HORSE PARTICIPATION AGREEMENT
(Attachment B)

This Horse Participation Agreement (Agreement) sets forth our mutual understandings regarding the participation of the horse(s) _____ (Horse) with the United States Equestrian Federation, Inc. (USEF) for the **2026 FEI World Championships for Eventing** (Event). The Agreement period shall commence on **August 3, 2026**, until the conclusion of the Event.

It is understood that the Horse owner(s) must certify, by signing this Agreement, that they have received and read the Event Selection Procedures for the Team; USEF Code of Conduct; USEF Release, Assumption of Risk, Waiver, and Indemnification; and USEF Safe Sport Policy and agree to be bound by them.

It is further understood that, as required in the FEI General and Veterinary Regulations, USEF's duly appointed Chef d'Equipe, if present, is responsible for the condition, fitness, management of each horse, and for the declaring or "scratching" of said horses. This does not mitigate the responsibilities of the Person Responsible as defined in FEI General Regulations, especially Article 118.

USEF and the Horse owner(s) understand that under all normal circumstances the horse will be competed exclusively by _____ (Athlete).

USEF does not carry insurance on any horses placed in its custody and cannot be responsible for any accident, lameness, illness, or injury that could happen during stabling, training, transportation, or competition. You may, of course, maintain your own insurance coverage.

By signing this Agreement, the Horse owner(s) give their full permission to USEF and its agents to administer medication to the Horse in the interest of the Horse's welfare and well-being during the participation period.

All financial and logistical information for the above Event will be outlined in the Athlete Memorandum, Instruction, or equivalent, which will be circulated to athletes prior to the Event. USEF assumes no responsibility for salaries or other benefits.

If the opportunity arises for you to sell the Horse during the participation period, you agree that the transfer of ownership will not take place until after the expiration of the participation period, unless both USEF and the new owner(s) consent in writing to the transfer of ownership during the subject to this participation agreement. Furthermore, horse will not be shown for sale during the Event.

By signing this Agreement, the undersigned certifies that they are the legal and recorded owner of the Horse and have the authority to bind any and all additional owners of Horse.

I have read and understand the USEF Horse Participation Agreement. By providing my handwritten or electronic signature below, I acknowledge the aforementioned, and agree to be bound by the USEF Horse Participation Agreement and I fully understand and accept my responsibilities as a participant in the **2026 FEI World Championships for Eventing**. I further understand and agree that an electronic signature is a legal and binding signature.
