Competitions outside the United States must provide evidence of equivalent coverage of such insurance and will not be enrolled in the group policy.

a. Competitions must notify the Federation in writing of cancellation of their insurance policies by their insurance provider.

b. A fine will be imposed on any competition in the United States for which evidence of adequate insurance is not received at least two weeks prior to the competition. The fine is in addition to the amount of the invoice for the automatic enrollment in the group policy. A competition disputing that the invoice and/or the fine is properly owing may request a procedural review in writing to the Federation within 30 calendar days of management’s receipt of the Federation’s notice of billing and/or fine, specifying the grounds therefor. The Co-Chairs of the Hearing Committee or their designees may waive part or all of the billing and/or fine upon a finding of good cause why the evidence of insurance was not filed timely and/or a finding that extreme hardship results from the automatic penalty.

7. Any competition that states in the prize list that the competition is licensed before the competition has been granted licensing by the Federation may be subject to a penalty.

**GR304 Competition Sale and Issuance of a New License**

1. A Federation Competition License is the Federation document giving a Licensee permission to conduct a Federation event on a given date, at a given venue, and at a given rating and/or level.

2. Competition Sale. A Licensee does not own the Competition License. A Federation Competition License is a governance tool and not a commodity. As such, a sale of a competition should be contingent on Federation approval and issuance of a new license.

3. Issuance of a New Competition License. The granting of a new license to a Purchaser Licensee will not be unreasonably denied, subject to certain conditions or criteria including date, venue, rating, and/or level of the competition and completion of applicable forms and submission of a fee. The Purchaser Licensee will retain the applicable Priority Date Holder protections of the Seller Licensee. The Issuance of a new Competition License is subject to the following terms and conditions:

   a. The issuance of a new Competition License due to a competition sale is subject to the approval of the Federation, following consultation with the applicable Recognized Affiliate;

   b. The final decision to approve or deny the issuance of a new Competition License is at the sole discretion of the Federation;

   c. In considering the approval or disapproval of the issuance of a new Competition License, the Federation shall consider the best interest of the sport including consideration of the growth and development of the sport. The Federation may consider concentration of dates in the control of a single Licensee or group of related Licensees when determining the appropriateness of the issuance of a new competition license;
d. The Purchaser Licensee must have demonstrated an ability to comply with rules, requirements, and standards that are in effect or established for the Competition Rating and/or Level at the time the issuance of a new Competition License;

e. Both the Seller and the Purchaser of the competition must disclose all proposed terms of the competition sale and must apply and obtain Federation approval before the issuance of a new license can be completed. All information will be considered confidential. Prior to any such approval or denial by the Federation, the Recognized National or FEI Affiliate, if any, may be consulted in regard to the request for issuance of a new license. The Federation may share, on a confidential basis, with the Recognized National or FEI Affiliate all of the terms or conditions of the issuance of a new Competition License, and all special conditions or other considerations. Such approval or denial by the Federation shall not subject the Federation to any liability or obligate it to any third party. Both Seller and Purchaser of the competition must agree to indemnify and hold harmless both the Federation and the Recognized National or FEI Affiliate from any liability or legal expense arising from approval or denial of the agreement. Failure to completely disclose terms and conditions of a competition sale may result in termination of the License by the Federation and any sanctions, penalties, or other remedies available to the Federation.

4. The Seller Licensee shall remain financially responsible until the following conditions are met:
   a. Payment of the applicable fees;
   b. The Federation issues written approval of the issuance of a new competition license; and
   c. Seller has met all other financial obligations to the Federation.

5. The Purchaser Licensee will have the right to apply for renewal of comparable dates upon issuance of a new competition license.

GR305 Cancellation of Competitions

1. A Licensee may cancel an existing Licensed Competition by notifying the Federation of the cancellation and returning the License to the Federation not less than 300 calendar days prior to next competition date under the License.
   a. When a Cancellation is received more than 90 calendar days but less than 300 calendar days prior to the first day of the competition date under the License, 75% of competition dues will be refunded, subject to a minimum processing fee.
   b. If written notice of a cancellation is received less than 90 calendar days prior to the first day of the competition, the Licensee will forfeit the application fee and will also be assessed a processing fee equal to that of the minimum competition dues, unless the cancellation is due to an Act of God under GR305.4.

2. If a Licensed Competition is cancelled for two consecutive years for a reason other than an act of God, or due to extenuating circumstances approved by the CEO or his Designee, the applicable license will not be eligible for renewal or application for a new license by the same licensee or any entity associated with the same licensee for a period of two years. If the licensee is a business entity, this provision includes all persons listed as principals of the business entity.

3. Cancellation of 50% or more of Open Dressage classes as listed in the prize list by any Recognized competition for two consecutive years for any reason other than Acts of God shall constitute relinquishment of comparable dates and loss of priority date status.

4. Competitions declaring cancellation due to an Act of God must provide written documentation, such as newspaper articles or photographs of the extenuating circumstances. Absent severe and unusual circumstances, such as hurricane winds, floods, tornadoes, or blizzards, weather conditions shall not be considered Acts of God. The CEO or his designee shall decide whether a cancellation is due to an Act of God. Any Licensee that cancels three or more competitions in a competition year shall not have priority for comparable dates for the cancelled competitions for the following competition year. However, this provision shall not be applicable to a competition cancelled due to an Act of God, loss of a facility, or due to extenuating circumstances, based upon a review by the CEO or his designee.

GR306 Inactive Competitions

1. Any Licensed Competition held the previous year that notifies the Federation at least 120 days prior to its competition date that it will not hold a competition that year, may retain Inactive status for a fee in addition to
the application and/or competition fees. In such cases, the renewal license application will be subject to the current fees.

2. An Inactive Competition will be listed as “Inactive” on the Federation website and other Federation competition lists, and will retain its date priority for the following year, provided it meets the applicable date and competition requirements of the Federation.

3. If an Inactive Competition cancels the following year, that cancellation will constitute a second cancellation in a row per GR305, and the applicable license will be revoked and not eligible for renewal or application for a new license by the same licensee or any entity associated with the same licensee for a period of two years. If the licensee is a business entity, this provision includes all persons listed as principals of the business entity. This provision shall not be applicable to a competition cancelled due to an Act of God or due to extenuating circumstances approved by the CEO or his designee.

**SUBCHAPTER 3-B COMPETITION CLASSIFICATION**

5. Federation Endorsed Competitions, Divisions, or Levels or those events receiving approval pursuant to the Federation Bylaws.
   a. Eventing competitions may be eligible for either licensure or endorsed designation. The Federation may endorse Eventing competitions at the Training Level and below. The Federation may license Eventing competitions at the Modified Level and above. An Eventing Licensed Competition and an Eventing Endorsed Competition may run concurrently.

6. Heritage Designations
   a. Heritage designations are reserved for those competitions within the sport of Equestrian that have been established for a long period of time and have made a substantial contribution toward the development and promotion of the sport of equestrian, both within the sport and as well as within the broader community, by achieving, maintaining, and promoting the equestrian ideals of sportsmanship and competition.
   b. Approval for all Heritage Designations requires:
      1. Recommendation by the Federation CEO;
      2. Approval by the Federation Affiliate primarily represented by the competition;
      3. Approval of the Federation Board of Directors.
c. Heritage designation may be removed by a two-thirds vote of the Federation Board of Directors.
d. Eligibility for Heritage Designation requires:
   1. Minimum of 25 consecutive years of operation excluding any Act of God interruption;
   2. Application by the Competition Licensee;
   3. The Competition must be in good standing with both the Federation and the representing affiliate;
   4. Significant involvement and support from the community where the competition is held;
   5. Significant contribution to promotion of the sport of equestrian;
   6. Widely recognized within the sport of equestrian as being a Regional, National or International level of competition, or possessing other characteristics that make it unique within the sport of equestrian.
e. Heritage competitions are permitted and encouraged to advertise their status as Heritage competitions.

