements on the FEI website.
2. U.S. FEI officials must renew their membership and license with the Federation annually. U.S. FEI officials must complete Safe Sport Training annually and a background check every two years. If these requirements are not maintained, this in itself shall be deemed sufficient basis for the Federation to recommend to the FEI that the individual be removed from the FEI list of officials.
3. Documented adjudication of FEI recognized classes at foreign FEI sanctioned competitions will count towards maintaining the same national discipline judge or course designer license, provided it occurs during the same time frame required by the national license.

Chapter 2. FEI Licensing Requirements

Section 1. Dressage & Para

Section 1.1 Judges

Section 1.1.1 3* Dressage Judge - USEF has an FEI approved national education system. Due to this, applicants that wish to become an FEI Dressage Judge may apply for the 3* status.

A. Application Requirements

1. Requirements for approval to shadow judge (SJ) and sit-in (SI) – Applicants must meet the following requirements before a letter of recommendation from USEF can be sent to the FEI to request permission for the applicant to shadow judge and sit-in.
 1. Hold a US Equestrian 'S' Dressage Judge license for a minimum of two years (24 months).
 2. Have riding experience up to at least Prix St-Georges (PSG) level. Grand Prix (GP) experience preferred.
 - i. US Equestrian requires a minimum of three verified rides of 63% or higher at Grand Prix or Grand Prix Special (Freestyle does not count).
 3. Have judged a minimum of nine national GP level classes within three years of application. Three of these classes must be within 12 months preceding the application.
 - i. US Equestrian requires that a minimum of six of the nine classes be as a member of a panel of two or more judges.
 - ii. US Equestrian requires that two of the six classes noted above must include panel judging in a different region from the applicant's home USDF Region.
 - iii. The applicant is responsible for keeping verifiable documentation of officiating, which must be included with the application for sit-in/shadow judging.
 4. US Equestrian requires that the applicant officiate a minimum of 50 GP rides.
2. Once the applicant has met the above requirements, they must notify the Licensed Officials Department (LOD) in writing to request permission to shadow judge and sit-in. This notification must be accompanied by five positive letters of recommendation from current or retired FEI 4* or 5* judges with whom you have worked. Letters of recommendation must be submitted using the approved documentation and form found [here](#).
 1. If the requirements have been met, the LOD will request that the FEI allow the candidate to shadow judge and sit-in.
 2. The FEI will notify the Federation of their decision, and the Federation will communicate the FEI's decision to the candidate.
 3. Shadow judging and sit-in experience cannot be initiated until approval is received from the FEI.
3. FEI sit-in and shadow judging requirements – The following requirements must be met after approval is received from the FEI to sit-in and shadow judge.
 1. Shadow judging
 - i. The applicant must complete two shadow-judging experiences (GP, minimum of eight horses per class) with two positive recommendations (out of a maximum of four attempts). These experiences must be with different FEI approved mentor judges (MJ) at a minimum of two different CDIs, one of which should be a CDI3* or above.
 - ii. Preferably one of the MJ recommendations should be from a 5* judge.
 - iii. For the evaluation and discussion with the applicant regarding the outcome of their shadow judging, a second judge (minimum of a 4* judge), can be chosen by the MJ as a Reference Judge (RJ). This is not required.
 - iv. The MJ/RJ and the applicant must be of different nationalities. The MJ and the RJ may be of the same nationality.
 - v. All shadow judging must be done in the first competition on the respective level.
 - vi. A MJ cannot accept more than one applicant per competition.
 - vii. If a judge is part of the official panel at a competition he cannot shadow judge at the same event.

- viii. The applicant is not allowed to use e-Dressage.
 - ix. Applicants can find the list of MJs [here](#).
 - x. Applicants can find the FEI Guidelines for Shadow Judging [here](#).
2. Sit-in experience
 - i. The applicant must complete three sit-in experiences (Intermediate II, minimum of one GP/GPS, minimum of one GPFS, with a minimum of eight horses per class) with different FEI approved MJs. At least two of the experiences must receive a positive recommendation
 - ii. The MJ and the applicant should be of different nationalities.
 - iii. The applicant should sit with the MJ throughout the entire competition.
 - iv. Applicants can find the list of MJs [here](#).
 - v. Applicants can find the FEI Guidelines for Sit-Ins [here](#).
 3. If shadow judging and sit-ins are completed at the same event, the shadow judging must be completed before the sit-ins.
 4. Shadow judging and sit-in evaluations forms should be sent by the MJ to the FEI and to the USEF Licensed Officials Department (LOD).
1. Once the applicant has completed the above requirements, they must submit a promotion application to the United States Equestrian Federation. Upon approval of their application, the applicant will be given permission to attend an FEI qualification course and examination
- B. Maintenance Requirements
1. Officiate at 12 competitions at a minimum of four CDIs within the prior three years. Six of the competitions must be Intermediate A/B or higher.
 - i. Young Horse competitions do not count towards this requirement.
 - ii. Officials can replace a maximum of three competitions (Intermediate A/B or higher) with a positive shadow judging (SJ) or refresher course. One officiating can be replaced per each SJ/course. The SJ must be at the Grand Prix level with a minimum of eight horses.
 - iii. One Intermediate A/B or higher competition can be replaced by three competitions judged at the Prix St. Georges/Intermediate I level.
 - iv. Mentor Judges for shadow judging must be approved by the FEI. At least one of the mentor judges must be 5*.
 2. Complete and pass the CES exam annually.
 3. Attend a refresher course every three years.
