

USEF Statement of Position on Equine Safety and Welfare

We are committed to upholding the highest standards of care and ethical treatment of all horses, ensuring their physical and mental well-being in every aspect of their lives including their training, performance, and recovery. We must ensure the use of best practices by all equestrians, advocating for proper training methods, adequate rest, and injury prevention. Through education, research, and collaboration with industry leaders, we strive to create an environment where horses can thrive, remain healthy, safe, and respected throughout their entire lives.