**GR308 National Championships**

The Federation shall have the exclusive right to designate national championships in the disciplines for which the Federation is designated as the National Governing Body by the United States Olympic and Paralympic Committee and in the disciplines for which the Federation is designated as the National Federation by the Federation Equestre Internationale (Dressage, Driving, Endurance, Reining, Show Jumping, Three-Day Eventing, Para-Equestrian and Vaulting). The allocation of national championships in the foregoing disciplines, including issuance of date approvals, licensing of officials, approval of name and all copyright, trademark, trade name, television, video and other broadcast rights and all sponsorship matters shall be solely reserved to the CEO acting upon the advice and recommendation of the relevant Council. All persons or organizations, including affiliate organizations, organizing committees and/or competitions managements, wishing to receive Federation approval to hold a national championship in the foregoing divisions must apply to the Federation in writing on appropriate form(s) provided by the Federation and received by the Federation’s office by the applicable deadline. The CEO shall be entitled to condition the Federation’s designation and granting of approval for a national championship in any manner that he deems appropriate in his discretion.

**GR309 Special Competitions**

For the purposes of this rule, the term “Special” relates to the type of competition license and is not associated with the merits or quality of the competition.

1. The Federation Board of Directors, in its sole discretion, may approve or deny an application for Special Competition status in accordance with Federation rules, policy and procedure. If approved, a Special Competition will be added to the USEF Competition Calendar without regard for existing mileage rules and conflicts and will receive no mileage protection from new or existing competitions. A Special Competition may be held as a stand-alone event or in conjunction with an existing Federation Licensed Competition. A Special Competition may not fully meet the requirements to obtain a Federation Competition License.

2. Special Competitions are categorized in the following manner and shall be reviewed in accordance with Section 4.
   a. Category I – FEI-named Competitions and FEI Championships which are part of a competitive bid process, including but not limited to Olympic Games or Trials; Pan Am Games or Trials; World Equestrian Games or Trials; World Cup Finals or Qualifiers; Nations Cup Finals or Qualifiers; and Nations Cup CIOs. These competitions may or may not include additional FEI-only classes.
   b. Category II - Federation National Finals and Federation National Championships which do not fully meet the requirements to obtain a Federation Competition License.
   c. Category III - Federation Recognized Affiliate Organization Championships or Finals which do not fully meet the requirements to obtain a Federation Competition License.
   d. Category IV - A competition for which Federation breed or discipline rules do not exist that an applicant wishes to have approved by the Federation and which the Board of Directors, in their sole discretion, deems to be in the best interest of the sport.

   a. An application for consideration of a Special Competition must be submitted to the Federation a minimum of 180 days in advance of the start date of the proposed competition. Generally, an application should not be submitted more than 365 days prior to the start date of the proposed competition. However,
unusual circumstances may require an earlier submission. Such circumstances must be included on the application and will be considered in the review process.

b. An application for a Special Competition will not be considered complete and will not be processed until all applicable fees have been paid, except when the application is part of a competitive application or bid process (e.g. FEI World Cup Qualifiers, certain USEF National Championships, etc.). When an application is part of a competitive application or bid process, the fee will not be required until a determination is made regarding the awarding of the competition.

c. An application for a Special Competition must include the following:
   1. All classes, sections, demonstrations, and exhibitions to be held during the proposed competition dates, including all prize money, bonus money, or other awards;
   2. The basis for competition’s inability to meet Federation rules regarding competition licensing; and
   3. The basis for competition’s inability to meet Federation rules regarding specific breed/discipline rules.

d. The inability to meet Federation rules under section (ii) or (iii) above shall not result from a need to obtain an exception to existing Federation rules, or program requirements, or from circumstances within the applicant’s control. However, the Federation recognizes that situations may arise whereby an applicant cannot meet Federation rules due to the actions of the FEI or the Federation and such actions may qualify as permissible explanation.

e. Special Competitions are not intended as a means of circumventing the Federation’s licensing rules in GR Chapter 3. If an application for a Special Competition includes an FEI competition not identified in Section 2(a) above, a national competition, or a combination of both which creates a mileage conflict, that portion of the application will be required to utilize the Mileage Exemption process for approval. In the event of a need for a mileage exemption, the Federation may alter the timelines set forth in GR 315.

f. For licensing purposes, all jumper prize money from FEI and national competitions will be combined and counted in determining a competition’s Jumper Level.

g. If a Special Competition is combined with an existing priority date holder competition, the priority date holder competition will retain priority status at its original rating and/or level.

   Depending on the category of a Special Competition, the application may be reviewed by one or more entities of the Federation and its Recognized Affiliates before being submitted to the Board of Directors for their consideration and final decision. The Board of Directors reserves the right to appoint an Ad Hoc Committee to review applications and render a final decision.
   a. Applications for a Category I competition shall be reviewed by the applicable Federation Councils.
   b. Applications for a Category II or III competition shall be reviewed by the applicable Federation Committees and Councils.
   c. Applications for a Category IV competition shall be reviewed by the applicable Federation Recognized Affiliates, Committees and Councils.

5. Modifications or Amendments to an Approved Special Competition.
   Modifications or amendments to an approved Special Competition are not permitted unless approved by the Federation in writing. A modification to an approved Special Competition must be approved in writing by the Federation after review by the CEO or his designee, following consultation with the Director of Competition Services or his designee and the Director of Sport or his designee(s) for the applicable breed or discipline. Modifications to an approved Special Competition must be received by the Federation at least 30 days prior to the start of competition.

GR310 Restrictions on Local Competitions

1. The total cash prizes shall not exceed $500. Except Open Western Division (see GR310.5), 100% sweepstakes, and Reining Competitions; not including value of trophies offered.
2. The designation Local Competition must be stated on the cover of the prize list.
3. The Federation and applicable Federation Recognized Affiliate Association non-member/Show Pass fee will not apply.
4. Local Competitions benefit from all the general rules of the Federation and must abide by applicable division rules unless class specifications are printed otherwise in the prize list.
5. Western Division competitions may retain Local Competition status regardless of the amount of prize money offered.
GR311 Awards Rating Classifications

1. For the purpose of equalizing competitions for the National Horse of the Year Awards, divisions and sections of Regular Competitions fall into one of three classifications: “A”, “B,” or “C” rated.

2. In the Hunter division, the Increment System will determine points for ribbons won in any rated section. The point value for ribbons won in “A”, “B,” or “C” rated hunter sections is determined according to the Increment System utilizing a combination of the base points for each placing at each level of section rating and adding one point for each entry shown in the first performance class.
   a. In the Green Hunter 3’0”, 3’3”, 3’6” and 3’9”, Young Hunter 5 and under, Young Hunter 6 and under, Young Hunter 7 and under, High Performance Hunter, Performance Hunter 3’3” and 3’6”, Green Conformation Hunter 3’6” and High Performance Conformation Hunter, standings for the National Horse of the Year Awards based on money won will be determined by dollars won in the horses respective sections. See GR1131. **BOD 6/22/20 Effective 12/1/20**

GR312 Determining Ratings

1. A division or section rating or classification is determined from the number of classes, amount of cash premiums offered in these classes and the holding of required classes in certain divisions. A competition may not offer the minimum requirements for a rating higher than the rating approved by the Federation. See Ratings Charts.

2. A competition may qualify for several different ratings. Some competitions will earn an “A” or “B” rating in all divisions and sections; others may earn a combination of ratings. If more than the minimum number of classes is offered, prize money should be increased proportionately.

3. The Paso Fino Division is rated “C” regardless of the number of classes or amount of prize money offered. A competition may apply for an “A” rating if offering a minimum of $2,000 and prior year competition had more than 250 horses. The PFHA National show shall be an “A” rated Federation Licensed Competition as per PF155.1i. Exception: the Paso Fino Division may be offered at Local Competitions.

