CEIO EVENTS HELD ABROAD

Athletes wishing to be considered for a CEIO competition held outside of the U.S., including Canada and Mexico, must submit an Application to Compete Abroad found in your Athlete Dashboard (see below). If more athletes have indicated a desire to compete at a CEIO than allowed per the [FEI Endurance Rules](#), entries will be submitted in the order of the athlete's ranking on the FEI Open Rider Ranking List as of the FEI Definite Entry Date for the competition.

USEF may designate certain CEIO events as selection or observation events as part of selection processes for FEI Championships. Athletes in contention for these Championships may be given priority over other athletes.

INVITATIONS TO USEF OR AN ATHLETE

Provided the USEF Minimum Criteria to Compete Abroad and/or requirements set forth in the invitation are met, athletes who receive personal invitations from Organizing Committees will have preference over other U.S. athletes. The definition of a "Personal Invitation" is one that is given by the Organizing Committee directly to USEF, a specific athlete, or to USEF on behalf of the athlete. Athletes who receive Personal Invitations must send a copy to Athlete Services (feientries@usef.org) and submit the online application to Compete Abroad. The FEI Open Riders

Ranking List-as of the date an invitation is received by USEF will be used as reference for requirements set forth by the Organizing Committee.

OVERSUBSCRIPTION AT CEI EVENTS

Should there be more applications than invitations, on the deadline of the FEI Definite Entry for the event, an athlete's ranking on the FEI Open Rider Ranking List will be used to determine the invitations. USEF may designate certain events as selection or observation events as part of selection processes for FEI Championships. Athletes in contention for these Championships may be given priority over other athletes.
