CCI5*-L: DEFENDER KENTUCKY THREE DAY EVENT US EQUESTRIAN PLAYBOOK

INTRODUCTION

The aim of the Playbook is to give those that are attending the Defender Kentucky Three-Day Event (USA) CCI5*-L an understanding of the event and the logistics that go with making the trip to Lexington, Kentucky. As a CCI5*-L. Please note that the individual Athletes competing will not receive funding, apparel, Team Staff support, or expense reimbursements.

As with any CCI5*-L, Kentucky will have its challenges and differences from past and other 5* events. The emphasis must be on ensuring athletes, horses, and grooms can perform their very best. A performance environment should be maintained and always keep in mind that even as a non-Team competition, you are still representing the USA on home turf.

The competition venue is approximately 60 minutes south of Cincinnati and 60 minutes east of Louisville. This event does host additional levels including the CSI5* for Jumping alongside the CCI5*L and CCI4*-S. Please review the published [FEI Schedule](#) for the available divisions and their restrictions.

We are continually receiving updates and new information so their playbook can never cover all the details. The primary point of contact for the Defender Kentucky Three-Day Event is Equestrian Events, Inc. and their contact information can be found [here](#).

This playbook contains helpful information for attending this Event. Please also familiarize yourself with the [FEI Schedule](#) and remember to check in at the show office upon arrival for the most up-to-date information.

PLEASE READ THIS PLAYBOOK AS IT CONTAINS IMPORTANT INFORMATION ABOUT TRAVEL PLANNING, CLIMATE, AND ACCOMMODATIONS.

Please contact Christina if you have any questions, observations, or suggestions as to how we can optimize the support of the athletes, grooms, and horses.

Good luck to all!

ENTRIES

An FEI Entry is required to compete at the Defender Kentucky Three-Day Event. Athletes must submit the FEI Entry in order to be entered into the FEI Entry System to compete as an individual at any FEI competition, whether in the U.S. or abroad. The FEI Entry process is managed by US Equestrian Athlete Services.

Entries directly with the competition will also need to be completed. See the FEI schedule for complete information.

PRE-TRAVEL INFORMATION

VACCINATIONS

In accordance with the CDC and USOPC recommendations, we advise that all Athletes, grooms, and traveling USEF support staff consider getting the new COVID vaccine now available against new strains as well as the seasonal flu vaccine. These vaccines can be administered at the same time. This is NOT a USOPC or USEF requirement, but it is highly recommended to protect our athletes, grooms, and all Team members. Please note it takes approximately two (2) weeks to maximize immunity.

INCIDENT MANAGEMENT GUIDELINES

In general, Lexington, KY is a safe area for its residents and visitors. However, security perception changes greatly by district. If you have any doubts or need to report an incident, you can rely on the Police who are constantly patrolling the streets. The Kentucky Horse Park also has the Kentucky Horse Park Mounted Police.

Responsible care should be exercised when traveling throughout Lexington. There is a normal level of crime, but it varies by district. In the higher-income areas frequented by tourists, petty theft is the most common concern. Travelers should keep valuables out of sight and be aware of their surroundings. Avoid isolated areas when on foot, especially after dark. It is recommended to only use a trusted taxi or an app-based taxi service. Do not hail a taxi on the street.

Assailants usually target victims for their smartphones, wallets, or purses. If confronted by someone with a weapon, it is best not to resist.

It is best to use ATMs inside banks instead of ATMs that are more accessible to passers-by and all banks advise customers to cover ATM keypads with their hands when entering codes. When making credit card transactions, travelers should expect the vendor to use a credit card reader in their presence.

Security is the responsibility of everybody. However, security concerns must not be allowed to prevent Athletes from concentrating on preparing and competing their horses. Good security is the application of common sense.

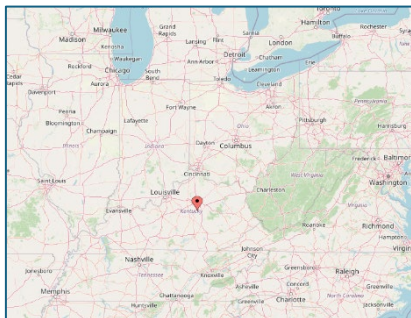

*Disclaimer: This Playbook is a resource produced by the USEF Eventing Department.
Please visit the event's [official website](#) for the most up to date information.*

The key to good security is vigilance. Be aware of what is happening around you and always pay attention to anything that appears unusual or out of place. This includes people who appear nervous about their surroundings.

- Make a copy of your passport or real ID and travel documents and leave the original in a safe place.
- Always travel in groups.
- Do not overtly wear expensive jewelry.
- Keep your phone hidden.
- Do not carry excessive amounts of cash or credit cards if you do not need them.
- If you are in a vehicle in standstill traffic with the windows rolled down, keep phones and other possessions low and away from windows and be mindful of people walking through the traffic.
- Do not approach unattended bags, cases or packages – report them.
- Do not accept packages from anyone, the contents of which are unclear.
- Do not advertise where you are staying.
- If you are out in the evening and you become aware of increased police activity, leave the area immediately.
- If you see an incident involving the police, do not get involved. Do not play the good Samaritan.

EATING

American cuisine is heavily influenced by both European and Latin American dishes. Similar to most areas of the U.S., Lexington and surrounding areas has a wide variety of different cuisines available. Many of the traditional dishes are a mixture of native and non-native ingredients complemented with mostly seafood. Beef and chicken are the most popular meats however seafood and pork are often available as well.

Some popular dishes include:

- Benedictine
- Bourbon balls
- Mint julep
- Burgoo
- Kentucky Hot Brown
- Spoonbread
- Beer cheese

LOCAL BUSINESS HOURS

Office hours are Monday through Friday from approximately 8:00 a.m. to 5:00 p.m.

Banks tend to be open between 9:00 a.m. to 4:00 p.m.

Shopping centers tend to be open from 9:00 a.m. to 9:00 p.m. Depending on the shop, the hours may vary. It is not uncommon for a store to open later and close earlier on select days of the week such as Sunday.

GETTING AROUND THE CITY

There are apps that can be utilized in the city of Lexington to request a vehicle such as Uber, and Lyft to name a few.

*Disclaimer: This Playbook is a resource produced by the USEF Eventing Department.
Please visit the event's [official website](#) for the most up to date information.*

The advised and safest method of travel is by taxi or car arranged by a hotel, restaurant, or USEF.

CURRENCY AND EXCHANGE

The United States Dollar (USD) is the official currency of the United States. The symbol for the USD is \$. There are many different currency exchange services available in Lexington such as Kentucky Currency Exchange and Peoples Exchange Bank.

Currency slang includes but is not limited to:

- Dollar(s) – “Buck(s)”
- \$1,000 – “a grand”

CREDIT CARDS

Major credit cards are widely accepted. Use of debit cards is widespread, although many stores impose a minimum per debit card purchase, and service charges may apply.

Money can be exchanged at the airport, exchange houses or banks.

TIPPING

Restaurants: Tipping is customary at sit-down restaurants in the U.S. at a 15% - 20% rate.

Transport: Tipping taxi drivers is a standard practice in the U.S. A common tip is 15% to 20%.

Hotels: It's up to you whether you tip cleaning staff or room service and again it depends on the overall quality of service.

TRAVELERS CHECKS

Traveler's checks are not commonly used in America. It is best to use an ATM card at the many ATM locations available in Lexington in the absence of cash.