4. In Stake classes in “A” and “B” divisions or sections competitions must guarantee amount offered as prize money except where the monies offered in other classes are sufficient to meet the Horse of the Year Award minimum requirements. In such cases, Stake classes may run as sweepstakes.

5. The Connemara and Half-bred Connemara is “C” rated, regardless of the number of classes or amount of prize money offered. Exception: the Connemara and Half-bred Connemara Division may be offered at Local Competitions.

6. The following are rated “C” regardless of the number of classes or amount of prize money offered: Small Hunter, Hunter Breeding, Ladies Side Saddle Hunter, Adult Amateur Hunter, Children’s Hunter, USHJA Hunter 2’0”, 2’3”, 2’6”, 2’9”, 3’0” and Thoroughbred Hunter.

**SUBCHAPTER 3-C COMPETITION MILEAGE**

**GR314 Mileage**

1. Determining Applicable Mileage.

   a. Mileage is applied Division by Division as defined in the Federation Rulebook.

   b. To determine a mile radius, the distance shall be measured using mapping software to measure the distance between the locations where the competitions are being conducted (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist), except between Long Island and the mainland. Application of this process will not adversely affect the license rights of competitions already licensed.

   c. In any instance where the shortest road mileage distance between the competition facility locations is greater than one and one half (1 1/2) times the radial mileage between the competition facility locations, the required mileage distances between competitions shall be based upon the road mileage distance rather than radial mileage.

   d. Mileage between competitions within Zones or Regions utilizing different mileage will be subjected to the lower of the mileage requirements.

   e. Long Island, N.Y. The distances between competitions held on Long Island, NY, and competitions held on the mainland shall be determined by measuring a straight line distance from the point at which Interstate Highway 278 (across the Triborough Bridge) intersects the shore of Long Island, to the location where the Long Island competition is being conducted (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist) and by measuring the mile radius from the bridge to the location where the other competition is being conducted (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist). The application of this process will not adversely affect the license rights of competitions already licensed.

   f. If the mileage between competitions is less than the applicable distance specified by this rule, conflicting dates may be approved by the Federation in accordance with GR315 and providing all other requirements for recognition are met.

   g. The foregoing distance rules do not apply to events comprised exclusively of classes recognized by the FEI and the USOPC (example: Olympic Trials or Olympic Games). The National Championships for Dressage and Dressage Competitions offering Federation High Performance qualifying or selection trials, or observation classes and National classes held in conjunction with a CDI are exempted from the mileage rule. When a CDI is approved on one or more days where another competition has date priority, national classes can only be held on the day of the FEI Jog and on days where at least one CDI class is held or is not held due to no entries. When CDI classes are not held on all approved CDI dates (except due to no entries) the competition might not be granted approval for those dates in subsequent years. Certain competitions held in conjunction with events also holding FEI competitions and/or selection trials
for international competitions, at the discretion of the Board of Directors, may be exempted from the mileage rule.

h. Existing competition is a licensed competition that may or may not be within the mileage indicated of the new license applicant.

i. Proposals to change mileage rule or rules may be submitted for consideration by the Federation Board of Directors. Any such mileage rule change will have an effective date of December 1 of the following calendar year. In no event will changes to mileage become effective in less than 12 months from the date of the rule change approval. Proposals for mileage rule changes submitted by Affiliates may only be considered after they have been considered at the annual meeting of the appropriate recognized National Affiliate.

2. Mileage Boundaries. Mileage consideration may be applicable to more than one mileage provision.

a. The below divisions will be conducted under the following mileage:
   1. Andalusian/Lusitano: 250 miles;
   2. Arabian: 250 miles;
   3. Friesian: 250 miles;
   4. Hackney: 100 miles;
   5. Morgan: 100 miles;
   6. National Show Horse: 50 miles;
   7. Roadster: 100 miles;
   8. Shetland: 100 miles;
   9. American Saddlebred: 100 miles;
   10. Local Regular: Any breed competition restricted to one breed or multi-breed competition including any of the above listed breeds (1-9), regardless of number of classes offered: 50 miles;
   11. Western Dressage: 100 miles.

b. Mileage Boundaries for Hunter and/or Jumper Sections.
   1. Hunter and/or Jumper competitions are categorized by Rating and/or Level. Additional criteria required for each Rating and/or Level in the Hunter and Jumper Mileage Charts can be found on the Federation website at www.usef.org under Competitions.
   2. Jumper Levels are based on the prize money offered. See JP104.
   3. Hunter mileage shall be independent of the Jumper mileage and applied separately to each division of a competition.
   4. The distances between Licensed Competitions held in USHJA Zones 1 & 2 (ME, NH, VT, MA, CT, RI, NJ, NY, and PA) offering hunter or jumper divisions shall be in accordance with the mileage tables (H1 & J1) shown below effective 12-01-08.

c. Mileage Boundaries for Dressage Competitions.
   1. In the case of a Regular or Local Competition holding Open Dressage Division classes, the question of conflict shall be determined with reference only to those dates, inclusive, during which Open Dressage classes are to be held. See DR127.15 for a map of USDF regions.
   2. Applicable Mileage:
      a. A 75 mile radius shall apply to Dressage Competitions held in contiguous USDF regions, for which different distances are specified, in the case of Dressage Competitions, Regular Competitions, or Local Competitions holding "open" Dressage Division classes.
      b. A 50-mile radius shall apply for Dressage Competitions in USDF Regions 1, 2, 6, & 8 holding "open" Dressage classes (excluding competitions restricted to one breed).
      c. A 100-mile radius shall apply for Dressage Competitions in USDF Regions 3, 4, 5, 7 and 9 holding “open” Dressage classes (excluding competitions restricted to one breed).
   3. Two or more Dressage Competitions may not be held at the same or adjacent locations on the same days.
      a. Exception: Dressage Competitions that are limited to Dressage Sport Horse Breeding classes may be held at the same or adjacent location or within the applicable mileage radius as another Dressage Competition that does not offer Dressage Sport Horse Breeding classes.
   4. All dressage competitions are categorized by Level. See DR126 for criteria for each level.

d. Mileage Boundaries for Eventing Competitions.
   1. Eventing competitions are categorized by level offered, and mileage is applied to the applicant competition. Where an Eventing competition hosts more than one level, the highest applicable mileage radius will apply. **Exception:** For Eventing competitions occurring on December 1, 2022 and thereafter, the mileage rule will not apply to FEI CCI4-L, CCI4-S, CCI3-L, or Federation Advanced level competitions or any other level hosted therewith, e.g. the mileage rule will not apply to a CCI3-S hosted with an Advanced level competition.
   2. The USEA American Eventing Championship is not subject to the modification process, and is eligible for renewal at a new location as needed. For Eventing competitions occurring on December 1, 2022 and thereafter, the radius will be zero for CCI4-L, CCI4-S, Advanced, and CCI3-L levels and the mileage chart for remaining levels will apply only to those competitions not hosting FEI CCI4-L, CCI4-S, CCI3-L, or Federation Advanced levels:

SUBCHAPTER 3-D MILEAGE EXEMPTION AND COMPETITION LICENSE DISPUTES

GR315 Mileage Exemption

1. Mileage Exemption. When a competition license application is denied by the Federation due to a mileage conflict, the Applicant may seek a mileage exemption to allow the competition to occur. The decision to grant a mileage exemption is discretionary and made by the Federation Chief Executive Officer, or his designee, based on the criteria enumerated below.

