**RE: 2020 FEI VAULTING WORLD CHAMPIONSHIPS FOR SENIORS**

Sadly, the United States Equestrian Federation (USEF) received notification from the FEI that the 2020 FEI Vaulting World Championships for Seniors (Event) scheduled July 28 – August 2, 2020, Flyinge, Sweden has been cancelled due to the risks associated with COVID-19. There may be a possibility that the Event may be rescheduled later in the year, or 2021, but these options will not be discussed by the FEI until June.

USEF and the Vaulting Sport Committee will discuss options for the currently published USEF Selection Criteria in the event the Championship is postponed to later in the year or 2021. Please feel free to offer any recommendations you think may be viable in our updated planning and Event criteria, should the Sr. Championship be held in the future.

We appreciate the hard work and dedication you have put forth in your training for this Event, and hope that you continue to work hard, and be resilient with your training. Please remember that we are here to help in any way we can, and encourage you to reach out to us at any time.
