CHAPTER RD ROADSTER DIVISION

SUBCHAPTER RD-1 GENERAL QUALIFICATIONS

RD101 Eligibility

1. Roadster Horses: In order to compete all horses must be a Standardbred or Standardbred type. Roadster Ponies are not permitted to compete in Roadster Horse classes.
 - a. All horses competing in Federation licensed competitions must be properly identified and must obtain a Roadster Horse Identification number from the American Road Horse and Pony Association (ARHPA). An ARHPA Roadster Horse ID number for each horse must be entered on all entry forms for licensed competitions.
 - b. Only one unique ARHPA Roadster Horse ID Number will be issued per horse. This unique ID number must subsequently remain with the horse throughout its career. Anyone knowingly applying for a duplicate ID Number for an individual horse may be subject to disciplinary action.
 - c. The Federation and/or ARHPA as applicable must be notified of any change of ownership and/or competition name of the horse. Owners are requested to notify the Federation and/or ARHPA as applicable of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.
 - d. The ARHPA Roadster Horse ID application is available from the ARHPA or Federation office, or it can be downloaded from the ARHPA or Federation website or completed in the competition office. Competition management is responsible for notifying exhibitors of this requirement in their prize list.
2. Roadster Ponies: Registration is not required for ponies competing in the Roadster division. Ponies may not be shown in a performance class unless the owner possesses a current Measurement Card or valid Measurement Form issued by the Federation (see GR502). All Roadster Ponies must be re-measured and issued new measurement cards prior to competing in licensed competitions for the year 2004 and beyond.
3. Membership Requirements.
 - e. Owners and trainers of roadster ponies participating at Federation licensed competitions in the Roadster Division must be current members in good standing with either the American Road Horse and Pony Association or the American Hackney Horse Society.
 - f. Owners, riders, drivers, and trainers of horses participating at Federation licensed competitions in the Roadster Division must be current members in good standing with the American Road Horse and Pony Association.
 - g. Originals or copies of the above listed membership cards must be provided to the competition unless at its discretion the membership can be confirmed electronically with either the AHHS or the ARHPA office.
 - h. Lessees are considered owners in connection with these membership requirements. In the event of an entry under multiple ownership, only one owner need be a member of the required organization.

RD102 Type and Conformation

1. The Roadster should be attractive in appearance, balanced in conformation and must have manners which make a safe risk in the ring.
2. *The roadster horse should have the look of a refined race horse. The roadster should have a refined head with a broad forehead, large nostrils and shallow mouth. He should have smart well placed ears and a fine throat latch. Neck is fine but muscular and show depth through the chest. The roadster should be a good full made horse with refined solid legs, powerful shoulder and hindquarters. The roadster should have a full mane and tail and may be of any color. Tail should be carried outright while performing. BOD 1/14/17 Effective 12/1/17*
3. There are three types of Roadsters for competition-those suitable for bike, under saddle and road wagon. Occasionally there are horses or ponies that are suitable for all purposes.
 - a. Bike: Roadsters in the Bike sections are able to strongly perform three distinct speeds at the trot while

maintaining their form and have the look of a refined race horse or pony.

- b. Under Saddle: Horses competing under saddle should be pretty and have the natural ability to carry their head high.
- c. Wagon: Usually the Wagon Roadster will have more scale and height than the Bike Roadster. Roadsters in the Wagon sections must have the strength to comfortably pull a wagon without losing form. Typical Roadsters in the Wagon sections are good looking horses or ponies that compliment the appointments of the wagons.

RD103 Soundness and Welfare

1. Horses and ponies must be serviceably sound.
2. Shoeing- to be directed to improving the comfort, balance, and soundness of the horse. Labored way of going due to shoeing to be penalized.
 - a. Pads and wedges- are permitted to protect the feet and limbs from the impact of the horse's natural gait, and maintain the integrity of the hoof wall.
 - b. Bands- protective hoof bands are permitted to protect the integrity of the hoof and prevent the loss of a shoe resulting in trauma to the hoof.
3. No horse may compete in a class in the Roadster Division with any chemical or other irritant of any kind present to alter the horse's tail carriage.
4. Horses showing signs of inhumane treatment will be eliminated from competition. See GR839.

RD104 Gait Requirements

1. The principal gait assignment for Roadsters is the trot. They shall be asked to trot at three different speeds; the jog-trot, the Road Gait and then at full speed. At all speeds they should work in form; that is their chins set and their legs working beneath them, going collectedly. At the trot a horse whose action features folding of the knees, flexing of hocks, with straight true action of front legs and with hocks carried close together and with motions coordinated, is executing a balanced trot. Long sprawling action in front, dragging or trailing hind legs and straddle gaited action behind makes a balanced trot impossible.
2. Animation, brilliance and competition ring presence should characterize the Roadster in working at a jog-trot or Road Gait.
3. When asked to drive on, the horse must show speed and go in form.
4. Labored way of going, pacey gaited or mixey gaited horses that pace and rack the turns or break and run on the turns shall be penalized.
5. Judges must emphasize that Roadsters are to be shown at three distinct speeds. Exhibitors executing gaits not called for must be penalized.