2. The Federation may consider different criteria in determining whether a mileage exemption is warranted. The relative weight accorded to each such criteria is in the sole discretion of the Federation Chief Executive Officer, or his designee. These include, but are not limited to, the following:
   a. Competition Standards: Priority Date Holder’s adherence to competition standards.
      1. Whether the Applicant competition may alleviate concerns about the safety and welfare of horses, competitors, and/or spectators for a given rating and/or level at a Priority Date Holder’s competition;
      2. Whether the Applicant competition may enable a Priority Date Holder to better achieve the competition standards for a given rating and/or level;
      3. Whether the Applicant competition may alleviate overcrowding of horses and/or competitors in a given geographic area at a given venue.
   b. Competition and Calendar Factors:
      1. Whether the Applicant competition provides access to competitors that may need a choice based on a Priority Date Holder’s costs to competitors or offered ratings and/or levels;
      2. Whether the Applicant competition serves a need that the Priority Date Holder does not serve as to the schedule of classes, sections, and divisions, which may be too limited;
      3. Whether the Applicant competition should be given an opportunity to enter the marketplace where a Priority Date Holder seemingly dominates the calendar in a given geographical area, which may create unilateral competition effects;
      4. Whether the Applicant competition alleviates the negative impact on competitors that may occur when the number of consecutive competitions of the same rating and/or level in a given geographic area at a given venue creates unilateral competition effects.
      5. For Eventing competitions; Federation Licensed Eventing Competitions occurring a minimum of two weeks prior to, and two weeks following the applicant competition, will be taken into consideration when determining the Applicant competition's impact on the competition calendar, regardless of mileage boundary.
   c. Sport Growth and Visibility:
      Whether the Applicant competition may create growth and visibility of the sport in one of the following ways, which is not exclusive:
      1. The Applicant competition is warranted due to community support and/or involvement;
      2. The Applicant competition may broaden access to competitors at all levels of the sport;
      3. The Applicant competition is unique and provides exceptional promotional benefits to the sport.
   d. In addition, the Federation will consider the following factors in determining whether a mileage exemption should be granted:
      1. Geographic location and time of year with regard to concentration and migration of competitors;
      2. Experience and expertise of competition management;
      3. Competitions outside of boundary mileage of Priority Date Holder and Applicant Competition, which may affect density and competitive level of competitors;
      4. Density and competitive level of competitors in a given geographic area at a given time of year; and
      5. Any other circumstances that the Federation may deem to support, further, promote, or advance the best interests of the sport.
3. Mileage Exemption Procedure

An Applicant may first contact the Priority Date Holder(s) and seek cooperation in running the proposed event.

a. If the Priority Date Holder(s) agrees to the exemption request, then the terms and conditions of any agreement must be fully disclosed to the Federation in writing along with submission of the Mileage Exemption Response Form. Submission of these materials indicates that the parties acknowledge and agree that the Federation is not responsible for the enforcement or performance of the terms and conditions of the agreement and that the parties expressly waive any claim against the Federation for failure to perform.

b. If the Priority Date Holder(s) does not agree to the exemption request, then the Applicant shall submit the Mileage Exemption Request Form to the Federation in accordance with these rules. The Applicant shall submit the Mileage Exemption Request Form, fully completed, to the Federation no earlier than 360 calendar days and no later than 180 calendar days before the start date of the proposed competition. The fully completed Mileage Exemption Request Form must be accompanied with the non-refundable application fee. A mileage exemption request will not be accepted unless the Mileage Exemption Request Form is fully completed and the application fee is paid in full. Within 21 days of acceptance of a properly submitted request and application fee, the Federation will notify the Applicant and the Priority Date Holder(s) that the request is being processed. The notification will include a copy of the submitted Mileage Exemption Request Form and a Mileage Exemption Response Form for the Priority Date Holder(s) to complete. The Priority Date Holder(s) has 10 calendar days from the date of the Notification letter to submit to the Federation, with a copy to the Applicant, a fully completed Mileage Exemption Response Form. The Priority Date Holder(s) must provide written comments explaining the basis for their objection to the mileage exemption request, based on the criteria listed in paragraph 2 above.

c. In the case of mileage exemption renewal requests where an agreement has been reached with the affected competition(s), the following applies: Within 15 calendar days of receipt of a completed Mileage Exemption Response Form and the terms and conditions of an agreement, if such agreement was reached between the affected parties, the request will be reviewed by the Federation and a determination will be made whether to grant the renewal request.

d. In the case of first time mileage exemption requests or renewal requests where an agreement could not be reached with the affected competition(s) or the affected competition(s) failed to timely respond, the following applies: Within 10 calendar days of receipt of a completed Mileage Exemption Response Form from Priority Date Holder(s) objecting to the request, or the expiration of the 10 day response period if no completed Mileage Exemption Response Form is submitted, the Federation will notify the applicable Recognized Breed/Discipline Affiliate and provide all documentation received in the process from any party. Within the time prescribed by the Federation, the applicable Recognized Breed/Discipline Affiliate is invited to submit written feedback for consideration by the Federation in reaching a decision whether to approve or disapprove the request, including specific feedback on the criteria listed in paragraph 2 above. If the Federation learns that an individual with a conflict of interest was present when an Affiliate considers its recommendation under this Chapter, then such recommendation will not be considered by the Federation. BOD 6/22/20 Effective 12/1/20

e. For Eventing competitions, the USEA shall have 60 calendar days from the notification from the Federation to provide written feedback for consideration by the Federation in reaching a decision whether to approve or disapprove the request, including any specific feedback on the criteria listed in paragraph 2 above. Upon receipt of USEA’s recommendation, within 30 days, the Eventing Sport Committee may provide written feedback for consideration by the Federation in reaching a decision whether to approve or disapprove the request, including any specific feedback on the criteria listed in paragraph 2 above.

4. Modifications or amendments to an approved exemption are not permitted unless approved by the Federation in writing.

5. Mileage Exemptions are granted for one year only. Approval in one year does not guarantee future approval of a mileage exemption request.

6. All Licensed Competitions operating under an approved mileage exemption shall have the applicable mileage protection against new competitions pursuant to these rules. Additionally, these competitions will have the applicable mileage protection for the following year’s comparable dates, provided that the license application and applicable fees are received within 60 calendar days of the last day of the current year’s competition.

© USEF 2021
does not preclude the Federation from granting additional mileage exemption requests for new competitions to be held within any mileage boundary.

7. Competitions with an approved mileage exemption which have been held for two or more consecutive years may apply for designation as a perpetual mileage exemption. If approved, the competition shall apply annually for renewal under GR 302.3. To be eligible for this designation, the competition must indicate this request on the application and pay the requisite mileage exemption fee. Any conditions associated with the approved mileage exemption shall remain in place. Upon receiving this designation, any changes to location, rating and/or level will result in loss of this designation and the competition will be required to apply for a mileage exemption. Designated perpetual mileage exemption competitions shall have the applicable mileage protection against new competitions. This does not preclude the Federation from granting additional mileage exemption requests for new competitions to be held within any mileage boundary. The Federation may revoke this designation at any time.

8. The Federation will provide a written decision to the Applicant and Priority Date Holder(s) within 30 days of receipt of the Recognized Affiliate's recommendation. If the 30-day time period cannot be met, the parties will be notified in writing when they can expect to receive a decision.

9. Computing Time. For purposes of computing time under GR315, the following rules apply:
   a. exclude the day of the event that triggers the period;
   b. count every day, including intermediate Saturdays, Sundays, excluding legal holidays and week days that the Federation offices are closed;
   c. include the last day of the period, but if the last day is a Saturday, Sunday, or day that the Federation offices are closed, the period continues to run until the end of the next day that the office is open.

GR 316 License Application Disputes and Resolution

1. Any competition license applicant may dispute the denial of a license application or renewal. In addition, a Mileage Exemption Request applicant and Priority Date Holder(s) may dispute a mileage exemption request decision. The initiation of a license dispute can be made by submitting a fully completed Federation Mileage Exemption Dispute Form to disputes@usef.org and to the Federation General Counsel within 10 calendar days of the date on the Federation notice of the approval or denial, along with the filing fee. The submission must include the basis for the appeal.

