## **CHAPTER RD ROADSTER DIVISION**

### **SUBCHAPTER RD-1 GENERAL QUALIFICATIONS**

#### **RD101 Eligibility**

1. Roadster Horses: In order to compete all horses must be a Standardbred or Standardbred type. Roadster Ponies are not permitted to compete in Roadster Horse classes.
  - a. All horses competing in Federation Licensed Competitions must be properly identified and must obtain a Roadster Horse Identification number from the American Road Horse and Pony Association (ARHPA). An ARHPA Roadster Horse ID number for each horse must be entered on all entry forms for licensed competitions.
  - b. Only one unique ARHPA Roadster Horse ID Number will be issued per horse. This unique ID number must subsequently remain with the horse throughout its career. Anyone knowingly applying for a duplicate ID Number for an individual horse may be subject to disciplinary action.
  - c. The Federation and/or ARHPA as applicable must be notified of any change of ownership and/or competition name of the horse. Owners are requested to notify the Federation and/or ARHPA as applicable of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.
  - d. The ARHPA Roadster Horse ID application is available from the ARHPA or the Federation office, or it can be downloaded from the ARHPA or Federation website or completed in the competition office. Competition management is responsible for notifying exhibitors of this requirement in their prize list.
2. Roadster Ponies: Registration is not required for ponies competing in the Roadster division. Ponies may not be shown in a performance class unless the owner possesses a current Measurement Card or valid Measurement Form issued by the Federation (see GR502). All Roadster Ponies must be re-measured and issued new measurement cards prior to competing in licensed competitions for the year 2004 and beyond.
3. Membership Requirements.
  - a. Owners and trainers of roadster ponies participating at Federation Licensed Competitions in the Roadster Division must be current members in good standing with either the American Road Horse and Pony Association or the American Hackney Horse Society.
  - b. Owners, riders, drivers, and trainers of horses participating at Federation Licensed Competitions in the Roadster Division must be current members in good standing with the American Road Horse and Pony Association.
  - c. Originals or copies of the above listed membership cards must be provided to the competition unless at its discretion the membership can be confirmed electronically with either the AHHS or the ARHPA office.
  - d. Lessees are considered owners in connection with these membership requirements. In the event of an entry under multiple ownership, only one owner need be a member of the required organization.

#### **RD102 Type and Conformation**

1. The Roadster should be attractive in appearance, balanced in conformation, and must have manners which make a safe risk in the ring.
2. The roadster horse should have the look of a refined race horse. The roadster should have a refined head with a broad forehead, large nostrils and shallow mouth. It should have smart well placed ears and a fine throat latch. Neck is fine but muscular and show depth through the chest. The roadster should be a good full made horse with refined solid legs, powerful shoulder and hindquarters. The roadster should have a full mane and tail and may be of any color. Tail should be carried outright while performing.
3. There are three types of Roadsters for competition-those suitable for bike, under saddle, and road wagon. Occasionally there are horses or ponies that are suitable for all purposes.
  - a. Bike: Roadsters in the Bike sections are able to strongly perform three distinct speeds at the trot while maintaining their form and have the look of a refined race horse or pony.

- b. Under Saddle: Horses competing under saddle should be pretty and have the natural ability to carry their head high.
- c. Wagon: Usually the Wagon Roadster will have more scale and height than the Bike Roadster. Roadsters in the Wagon sections must have the strength to comfortably pull a wagon without losing form. Typical Roadsters in the Wagon sections are good looking horses or ponies that complement the appointments of the wagons.

## **RD103 Soundness and Welfare**

- 1. Horses and ponies must be serviceably sound.
- 2. Shoeing- to be directed to improving the comfort, balance, and soundness of the horse. Labored way of going due to shoeing to be penalized.
  - a. Pads and wedges- are permitted to protect the feet and limbs from the impact of the horse's natural gait, and maintain the integrity of the hoof wall.
  - b. Bands- protective hoof bands are permitted to protect the integrity of the hoof and prevent the loss of a shoe resulting in trauma to the hoof.
- 3. No horse may compete in a class in the Roadster Division with any chemical or other irritant of any kind present to alter the horse's tail carriage.
- 4. Horses showing signs of inhumane treatment will be eliminated from competition. See GR838.

## **RD104 Gait Requirements**

- 1. The principal gait assignment for Roadsters is the trot. They shall be asked to trot at three different speeds; the jog-trot, the Road Gait, and then at full speed. At all speeds they should work in form; that is their chins set and their legs working beneath them, going collectedly. At the trot a horse whose action features folding of the knees, flexing of hocks, with straight true action of front legs and with hocks carried close together and with motions coordinated, is executing a balanced trot. Long sprawling action in front, dragging or trailing hind legs and straddle gaited action behind makes a balanced trot impossible.
- 2. Animation, brilliance, and competition ring presence should characterize the Roadster in working at a jog-trot or Road Gait.
- 3. When asked to drive on, the horse must show speed and go in form.
- 4. Labored way of going, pacey gaited or mixey gaited horses that pace and rack the turns or break and run on the turns shall be penalized.
- 5. Judges must emphasize that Roadsters are to be shown at three distinct speeds. Exhibitors executing gaits not called for must be penalized.

