The following is the current ranked list of Applicants vying for the 2017 FEI World Driving Championships for Ponies ("the Event"):

Pair Ponies

1. Kathleen Whaley – Tommy / Tanner / Night Flyer

Single Pony

1. Tracey Morgan – Fuego 88
2. Miranda Cadwell – Cannon's Majestic Leyla
3. (*Alternate*) Leslie Berndt – Sweetwater's Zorah Belle

Without a four-in-hand applicant, the USEF is not able to field a U.S. team for the Event. Due to FEI Rules [Articles 923.3 & 927], National Federations that cannot send a team may only send up to two Athletes in each Class as individuals. Despite requests to send an additional individual single pony entry to the Event, the Organizers cannot permit it. All of the ranked Athletes were selected for Nominated Entries (July 17, 2017) and pending final approval of the USEF Driving Sport Committee & Board of Directors (Ad Hoc group), this ranking will be submitted for Definite Entries to the Event on August 1, 2017.