2. Upon notification by the Federation of a properly filed dispute, the affected parties will have 10 calendar days to file a substantive response. License disputes will be decided by the Federation Hearing Committee in accordance with the Federation rules and procedures. The Hearing Committee Panel may review the decision based upon the parties' written submissions and the record below. The parties may be represented by counsel. In its discretion, the Hearing Committee Panel may hold a hearing. Hearings will be conducted via videoconference or teleconference as directed by the Hearing Committee Panel. The Hearing Committee Panel shall only determine whether the challenged decision was made in accordance with the Federation rules. The Hearing Committee shall issue a written decision as soon as practicable. If the appealing party prevails, half of the fee shall be refunded.

3. The Hearing Committee's decision is final and not appealable within the Federation. BOD 3/8/21 Effective 3/9/21

CHAPTER 4 DRUGS AND MEDICATIONS

GR401-408. Equine Drugs and Medications Provisions Applicable to All Breeds and/or Disciplines

GR401 Determining the Equine Drugs and Medications Designation for Each Breed or Discipline

1. The Board of Directors shall designate every Breed, Discipline, and/or Group competing under Federation Rules as either a Prohibited Substance Group or a Therapeutic Substance Group, as outlined herein below.

2. At each Annual Meeting, each Division Committee shall determine by a majority vote and shall indicate to the Chief Administrator of the Equine Drugs and Medications Program its preference for its Breed or Discipline to be designated as (or to be part of) either a Prohibited Substance Group or a Therapeutic Substance Group. In any instance where more than one Division Committee is responsible for a Breed and/or Discipline Group, after each committee has determined its preference by a majority vote, unanimity between and/or among the Division Committees of the Group shall be required to invoke a recommendation to be designated a Prohibited Substance Group. Absent such concurrence, the joint recommendation of the Division Committees of the Group shall be construed as a recommendation in favor of designation as a Therapeutic Substance Group.

3. Each Division Committee shall have responsibility to recommend for its division.

4. At its meeting at the Federation’s Annual Meeting, the Veterinary Committee shall take into consideration these recommendations and the written recommendations of the respective Affiliate Associations in this regard, and it shall enact the designation for each Breed, Discipline, and/or Group. The effective dates of these designations shall coincide with the effective dates of the newly published Rule Book.

5. These designations shall be reviewed by each Division Committee at the subsequent Rule Change Convention.

6. Every horse and/or pony competing at Federation competitions and/or events shall be subject to either the Prohibited Substance Provisions (GR409) or the Therapeutic Substance Provisions (GR410-412), depending upon its Breed’s, Discipline’s, and/or Group’s designation, and it shall be required to compete in compliance therewith, whether competing in unrated or rated classes and/or divisions.

7. Any horse and/or pony that competes in more than one Breed, Discipline, and/or Group at a competition, one of which is a Prohibited Substance Group, shall be required to be in compliance with the Prohibited Substance Provisions at all times while competing in any and/or all classes and/or divisions at that competition.

GR402 Testing

1. Horses and/or ponies competing at a Licensed Competition are subject to examination by a licensed veterinarian who must be appointed by the Administrator of the Equine Drugs and Medications Program. Said appointed veterinarian, with the approval of the Administrator, may appoint a technician to perform certain duties under this Rule. The examination may include physical, urine, blood tests and/or any other test or procedure at the discretion of said veterinarian necessary to effectuate the purposes of this rule. Said veterinarian may examine any or all horses and/or ponies in a class or all classes in a competition or any horses and/or ponies entered in any class, whether in competition or not, if on the competition grounds, or any horse and/or pony withdrawn by any exhibitor within 24 hours prior to a class for which it has been entered.

2. Whether a horse and/or pony is in competition or not, refusal to submit the horse and/or pony for examination or to cooperate with the veterinarian or his agents constitutes a violation and subjects the responsible person to penalties under GR406.

3. Trainers who are not able to accompany Federation drug testing personnel and the horse and/or pony to the location where sample collection is to take place, to act as witness to the collection and sealing of blood and urine samples, and to sign the drug collection documents in the appropriate places as witness, must appoint an agent to do so. The absence of such a witness shall constitute a waiver of any objection to the identification of the horse and/or pony tested and the manner of collection and sealing of the samples.
4. Upon the collection of a sufficient number of tubes of blood from the horse or pony, the tubes shall be divided into two groups. One group shall be labeled and identified as Blood Sample A and the other as Blood Sample B, and they shall be sealed accordingly. Upon the collection of a sufficient volume of urine from the horse or pony, a portion of the sample shall be poured into a second urine sample container. One container shall be labeled and identified as Urine Sample A and the other as Urine Sample B, and they shall be sealed accordingly. These procedures shall be performed whether or not the trainer or his/her appointed witness is present as provided for in Section 3 above.

5. In the event reasonable attempts at sample collections from the horse or pony do not provide a sufficient number of tubes of blood or a sufficient volume of urine to be divided, labeled, and identified as Samples A and B, as determined by the testing veterinarian and/or technician, the sample(s) obtained (if obtained) shall be labeled and identified as Sample(s) A only, and it shall be recorded in the records of the Equine Drugs and Medications Program that the corresponding Sample(s) B does (do) not exist, in which event the obtained Sample(s) shall be subject to testing.

6. A blood sample may be retested under these Rules at any time exclusively at the direction of the Federation. The retesting of a sample may lead to a violation only if the sample was retested within three (3) years from the sample collection date. In order to constitute a violation under these rules, the substance detected in the retested sample must (i) have been prohibited at the time of sample collection; and (ii) not a therapeutic substance, which for purposes of this rule includes only the Controlled Medications on the FEI Prohibited Substances List (available at http://www.fei.org/fei/cleansport) in effect on the sample collection date.

7. In the event that the retested sample proves positive, and the retest was conducted more than one (1) year since the date of collection, no prizes or awards will be required to be returned.

GR403 Cooperation

1. Cooperation with the veterinarian and/or his agent(s) includes:
   a. Taking the horse and/or pony and the veterinarian and/or his agent(s) immediately to the location selected by said veterinarian and/or agent(s) for testing the horse and/or pony and presenting it for testing.
   b. Assisting the veterinarian and/or his agent(s) in procuring the sample promptly, including but not limited to removing equipment from the horse and/or pony, leaving it quietly in the stall and avoiding any distractions to it. Schooling, lengthy cooling out, bandaging and other delays of this type shall be construed as noncooperation.
   c. Polite attitude and actions toward the veterinarian and/or his agent(s).

GR404 Accountability of Trainers and Other Persons Responsible

1. Trainers and other Persons Responsible, in the absence of substantial evidence to the contrary, are responsible and accountable under the penalty provisions of these rules. The trainer and other Persons Responsible are not relieved from such responsibility as a result of the lack or insufficiency of stable security.

2. The Persons Responsible may include the individual who rides, vaults, or drives the horse and/or pony during a competition; the Owner; and/or Support Personnel.

3. Support Personnel is defined to include but is not limited to grooms, handlers, longeurs, and veterinarians may be regarded as additional Persons Responsible if they are present at the competition or have made a relevant decision about the horse and/or pony.

4. A trainer is defined as any adult or adults who has or shares the responsibility for the care, training, custody, condition, or performance of a horse and/or pony. Said person must sign the entry blank of any Licensed Competition whether said person be a trainer, owner, rider, agent and/or coach. Where a minor exhibitor has no trainer, then a parent, guardian or agent or representative thereof must sign the entry blank and assume responsibility as trainer. The name of the trainer must be designated as such on the entry blank. It is the responsibility of trainers as well as competition management to see that entry blanks contain all of the required information. The responsibilities of a trainer include, but are not limited to the following:
   a. for the condition of a horse or pony at a Licensed Competition (whether or not they have signed an entry blank),
   b. to guard each horse and/or pony at, and sufficiently prior to, a Licensed Competition such as to prevent the administration by anyone of, or its exposure to, any prohibited substance, and
c. to know all of the provisions of this Chapter 4 (including any advisories or interpretations published in equestrian) and all other rules and regulations of the Federation and the penalty provisions of said rules. For purposes of this rule, substantial evidence means affirmative evidence of such a clear and definite nature as to establish that said trainer, or any employee or agent of the trainer, was, in fact, not responsible or accountable for the condition of the horse and/or pony. If any trainer is prevented from performing his or her duties, including responsibility for the condition of the horses and/or ponies in his or her care, by illness or other cause, or is absent from any Licensed Competition where horses and/or ponies under his or her care are entered and stabled, he or she must immediately notify the competition secretary and, at the same time, a substitute must be appointed by the trainer and such substitute must place his or her name on the entry blank forthwith. Such substitution does not relieve the regular trainer of his/her responsibility and accountability under this rule; however, the substitute trainer is equally responsible and accountable for the condition of such horses and/or ponies.

