

## 2018 USEF Pony Hunter National Championship Specifications

*The Federation must provide the applicable Recognized Affiliate, Council, and discipline or breed committee with the Qualifying Criteria and Official Specifications for approval.*

### I. Membership Requirements to Qualify

- a. The pony must be actively recorded with the Federation and registered with USHJA at the time of qualification and on or before the first day of the Championship.
- b. The Owner of record of the pony must be an Active member in good standing of the Federation and USHJA, i.e. ponies must be shown in accordance with GR1102 and GR1108 in order to be eligible to qualify.

### II. Qualifying

- a. The qualifying period for the USEF Pony Hunter National Championship is July 2, 2017 - July 1, 2018 for Regular Pony Hunters and December 1, 2017 – July 1, 2018 for Green Pony Hunters.
- b. A Regular Pony Hunter qualifies by winning a Championship or Reserve Championship in a “AA” or “A” rated Regular Pony Hunter section during the qualifying period. The show in which they qualify must have a start date on or before the final day of the qualifying period.
- c. A Green Pony Hunter qualifies by winning a Championship or Reserve Championship in a “AA” or “A” rated Green Pony Hunter section at a competition during the qualifying period. A Green Pony may also qualify by winning a Championship or Reserve Championship in an “AA” or “A” rated Regular Hunter Pony section after December 1<sup>st</sup>. The show in which they qualify must have a start date on or before the final day of the qualifying period.
- d. A pony that has qualified in the Green section and the Regular section may not compete in both. Green ponies must declare the section in which they will compete when completing their entry blank.
- e. Regular ponies that are Champions in their respective sections at the previous year’s Pony Finals may return without qualifying.

### III. Phases

Competition will be conducted in three separate phases: Model, Under Saddle, and Over Fences. In determining each pony’s total score, the Model will count 25%, Under Saddle 25%, and Over Fences 50%. The competition will consist of six pony hunter sections: small green pony, medium green pony, large green pony, small pony, medium pony, and large pony. Coaching from the rail is not permitted in any phase and may result in a zero.

- a. Model. Judged on conformation, way of moving and soundness.

- i. In the Model, the ponies in each division will be split into groups of 12 or less. Each pony will be judged and given a score based on its performance in its group.
  - b. Under Saddle. To be shown at the walk, trot and canter both ways of the ring. Riders may be asked for an extended trot. Ponies to stop easily and stand quietly. Light contact with pony's mouth is required. Judged on performance and soundness. Manners and suitability of a pony to rider will be emphasized. Extreme speed will be penalized.
    - i. In the Under Saddle, the ponies in each division will be split into groups of 12 or less. Each pony will be judged and given a score based on its performance in its group. At the discretion of the judges, the ponies in any one division may be called back to hack together.
  - c. Over Fences. To be shown over a minimum of eight fences at the required height (Note-Large Green ponies to jump at 2'9" and Large Regular ponies to jump 3'0" in the competition). Judged on performance and soundness. Manners and suitability of a pony to rider will be emphasized. Extreme speed is penalized.
    - i. Elimination will occur after 2 refusals
    - ii. In the Over Fences phase, ponies will return to the ring in reverse order of the combined scores from the Model and Under Saddle Phases.
  - d. The same junior exhibitor is required to show an entry in all phases of the competition but need not be the same one that handled the pony in any phases of a qualifying event. The same junior exhibitor may ride a small medium and large pony in the competition but not more than one pony in any one division. If a rider is unable to continue to compete, the rider and/or trainer must request permission for a change of rider from the Show Committee prior to the start of the next phase of competition. The decision of the Show Committee is final, binding and not subject to further appeal of any kind.

#### IV. Judging

- a. A total of six judges will officiate. Three judges will judge the model phase simultaneously but independently of each other and each of the three judges will give each pony a model score. Three additional judges will judge the under saddle phase simultaneously but independently of each other and each of the three judges will give every pony an under saddle score. Prior to the over fences phase, each pony's scores for the Model and Under Saddle phases are totaled and announced. All six judges will judge the over fences phase in three panels of two judges each. Each panel will submit a separate score for each pony. During the over fences phase, the Open Numerical Scoring System is used: after a pony completes the course, each panel's score for the round is immediately shown. The total overall score for each pony is then calculated as soon as it has completed the last phase.