SUBCHAPTER RD-2 SHOWING PROCEDURES

RD105 General

1. Roadsters must enter the ring clockwise at a jog-trot then show at the Road Gait; turn counter clockwise at the jog-trot, show at the Road Gait and then trot at speed. Judges must emphasize that Roadsters are to be shown at three distinct speeds.
2. It is very important to emphasize that Roadster horses must trot solidly down the straight away as well as around the turns. Horses should be shown on the rail at all times except when passing and should go to the far end of every corner without side reining; should be light mouthed, capable of being taken up at any time, and stand well when being judged in the center of the ring.
3. Any driver, rider, horse or pony in the Roadster division exhibiting inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any other exhibitor, their entries or the safety of class officials will be ordered from the ring. (See GR1033.11 and .12)

4. Performance at all three gaits must be judged. In the event of a workout, entries chosen must be worked both ways of the ring, as in the original routine.
5. When horses are lined up, no attendant is permitted and driver shall not leave his vehicle except for necessary adjustments. He may, however, uncheck and stand at horse's head when left in the center of the ring while a part of the class is on the rail for a workout. During the line-up, headers are permitted in Amateur, Ladies Amateur, and Juvenile Road Horse classes. The header must not touch the entry except for safety reasons. During a workout the header may uncheck and hold the entry. However, when the workout is over the horse must be rechecked and the attendant must move away from the horse. The attendant must take no action that would affect the performance of any animal.
6. An exhibitor is entitled to request only one time-out per class. (See GR833).
7. Championships. Championship classes are judged in the same manner as the qualifying classes. Saddle classes do not qualify a horse for Bike or Wagon Championships. Wagon classes will qualify for a Bike Stake if a Wagon Stake is not offered. In Amateur Championships, to bike or wagon, if qualifying classes are offered the horse must have been qualified by an Amateur in one other Amateur Bike or Wagon Class. Exception: Lady Amateurs may qualify for the Amateur Championship if they enter and show in a Ladies bike or wagon class.
8. In the Roadster Division a class is considered completed when the class has been judged according to the rules and the judges have turned in their cards. In qualifying classes the judge's cards must be turned in before an entry is qualified to show in the Championship class.

RD106 Appointments Classes

1. Entries shall be shown to a Road Wagon. They shall be well mannered with extreme brilliance, style and ring presence. Outstanding conformation and quality are required. A bold and classy trot with action is to be shown at all gaits when requested. Entries should be well broken and mannered when lined up for judging.
2. Required appointments will include the following items: rasp, scrapper, hoof pick, screwdriver, farrier's knife, farrier's hammer, knife, goggles, matches, washers, spool wire, wrench, wire pliers, nippers, punch, oil can, horse shoes, horse shoe nails, blanket pins, whisk broom, flask, cooler, halter, rain coat/cover, curry comb, brush, lead strap, clock, and light. 4. Except as may otherwise be mandated by local law, protective headgear is strongly recommended for everyone showing in any class in the Roadster Division as outlined in GR801.4, .7 and .8. Except as may otherwise be mandated by local law, while riding or driving anywhere on the competition grounds, all juniors riding or driving in Roadster to Bike or Roadster Under Saddle classes must wear properly fitting protective headgear which passes or surpasses ASTM (American Society for Testing and Materials)/ SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag as specified in GR801. Harness must be secured and properly fitted. A matching cover may be worn over the protective headgear or the protective headgear may be painted in matching stable colors.

RD108 Division of Classes

1. If there are more than 12 entries in any Road Horse class it must be split. (Exception: The Road Horse USTA Classic class and all Youth Road Horse classes must be split if there are more than 10 entries.) If the Road Horse USTA Class requires a split, the split must be posted no later than 2 hours following the deadline for declaring intent to show.
2. If there are more than 15 entries in any Road Pony class, it must be split. It is recommended that the class be divided into separate sections by selecting every other number on the list of entries with separate prize money.
3. It is recommended that classes for junior exhibitors be divided by age of driver and a Junior Exhibitor Championship be offered.
4. Exhibitors who fail to officially scratch an entry from a class two hours prior to the start of a session that is subsequently divided will be fined an amount not to exceed \$100 per horse per class payable to the competition. In all Roadster pony championship/stake classes (except Junior Pony sections) at selected USEF competitions which will be notified in writing by USEF, the first place and fourth place ponies must allow a heel measurement to be taken immediately following the class to verify the heel measurement is at or below what is indicated on the current measurement card. The heel measurement will be taken by the competition steward at a location determined by the measuring official and competition management. The heel measurement must be taken from the left bulb of the left front heel, from the skin line on the lower side of the coronary band with the ruler perpendicular to the flat surface. It is the trainer's or driver's decision and responsibility to determine if the pony will be hitched or unhitched for this measurement. If the heel measurement is higher than the measurement on the pony's USEF measurement card, an overall height measurement must be performed by two measuring officials (See GR502.4) no later than one hour following the end of the session at the designated location. Any entry that exceeds the legal height limit will forfeit winnings in that class. In the event there are fewer than four ponies in a class, the pony occupying the final placing will be measured. In the event of an emergency and the steward is unavailable to take the heel measurement immediately, competition management must appoint a representative to remain with the pony until the heel measurement can occur.
3. During the line up in classes restricted to Junior Exhibitors and Amateurs, one attendant is permitted to head the pony. The attendant must not touch the entry except for safety reasons. During a workout the attendant may uncheck and hold the entry. However, when the workout is over the pony must be rechecked and the attendant must move away from the pony. The attendant must take no action that would affect the performance of any animal.
4. Roadster Pony classes may be judged by judges licensed in the Hackney Pony Division. In all Ladies, Amateur, and Junior Exhibitor roadster pony classes, the judge(s) must walk the line up. If a judging panel is being used to officiate these classes, all judges must comply with this rule.
5. If an amateur championship is not offered, ponies shown in junior exhibitor classes are eligible for the open championship. Junior Exhibitors are allowed to show in Open Roadster Pony to Wagon classes and amateur or open Roaster Pony to Bike classes if Junior Exhibitor or Amateur classes are not offered. The use of protective headgear is required by Junior Exhibitors in these classes.

Breeching is required in all wagon classes.