5. The trainer and owner acknowledge that the trainer represents the owner regarding horses and/or ponies being trained or managed, entries, scratches for any reason and any act performed on any horse and/or pony under the care and custody of the trainer.

6. In the case of a horse and/or pony competing under the Therapeutic Substance Provisions, any trainer and/or Persons Responsible subject to these rules who actually administers, attempts to administer, instructs, aids, conspires with another to administer or employs anyone who administers or attempts to administer a prohibited substance to a horse and/or pony which might affect the performance of said horse and/or pony at a competition licensed by the Federation without complying with GR411, is subject to the penalties provided in GR406.

7. Any trainer and/or Persons Responsible subject to these rules who administers, attempts to administer, instructs, aids, conspires with another to administer or employs anyone who administers or attempts to administer any substance to a horse and/or pony by injection or by any other route of administration, whether the substance is prohibited or permitted, in the competition ring of a competition licensed by the Federation during a scheduled class, is subject to the penalties provided in GR406.

GR405 Equine Drugs and Medications Testing in Connection with an Appeal Measurement

1. Each animal submitted for an appeal measurement is subject to the Drugs and Medications Chapter at the time of said measurement and/or concurrent examinations, and said animal must be in compliance therewith.

2. Each animal submitted for an appeal measurement must have drug testing samples collected at the time of said measurement and/or concurrent examinations. No sample is a drug testing sample unless it is collected by and/or under the direct supervision of Federation drug testing personnel, who must be appointed by the Administrator of the Equine Drugs and Medications Program to collect samples from the animal in question in connection with said measurement.

3. Each animal submitted for an appeal measurement must have both a urine sample and a blood sample collected at the time of said measurement and/or concurrent examinations. Both the urine sample and the blood sample must be of sufficient volume for drug testing purposes, as determined by the Administrator of the Equine Drugs and Medications Program. Said sample collections shall be conducted in accordance with procedures which are the sole prerogative of the Federation drug testing personnel. As deemed necessary by the Federation testing veterinarian, the animal shall be administered furosemide to cause it to produce a urine sample in a timely manner.

4. Every blood sample and/or urine sample collected in connection with an appeal measurement and all portions thereof are the sole property of the Federation. Said samples and all portions thereof must remain in the sole custody of the Federation drug testing personnel at all times during said measurement and/or concurrent examinations, and subsequently they must be submitted to the Federation’s designated laboratory for testing in accordance with the instructions of the Administrator of the Equine Drugs and Medications Program.

5. The entire cost of sample collections and testing conducted in connection with an appeal measurement, including the fees and expenses of Federation drug testing personnel, shipping costs for equipment and samples, laboratory charges, etc., as determined by the Administrator of the Equine Drugs and Medications Program, must be paid in full by the appellant within 30 days of the submission of an invoice, regardless of the outcome of said measurement, and regardless of the laboratory results. A deposit in cash or certified
6. No appeal measurement is valid absent written affirmation of the CEO or his designee confirming the receipt of negative drug testing results from the Federation’s designated laboratory, indicating that both the urine and blood sample collected from the animal in question in connection with said measurement and/or concurrent examinations were found to contain no prohibited substance, said results having been issued to the Administrator of the Equine Drugs and Medications Program. Any instance involving a finding of prohibited substance shall additionally result in a violation of Chapter 4 for adjudication by the Hearing Committee in accordance with the Federation Bylaws.

GR406 Results, Confirmatory Analysis, and Retest

1. Blood and urine samples labeled and identified as Samples A shall be subjected to chemical analysis by the Federation’s designated laboratory. Blood and urine samples labeled and identified as Samples B shall be stored securely, unopened, at the Federation’s designated laboratory, to be used in the event of a confirmatory analysis, or in the event of a future analysis.

2. In the event the chemical analysis of Blood or Urine Sample A is negative, i.e., no prohibited substance or any metabolite or analogue thereof is found to be present in the sample, the corresponding Blood or Urine Sample B may be frozen and maintained, at the Federation’s designated laboratory, for possible future chemical analysis.

3. In the event the chemical analysis of Blood or Urine Sample A is positive, i.e., a prohibited substance or any metabolite or analogue thereof is found to be present in the sample, this shall be prima facie evidence that the prohibited substance was administered in some manner to said horse or pony, whether intentionally or unintentionally, or otherwise was caused to be present in the tissues, body fluids or excreta of the horse or pony at the competition, whether intentionally or unintentionally, such that the trainer(s) deemed responsible and accountable for its condition is (are) liable under the provisions of GR404.

4. In the event the chemical analysis of Blood or Urine Sample A is positive, the Federation shall notify the Trainer, Persons Responsible (if applicable), and the Owner of the Horse of their right to promptly request the analysis of the B sample, or, failing such request, that the B sample analysis is deemed waived. The Trainer, Persons Responsible (if applicable), and the Owner of the Horse are deemed to have waived their right to a B Sample analysis if they do not submit the Confirmatory Analysis Request Form within the 15 business days. Within seven (7) days of receipt of the duly executed Confirmatory Analysis Request Form (B Sample), the Federation shall coordinate such analysis. The Trainer, Persons Responsible (if applicable), and Owner of the Horse may accept the A Sample analytical results by waiving the right to a B sample analysis.

5. The confirmatory analysis of the corresponding Blood or Urine Sample B shall be performed by a drug testing laboratory that is approved by the Federation and agreed upon by the person charged who requests the confirmatory analysis, which laboratory must have demonstrated proficiency in performing the necessary confirmatory analysis, provided the corresponding Blood or Urine Sample B exists and is of sufficient volume to permit a confirmatory analysis. In the event the drug testing laboratory that analyzed Sample A is the only laboratory that has demonstrated proficiency in performing the necessary confirmatory analysis, this laboratory shall be the only laboratory to perform the confirmatory analysis of the corresponding Sample B. Upon the completion of the confirmatory analysis, the laboratory performing the confirmatory analysis shall forward its findings and supporting data to all parties.

6. In the event no agreement is reached as to a laboratory as required in section 5 above, and the person charged who requests the confirmatory analysis does not revoke his/her request, the confirmatory analysis of the corresponding Blood or Urine Sample B shall be performed by the Federation’s designated laboratory and shall forward its findings and supporting data to all parties. Both the results of the analysis of Sample A (and supporting data) and the results of the confirmatory analysis of the corresponding Sample B, if any (and supporting data, if any), shall be admissible as evidence in any hearing or proceeding pertaining to this matter.

7. In the event the corresponding Blood or Urine Sample B does not exist, or is of insufficient volume to permit a confirmatory analysis, and there exists a remaining aliquot of Blood or Urine Sample A which is of sufficient volume to permit a retest, as determined by the Federation, a person charged who requests the retest of Blood or Urine Sample A must make the request in writing to the Federation and it must be received within 7 days of the determination that the corresponding Blood or Urine Sample B does not exist or is of insufficient volume to permit a confirmatory analysis.
8. Any requested re-test of the remaining aliquot of Blood or Urine Sample A, provided it is of sufficient volume to permit a retest, shall be performed by the Federation’s designated laboratory.

