SUBCHAPTER 10-A APPLICATION PROCESS

GR1001 Duties

The Federation will act upon every completed application for enrollment, annual renewal, promotion, recommendation to the FEI, and change of status of judges, course designers, stewards and technical delegates. The Federation will issue a license to each approved applicant. Licenses are valid for the current competition year only. Decisions of the Licensed Officials Committee are subject to the approval of the Federation.

GR1002 Applications

1. The Federation will review all applications and take an action on the application, including but not limited to an approval, denial, or administrative hold.
2. If the Federation administers the education program for a license on behalf of an Affiliate, the Federation may solicit recommendations from the applicable Breed/Discipline Committees, Recognized National and FEI Affiliates and others as it deems appropriate. If the Federation does not administer the education program for a license on behalf of an Affiliate, the Federation will not solicit recommendations from the applicable Breed/Discipline Committees, Recognized National and FEI Affiliates, or others. The Federation may consider any recommendations received, along with competition reports, Licensed Officials Evaluations, and any other relevant information submitted to the Federation, whether solicited by the Federation or submitted by the Recognized Affiliate or others deemed appropriate.
3. In the Federation's sole discretion, unless warranted, applications will not be denied outside of an applicant's failure to meet the minimum licensing requirements, as outlined in the Federation's Licensed Officials Policies and Procedures.
4. The Federation may in its discretion revoke a current license, place a license on probationary status, reduce a license by one level, temporarily suspend, or refuse to renew an official's license at its expiration following a hearing with at least ten days written notice to the official in question who shall have the right to appear, to be represented, and to bring witnesses. The Federation shall issue its written ruling specifying the substance of the Federation's reasons for said decision. The Federation may consult with the applicable Recognized National or FEI Affiliate before taking a final action.
5. The Federation, in its discretion, may reinstate an official who has allowed his license to lapse for one year or may require him to reapply.
6. All applications whether for enrollment, renewal, promotion, change of status, or recommendation to the FEI shall contain a statement to be signed by the applicant, indicating that the applicant has read and understands the rules governing the application process, and agrees to be bound thereby.

1. Any person whose application for enrollment, renewal, promotion, change of status, or recommendation to the FEI has been denied or whose license has been revoked, placed on probationary status, reduced by one level, or temporarily suspended may request a review by the Licensed Officials Committee to reconsider the decision. The request must be in writing and mailed to the Federation within 30 days from receipt of the written ruling of the Federation sought to be reconsidered and accompanied by a check payable to the Federation, which is non-refundable.
2. A written notice to all parties will be issued within ten days of the request for review. The notice shall contain a brief statement of the facts regarding the position of the Licensed Officials Committee and shall specify the time and place at which the review is to be held. The person requesting the review may attend and may bring witnesses, sworn statements, or other evidence on his behalf. Upon the written request of a representative of the Licensed Officials Committee or the person requesting the review, there shall be furnished before the Committee any evidence to be introduced, the names of witnesses, and the substances of their testimony.
3. Following an adverse decision by the Federation with regard to a non-renewal or revocation only, an applicant may request the Hearing Committee to review the decision or to consider a hearing de novo, provided such a request is submitted in writing within 20 days of receipt of the Federation's decision, and accompanied by a
nonrefundable fee payable to the Federation. The Hearing Committee may review the decision based upon the record below, in which case the parties may be represented by counsel and may file briefs for the Hearing Committee's review. Or in its discretion, the Hearing Committee may hold a new hearing at which the parties shall have the right to make written submissions, to be represented by counsel, to appear in person, and to present or cross-examine witnesses. GR1032 General

1. Failure of an official to attend a competition with which he has a signed agreement or failure to perform his duties in accordance with the rules, or to officiate in the classes to which he is assigned shall constitute cause for disciplinary action as provided for in Chapters 6 and 7, except in cases of extreme emergency.
2. Any official found guilty of cruelty to a horse or to have killed, abandoned, mistreated, neglected, or otherwise abused a horse, by an administrative agency, body, humane society, or court of law, whether such court or tribunal is civil, criminal, or administrative may have his license(s) revoked.
3. No official is to be housed in a private home unless he has agreed before the competition.
4. In the event that an official officiates at a competition where he is ineligible, the official may be penalized as described in GR703.

