

U.S. Dressage Festival of Champions Competition Format

The U.S. Dressage Festival of Champions (“Championships”) Competition Format (“Championship Format”) is effective February 22, 2022, unless stated otherwise. The information published herein is subject to additions or revisions. These Championships will be conducted under USEF Rules, except as outlined herein. Any questions concerning this Championship Format, please contact the US Equestrian Dressage Department at festival@usef.org.

Approved by the USEF Board of Directors Ad Hoc on February 22, 2022. This document may be amended upon approval by the USEF Chief Executive Officer. Reasonable written notice will be provided to affected athletes.

USEF reserves the right to cancel or relocate the Championships if its occurrence is prevented by weather conditions; changes in the management; insufficient entries; outbreaks or threatened outbreaks of equine illnesses; or any alterations of plans whether within or beyond USEF’s or management’s control. USEF reserves the right to relocate the Championships should USEF deem the facility and competition management did not adequately meet the standards set forth for a National Championship.

For All Championships:

For all Para Dressage Championship classes, tests must be ridden from memory unless an exemption is listed on the Athlete's Dispensation/Classification Certificate. The use of one (1) whip is permitted for all Para Dressage Athletes, and the use of two (2) whips is determined through the classification process.

For all Dressage Championship classes, tests must be ridden from memory, and the following are considered technical faults and zero-point five percentage points (0.5%) will be deducted per fault by each Judge, but these deductions are not cumulative and will not result in Elimination (including for Freestyle tests). In Children classes and classes for seven-year-old horses, penalty points must be deducted from both judging procedures (technical and quality). It is the responsibility of the Judge at C to decide whether a penalty should be applied, and the other judges' sheets should be marked accordingly to ensure consistency:

Description of Technical Fault	Comments
Entering the space around the arena with a whip or with boots/bandages on the Horse's legs or with discrepancy in dress (e.g. lack of gloves)	It is not permitted to carry a whip while competing in the arena. The whip must be dropped before entering the space around the Competition arena or the Athlete will be penalized per the technical faults.
Entering the Dressage arena with a whip or with boots/bandages on the horse's legs or with discrepancy in dress (e.g. lack of gloves).	If the test has already started before the discrepancy has been noticed, the Judge at C stops the Athlete and if needed and possible, an assistant may enter the arena to remove the item(s). The Athlete then continues the test from the movement where they were stopped. The marks given before they were stopped are not changed.
Entering the arena before the sound of the bell.	
Not entering the arena within forty-five (45) seconds after the bell, but within ninety (90) seconds.	Exceeding 90 seconds will entail elimination except where a valid reason is accepted by the Judge at C (losing a shoe, etc.).
For Freestyle tests, entering the arena after more than thirty (30) seconds of music.	
Using voice or clicking the tongue repeatedly.	
Athletes not taking the reins in one (1) hand at the salute.	

24 Hour / One Athlete Rule: With the exception of the Para Dressage Championships and the USEF Dressage Seat Medal Finals, for all Dressage Championships, within 24 hours prior and through the conclusion of the competition, any horse entered in a USEF Dressage National Championship class shall not be ridden by anyone other than the Athlete entered in that class on that horse under penalty of elimination from the USEF championships. Exception: grooms riding on a loose rein. For purposes of this rule, the competition starts when horse or pony and athlete arrive on the show grounds.

Horse Inspection (Jog): With the exception of the USEF Dressage Seat Medal Finals, all horses entered in these Championships will be examined for soundness. A horse inspection will be scheduled prior to the start of the Championship classes, at which time horses must be presented to an FEI Veterinarian and at least one (1) member of the judging panel for examination. Horses shall be evaluated from the side and following consultation with the FEI Veterinarian, the decision of the judge(s) is final and not subject to further protest. If a horse does not pass the horse inspection, the Athlete may request to re-present the horse to the judge(s) and FEI Veterinarian. The judge(s) must give an option for reinspection in consultation with Competition Management at any time up to one (1) hour prior to the start of the class. The FEI Veterinarian and the judge(s) from the original panel must be present. All individuals aged 25 and under must wear protective headgear during the horse inspection.

Adequan® / USEF Grand Prix Para Dressage National Championship

USEF Dressage Seat Medal Finals

Judging

To be judged on correct riding, security of the rider, the ability of the rider to positively influence the horse, the unity of the rider with the horse in motion. To be effective, a rider must have a correct position and weight distribution. The rider's seat should match the movement of the horse at each gait. The judges for the Finals will have input on which Pattern is used for either class.

First Round - Group Work

All riders will gather in the Grand Prix warm-up ring. USEF Staff will lead riders to the arena at the start of your Medal Final class. All riders will walk and trot together and will be divided into groups for the canter work.

Second Round - Pattern

Following the conclusion of the group work, in numerical order, the first 3 riders will remain in the arena. The remaining riders will exit the arena to wait in the warm-up ring. Staff will be in both arenas to help direct riders for when it is your turn to ride the Pattern. When your Pattern is complete, you will exit the ring to wait until the class is completed and to prepare for the awards ceremony.

Conditions for the Finals

Horses do not participate in a horse inspection (jog). Horses may be eliminated for lameness.

Riders may change horses up to one hour before the start of their Medal Final class upon notification in the Show Office.

Trainers/Coaches are permitted to ride and school competitors' horses if the horse is only competing in the USEF Dressage Seat Medal Finals. A horse that is also competing in another Championship is permitted to compete in the USEF Dressage Seat Medal Finals pending confirmation of the final timetable. Please email festival@usef.org for more information and further clarification on the 24 Hour/One Athlete Rule.

Trainers/Coaches and parents/guardians are permitted to speak with their rider while waiting in the warm-up ring.

A rider not able to complete the group work and/or pattern is eliminated and ineligible for awards.

Please review [DR133 of the USEF Dressage Rules](#) for information on Dress, Saddlery and Equipment.

White polo wraps, boots, and bell boots are permitted for the awards ceremony.