## **SUBCHAPTER RD-2 SHOWING PROCEDURES**

### **RD105 General**

- 1. Roadsters must enter the ring clockwise at a jog-trot then show at the Road Gait; turn counter clockwise at the jog-trot, show at the Road Gait and then trot at speed. Judges must emphasize that Roadsters are to be shown at three distinct speeds.
- 2. In Roadster horse and pony performance classes when the judge calls for the line up, exhibitors must continue in a counter-clockwise direction to bring their entries to the line up. Judge(s) shall penalize entries that do not comply.
- 3. It is very important to emphasize that Roadster horses must trot solidly down the straight away as well as around the turns. Horses must be shown on the rail at all times except when passing and should go to the far end of every corner without side reining; should be light mouthed, capable of being taken up at any time, and stand well when being judged in the center of the ring. Any horse not in compliance, that is determined by the judge (s) to be a safety risk must be excused.

4. Any driver, rider, horse or pony in the Roadster division exhibiting inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any other exhibitor, their entries, or the safety of class officials must be immediately eliminated from the class by the judge. When eliminating a driver, rider, horse, or pony due to inappropriate or dangerous behavior, the judge must call the class to a stop and excuse the relevant driver, rider, horse, or pony from the ring. Once the eliminated driver, rider, horse, or pony has exited the ring, the judge may resume the class. When showing a Roadster to Bike or Wagon, the driver must sit on the inside of the seat and hold the bight end of the reins in hand. When showing to the bike, both feet must remain in the stirrups while showing, except for while standing in the lineup. Any driver who fails to comply with the above will be considered to be exhibiting dangerous behavior as described above and must immediately be eliminated from the class by the judge. It is the judge's responsibility to ensure that safety requirements are followed at all times.
5. Performance at all three gaits must be judged. In the event of a workout, it will be judged as a separate class and horses must be tied for placings being considered in that workout. Workouts may be called for by the judge(s) for any or all placings. All horses chosen for a workout must be worked both ways of the ring at all gaits listed in the class specifications. An exhibitor choosing to not complete the workout for any reason, including broken tack, a horse becomes uncheck, loss of shoe, or concern for the welfare of the horse, has the option of lining up and receiving the last ribbon awarded in the workout. If two or more horses retire from a workout, these entries will be placed in reverse order of retirement. In the event of a simultaneous withdrawal of a workout, the placings will go to the fall of the cards. An exhibitor is entitled to request only one five-minute time out per class, including workout. (See GR833).
6. When horses are lined up, no attendant is permitted and driver shall not leave their vehicle except for necessary adjustments. The driver may, however, uncheck and stand at horse's head when left in the center of the ring while a part of the class is on the rail for a workout. **During the line-up, headers are permitted in Amateur and Youth Road Horse Classes.** The header must not touch the entry except for safety reasons. During a workout the header may uncheck and hold the entry. However, when the workout is over the horse must be rechecked and the attendant must move away from the horse. The attendant must take no action that would affect the performance of any animal.
7. An exhibitor is entitled to request only one time-out per class. (See GR833).
8. Championships. Championship classes are judged in the same manner as the qualifying classes. Saddle classes do not qualify a horse for Bike or Wagon Championships. Wagon classes will qualify for a Bike Stake if a Wagon Stake is not offered. In Amateur Championships, to bike or wagon, if qualifying classes are offered the horse must have been qualified by an Amateur in one other Amateur Bike or Wagon Class. Exception: Lady Amateurs may qualify for the Amateur Championship if they enter and show in a Ladies bike or wagon class.
9. In the Roadster Division a class is considered completed when the class has been judged according to the rules and the judges have turned in their cards. In qualifying classes the judge's cards must be turned in before an entry is qualified to show in the Championship class.

**Effective 04/01/24**

## **RD106 Appointments Classes**

1. Entries shall be shown to a Road Wagon. They shall be well mannered with extreme brilliance, style, and ring presence. Outstanding conformation and quality are required. A bold and classy trot with action is to be shown at all gaits when requested. Entries should be well broken and mannered when lined up for judging.

Required appointments will include the following items: rasp, scrapper, hoof pick, screwdriver, farrier's knife, farrier's hammer, knife, goggles, matches, washers, spool wire, wrench, wire pliers, nippers, punch, oil can, horse shoes, horse shoe nails, blanket pins, whisk broom, flask, cooler, halter, rain coat/cover, curry comb, brush, lead strap, clock, and light. If the check breaks or comes off a second time the horse must not be allowed to continue performing unchecked and must be excused from the ring by the judge(s). If a horse is excused under these circumstances they will be qualified for the championship in accordance with GR809.3.
2. Vehicles. Roadsters shall be shown to a Bike, Road Wagon or Buggy of Caffrey style. All vehicles should be of good appearance and stability. Horse Bikes must be of standard size of at least 48" width with a double seat. If the judge deems the vehicle to be unsafe, the entry must be excused from the ring by the judge(s). In order to compete in the championship, the vehicle must be compliant with the rules.

Except as may otherwise be mandated by local law, while riding or driving anywhere on the competition grounds, all juniors riding or driving in Roadster to Bike or Roadster Under Saddle classes must wear properly fitting protective headgear, as specified in GR801. Harness must be secured and properly fitted. A matching cover may be worn over the protective headgear or the protective headgear may be painted in matching Roadster Silks.
5. Horses and ponies shall not be shown in/with artificial appliances. Exception: Artificial appliances listed within the RD Chapter as acceptable.

2. If there are more than 15 entries in any Road Pony class, it must be split. It is recommended that the class be divided into separate sections by selecting every other number on the list of entries with separate prize money.
3. It is recommended that classes for junior exhibitors be divided by age of driver and a Junior Exhibitor Championship be offered.
4. Exhibitors who fail to officially scratch an entry from a class two hours prior to the start of a session that is subsequently divided will be fined an amount not to exceed \$100 per horse per class payable to the competition. Notification of intent to divide must be made to exhibitors one hour prior to the start of the session.
