However, an athlete/horse or athlete/pony combination cannot earn a qualifying score in a national competition (CDN) if their respective CDI division is also held at the event. See point 5 below.

5. CDI scores as described above are calculable at the option of the athlete and will only be computed into the athlete/horse or pony's overall average upon receipt of a USEF CDI Report Form within the specified deadline stated on the form to the USEF Department.