GR1033 Judges

1. Good judging depends upon a correct observance of the fine points and the selection of best horses for the purpose described by conditions of the class. A judge serves three interests: his own conscience, exhibitors, and spectators. He should make it clear that the best horses win.
2. When judges are required to judge independently on a multiple judge panel, each judge must meet the requirements as outlined in Rules GR1004 through GR1010.
3. Except in the discharge of their official duty, the use of cellular phones or other similar communication devices, including computers, by judges while in the ring (including center ring), judges’ box, judges’ stand, or on any part of a course during a competition is prohibited.
4. A judge is obligated to adjudicate each division, section, and class in conformity with the rules and specifications of that division, section and class as they appear in the Federation Rulebook. He is expected to be proficient in his division and to possess a thorough knowledge of the rules of the Federation.
5. The attention of judges is directed to the difference in requirements covering Maiden, Novice, Limit, Junior, Amateur, and Ladies’ classes versus Open classes. These differences must be observed in adjudicating classes.
6. The decisions of each judge constitute solely his individual preference and not as opinions of or decisions by the Federation. For decisions of a judge in regard to soundness, see GR1204.
7. Consulting with a Veterinarian
   a. Only the judge may call a veterinarian during a class but is encouraged to do so if his opinion necessitates the disqualification of an entry. The judge shall give the numbers of the horses in question and the veterinarian shall render his finding. If the veterinarian is not immediately available or not called upon, the judge’s decision as to the serviceable soundness of a horse shall be accepted for the purpose of disqualifying a horse from showing in that class and shall be final. (Exception: The decision of the judge as to the serviceable soundness of a horse in Hunter classes is final, however the competition veterinarian may be consulted.)
   b. In regard to possible whip marks, or other matters other than soundness that are pertinent to the welfare of the horse, the judge may consult with a veterinarian during a class. The final decision rests with the judge.
   c. None of the above applies to Dressage, Driving, Eventing, or Western Dressage. See DR208, EV134.8, and WD126.9.
8. When a judge is used as a referee and is called upon to break a tie, the other judges must give the ringmaster only the numbers of the two horses tied. The ringmaster will then take these to the referee who will indicate
his preference by circling the number of his choice. The ringmaster will then return this written decision to the other judges who will proceed with the remaining placements, as the breakage of a tie for one placement by the referee does not automatically place the losing contender of the tie in the next position. This procedure is to be followed for each placement in turn, as ties occur. The referee shall turn in a judge’s card only when called upon to break a tie, in which case only his tie breaking decision shall be indicated on the card.

9. All placements stated in the prize list/omnibus shall be awarded, beginning with first place and proceeding in order through all placements, unless there is an insufficient number of entries or an entry is eliminated, excused, or disqualified.

10. It shall be the prerogative of the Licensee to designate a particular system of judging and to post a complete order of placement for public inspection. Judges accepting an invitation to officiate must recognize the Licensee’s prerogative. Unless the Licensee designates a particular system of judging when an invitation is issued, a judge is not required to use a particular system of judging.

11. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, driver, handler, other exhibitors, or their entries.

12. A judge must order from the ring any rider, driver or handler who exhibits inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any exhibitor, their entries, or the safety of class officials.

13. When over 40 horses or riders are entered in a performance class in which horses compete together, a judge must divide the class and work it in groups of less than 40. Unless individual tests are required in the class routine, he shall bring the top contestants from each group back into the ring for final adjudication. (Exception: See AR107.8d and DR126.1a(4)).

14. In classes which have a maximum weight and/or measurement for shoes, the judge himself must immediately weigh and/or measure any shoe that is cast. In such classes the judge may not excuse an entry from the ring until satisfied that the entry has not cast a shoe.

15. In the Western and Western Seat Equitation division, when a single judge system is used, judge’s cards shall be considered final and shall not be changed after the completion of the presentation of awards for that class.

16. Judges’ cards and/or official score sheets are to be signed by the judge and retained (with the exception of score sheets returned to the exhibitor) as part of the competition’s official records for a period of no less than three years. Electronic signatures through a PDA or similar device used to record scores will fulfill the signature requirement.

17. In the Hunter and Hunter/Jumping Seat Equitation divisions classes may not be recommenced once the judge has signed the card.

18. Judges must commence and complete classes in accordance with GR109.

GR1034 Stewards and Technical Delegates

      1. Steward or Technical Delegate Report on the form furnished by the Federation
         a. The Report must include any offenses or violations of the rules by the competition or any exhibitors.
         b. If the Federation does not receive the completed report and/or attachments postmarked and/or electronically submitted within 14 days of the closing of the competition, the Steward/Technical Delegate will be fined a fee of $100. For the second offense and any offense thereafter in the same competition year, said official will be fined $250. A third offense and any offense thereafter will result in an automatic suspension from office as Steward or Technical Delegate for 90 days, in addition to the fines.
         c. Failure to pay any fine within 30 days will result in a violation of rules and the Steward/Technical Delegate will be subject to an additional late fee.
         d. If the Steward/Technical Delegate disputes that the report was not timely filed, he may appeal in writing to the Federation within 30 days of receipt of the Federation’s notice of the fine. The appeal must be accompanied by a check payable to the Federation, which will be refunded if the appeal is upheld. The CEO or his designee and three members of the Licensed Officials Committee will consider the appeal and may waive a part or all of the fine upon finding of good cause of why the report was not timely filed and/or a finding that extreme hardship results from the automatic penalty. Note: only the fine may be waived. The rule violation will remain on record for the official.
      2. Accident/Injury Report Forms on the official form provided by the Federation in accordance with GR848.
      3. Each competition’s Accident Preparedness Plan and a copy of the competition’s isolation protocol for horses as provided for in GR845.