9. The retest of the remaining aliquot of Blood or Urine Sample A may be witnessed by a Witnessing Analyst appointed by the person charged who requests such analysis at the same time as the retest is requested. The Witnessing Analyst must be a qualified analytical chemist employed by an equine drug testing laboratory. If no Witnessing Analyst is appointed by the person requesting the retest, or if the Witnessing Analyst is unavailable within a reasonable time, the requested retest of the remaining aliquot of Blood or Urine Sample A shall proceed without the Witnessing Analyst.

10. In the event the Witnessing Analyst appointed by the person requesting the retest of the remaining aliquot of Blood or Urine Sample A is satisfied that the positive result is correct, the Federation must be informed immediately by fax with confirmation by letter.

11. In the event the Witnessing Analyst is not satisfied that the result of the retest of the remaining aliquot of Blood or Urine Sample A is correct, the Federation must be informed immediately by fax followed by a written report setting forth the basis for the Witnessing Analyst’s opinion. Copies of the original and subsequent results and supporting analytical data must be submitted to the Federation Hearing Committee as part of the hearing record in the case, for resolution by it of any and all issues regarding the original analysis of Blood or Urine Sample A and the retest of the remaining aliquot of Blood or Urine Sample A.

12. By requesting the confirmatory analysis of the corresponding Blood or Urine Sample B, or the retest of the remaining aliquot of Blood or Urine Sample A, or by requesting that the retest be witnessed by a Witnessing Analyst, the person charged who makes such request(s) agrees to and must pay any and all fees, costs and expenses relating to the confirmatory analysis or the retest, whether it is performed by a mutually agreed upon laboratory, by the Federation’s designated laboratory upon the presentation an invoice by the Federation, and any and all fees, costs, and expenses relating to the Witnessing Analyst.

13. After chemical analysis of the B sample, if the laboratory’s confirmatory analysis:
   a. Does not substantially confirm the Federation’s designated laboratory’s findings, then any allegations that the substance in question was present at the time that the samples were collected shall be dismissed; or
   b. Substantially confirms the Federation’s designated laboratory’s findings, the finding shall be considered conclusive. BOD 11/23/20 Effective 12/1/20

14. In the case of a horse and/or pony competing under the Therapeutic Substance Provisions, if the chemical analysis of the sample taken from such horse and/or pony indicates the presence of a prohibited substance or any metabolite or analogue thereof and all the requirements of GR411 have been fully complied with, the information contained in said Equine Drugs and Medications Report Form and any other relevant evidence will be considered by the Federation in determining whether a rule violation was committed by any person(s) responsible or accountable for the condition of the horse and/or pony under the provisions of this rule.

15. When a positive report is received from the chemist identifying a prohibited substance, or any metabolite or analogue thereof, a hearing will be held in accordance with the Federation’s Bylaws. No trainer, responsible or accountable for the condition of said horse and/or pony, will be suspended, or a horse and/or pony barred from competition, until after an administrative penalty has been assessed or after the conclusion of a hearing and a written ruling thereon has been made.

16. The owner or owners of a horse and/or pony found to contain a prohibited substance or any metabolite or analogue thereof may be required to forfeit all prize money, sweepstakes, added money and any trophies, ribbons and “points” won at said competition by said horse and/or pony and the same will be redistributed accordingly. The owner must pay a fee to said competition. Points accumulated toward Horse of the Year Awards prior to said competition may be nullified and redistributed at the discretion of the Hearing Committee. If, prior to or at a hearing, the Federation as the charging party, determines that one or more persons, not previously charged as a trainer should also be charged as a trainer, then, upon application by the Federation, the Hearing Committee may, in its discretion, continue or adjourn the hearing, in whole or in part, to permit a new or amended Disciplinary Action Complaint to be issued (unless the person(s) to be charged waive notice).

17. A trainer of a horse and/or pony found to contain such prohibited substance or any metabolite or analogue thereof is subject to whatever penalty is assessed by the Hearing Committee, except for administrative penalties issued by the Chairman of the Veterinary Committee and accepted, as provided by GR412. Said trainer may be fined and may be suspended from all participation in Licensed Competitions for a period of one year for the first offense, and for a longer period for a second or later offense, said suspension to be served at any time at the discretion of the Hearing Committee.

The horse and/or pony may be suspended for any period of time specified by the Hearing Committee. In
determining an appropriate penalty under these rules, the Hearing Committee may take into account such
factors and circumstances as it may deem relevant, including but not limited to
a. the pharmacology of the prohibited substance,
b. the credibility and good faith of the person charged or of other witnesses,
c. penalties determined in similar cases, and
d. past violations of any Federation rules (or the lack thereof).
e. reliance upon the professional ability or advice of a veterinarian who is a licensed graduate of an
accredited veterinary school and who is in good standing in the state in which he/she primarily practices.

18. If the Hearing Committee determines that any violation or attempted violation of this Rule was willful and/or
intentional, there shall not be any limit to the period of a suspension, and the Hearing Committee may impose
other and significantly greater penalties than it would have in the absence of such a determination.

19. A blood sample may be retested under these Rules at any time exclusively at the direction of the Federation.
The retesting of a sample may lead to a violation only if the sample was retested within three (3) years from
the sample collection date. In order to constitute a violation under these rules, the substance detected in the
retested sample must (i) have been prohibited at the time of sample collection; and (ii) not a therapeutic
substance, which for purposes of this rule includes only the Controlled Medications on the FEI Prohibited
Substances List (available at http://www.fei.org/fei/cleansport) in effect on the sample
collection date.

20. In the event that the retested sample proves positive, and the retest was conducted more than one (1) year
since the date of collection, no prizes or awards will be required to be returned.

GR407 Management Procedures

1. To provide funds for research, inspection and enforcement of rules regarding use of medications and drugs,
each Licensed Competition, except where prohibited by law, must assess the exhibitors a fee for each horse
and/or pony entered in the competition. Participants in the following classes are exempted from payment:
a. leadline
b. exhibitions
c. games and races,
d. classes for 4-H members,
e. Recognized Academy classes at Dressage competitions.
f. Opportunity classes
g. Classes at Regular or Local Competitions restricted to breeds or disciplines whose rules are not included
   in the USEF rulebook.
h. However, these classes are not exempt from the Drugs and Medications Chapter itself. Within 10 days
   after a competition, competition management must forward to the Federation a sum representing the
above fee times the number of horses and/or ponies entered in the nonexempt classes of the competition
plus the number of horses and/or ponies scratched where the fee is not refunded, such sum to be held by
the Federation in a separate fund for use to accomplish the purpose set forth above.

2. It is a violation for a Licensee to assess and/or collect a drug enforcement fee in excess of or in addition to
that specified and required by GR407.1 of these rules, unless said assessment is approved in writing by the
Federation in advance, and then only under the terms and conditions set forth.

3. It is a violation for a Licensee to withhold from the Federation any or all of the drug fees collected in
accordance with GR407.1, for any purpose, including to defray the expenses incurred providing stalls,
passes, and other items to the Federation drug testing personnel, as required by GR407.4 and .5.

4. Each Licensed Competition shall, at its own cost and expense, set aside and make available to The
Federation testing personnel upon request suitable facilities conveniently located for the veterinarian
appointed by the Federation and his or her technicians to collect equine blood and urine samples. Suitable
facilities means one or more stalls if available, as requested, that are well lit, clean, dry, freshly bedded, and
having a door or gate that can be secured.

5. Each Licensed Competition, upon request, must furnish the veterinarian appointed by The Federation and/or
the Administrator of the Equine Drugs and Medications Program by mail forthwith, with the requested number
of official passes and parking passes for the veterinarians and technicians to have immediate and free access
to all areas at said Licensed Competition.

6. Competition management must cooperate with and exhibit polite attitude and actions toward the veterinarian
and/or his agents.
GR408 Interpretations of the Federation Equine Drugs and Medications Chapter and its Application to Particular Substances

Any questions regarding the interpretation of this Chapter, including the application of this Chapter to particular substances, should be directed to the office of the Federation Equine Drugs and Medications Program, 956 King Avenue, Columbus, Ohio 43212-2655. (800) 633-2472, (614) 299-7707, FAX (614) 299-7706. Trainers and/or owners who seek advice concerning the interpretation and application of this rule should not rely solely upon interpretations or advice by private or competition veterinarians, competition officials, competition personnel, or other persons, but should also obtain verification of any such interpretations or advice from the Federation Equine Drugs and Medications Program office. Any trainer or owner who is uncertain about whether this rule applies in any given situation would be well advised to withdraw the affected horse and/or pony from competition until such time as the Federation Equine Drugs and Medications Program office has been consulted.

GR409 Equine Drugs and Medications, Prohibited Substance Provisions

1. This paragraph applies only to FEI Banned Substances and Methods.
   For all Federation Equestre Internationale (FEI) recognized disciplines, Articles 2 (what constitutes a violation), 3 [proof of violations (except 3.1 and 3.2.3)], 4 (banned substances and methods), and 8.2 (principles of fair hearing) of the FEI Equine Anti-Doping rules govern. Those Articles are incorporated by reference as if fully set out herein and can be found at www.fei.org or the Drugs & Medications tab at www.usef.org. For purposes of this rule, the designation of “Person Responsible” in the incorporated provisions of the FEI Equine Anti-Doping rules shall refer to the individual(s) found to be the trainer of the horse as defined by GR404.
2. No horse and/or pony competing in a Breed or Discipline designated as (or part of) a No Prohibited Substance Group is to be shown in any class at a competition licensed by the Federation if it has been administered in any manner or otherwise contained in its tissues, body fluids or excreta a prohibited substance as defined in the FEI Equine Anti-Doping and Controlled Medication Regulations, which can be found at www.fei.org.
3. EXHIBITORS, OWNERS, TRAINERS, AND VETERINARIANS ARE CAUTIONED AGAINST THE USE OF MEDICINAL PREPARATIONS, TONICS, PASTES, AND PRODUCTS OF ANY KIND, THE INGREDIENTS AND QUANTITATIVE ANALYSIS OF WHICH ARE NOT SPECIFICALLY KNOWN, AS MANY OF THEM NO DOUBT CONTAIN ONE OR MORE PROHIBITED SUBSTANCES.

   h. The maximum permitted plasma concentration of firocoxib is 0.240 micrograms per milliliter.
   i. Any nonsteroidal anti-inflammatory drug not listed in (a) through (g) above is prohibited from being present in the plasma or urine sample (GR411 does not apply); exception: salicylic acid.
   j. Any nonsteroidal anti-inflammatory drug that becomes approved for use in horses can be added to the list of those permitted, after the completion, review and approval of the needed research.

5. Restrictions concerning other therapeutic substances are as follows:

   a. In the breeding/in-hand classes for three-year-olds and under in the Arabian, Half Arabian, and Anglo Arabian Division, any anabolic steroid is prohibited. (See HOW LONG DRUGS REMAIN DETECTABLE in the current Drugs and Medications Rules Pamphlet for guidelines).

GR411 Conditions For Therapeutic Administrations of Prohibited Substances

1. A horse and/or pony exhibiting at a Licensed Competition pursuant to the Therapeutic Substance Provisions that receives any medication which contains a prohibited substance is not eligible for competition unless all of the following requirements have been met and the facts are furnished in writing on a timely-submitted official Equine Drugs and Medications Report Form:
   a. The medication must be therapeutic and necessary for the diagnosis or treatment of an existing illness or injury. Administration of a prohibited substance for non-therapeutic or optional purposes (such as, by way of example only, shipping, clipping, training, turning out, routine floating or cleaning of teeth, non-diagnostic nerve blocking, uncasting, mane pulling or non-emergency shoeing) is not considered to be therapeutic. Any trainer who is uncertain about whether a particular purpose is considered to be therapeutic would be well advised to consult the Federation Equine Drugs and Medications Program office.
   b. The horse and/or pony must be withdrawn from competition for a period of not less than 24 hours after the medication is administered.
   c. The medication must be administered by a licensed veterinarian, or, if a veterinarian is unavailable, only by the trainer pursuant to the advice and direction of a veterinarian.
   d. Identification of medication—the amount, strength and mode of administration.
e. Date and time of administration.
f. Identification of horse and/or pony, its name, age, sex, color and entry number.
g. Diagnosis and reason for administration.
h. Statement signed by person administering medication.
i. Equine Drugs and Medications Report Form filed with the Steward/Technical Delegate or Designated
Competition Office Representative within one hour after administration or one hour after the
Steward/Technical Delegate or Designated Competition Office Representative returns to duty if
administration is at a time other than during competition hours.
j. The Steward, Technical Delegate, or Designated Competition Office Representative must sign and record
the time of receipt on the Equine Drugs and Medications Report Form.
k. At selection trials for World Championships, and/or Olympic and/or Pan American Games, the
requirement of subsection (b) above, that the horse or pony must be withdrawn from competition for a
period of not less than 24 hours after the medication is administered will not apply, provided that:
1. the competition is conducted pursuant to the written selection procedures as approved by the
Federation Board of Directors;
2. the written selection procedures specifically allow for therapeutic administrations of medications by a
USEF-appointed veterinary panel within 24 hours preceding competition, and the written selection
procedures are in no case less stringent in this regard than the FEI Veterinary Regulations (Articles
1006.7 and 1006.8) and guidelines pursuant thereto;
3. all requirements of the written selection procedures regarding therapeutic administrations of
medications have been met;
4. all requirements of this Rule have been met except subsection GR411.1(b); and all persons
competing in the competition are eligible and competing for selection.

2. Where all the requirements of GR411 have been fully complied with, the information contained in said Equine
Drugs and Medications Report Form and any other relevant evidence will be considered by the Federation in
determining whether a rule violation was committed by any person(s) responsible or accountable for the
condition of the horse and/or pony under the provisions of this rule.
NOTE: The official Equine Drugs and Medications Report Form is available from the officiating
Steward/Technical Delegate and/or Competition Secretary. All required information must be included when
filling a report. Failure to satisfy and follow all the requirements of this Rule and to supply all of the information
required by such Equine Drugs and Medications Report Form is a violation of the rules. The
Steward/Technical Delegate must report any known violations of this Rule to the Federation for such further
action as may be deemed appropriate.

3. Flunixin, in addition to one other substance listed in GR410 (a) through (g), may be found in the same plasma
and/or urine sample of a horse under the following conditions and for the treatment of colic or an ophthalmic
emergency only: (i) must comply with GR411.1; (ii) the flunixin must have been administered by a
veterinarian; (iii) the required medication report form must be signed by the administering veterinarian; and
(iv) the horse must be withdrawn from competition for 24 hours following the administration.

GR412 Administrative Penalties
Repealed

GR413 Human Drug Testing

1. In accordance with the rules of the FEI and of the World Anti-Doping Agency (WADA), any Federation
member shall comply with in-competition, no advance notice (NAN), and other out-of-competition drug testing
conducted by the FEI, WADA, US Anti-Doping Agency (USADA) or by a WADA-authorized organization or
USADA-authorized organization at any time without advanced notice. Failure to cooperate with such in-
competition, NAN or other out-of-competition drug testing shall be a violation of Federation rules.

2. In conjunction with the above-described NAN or other out-of-competition drug testing, the Federation is
required to submit the names, current addresses, telephone numbers, training times and training and
competition locations for individuals and teams as requested by the FEI, WADA, or USADA to enable FEI,
WADA, or USADA to conduct NAN or other out-of-competition drug testing. Notwithstanding the foregoing,
compliance with anti-doping regulations rests with the individual subject to testing.
3. A finding of violation of human drug rules by USADA or WADA shall be deemed a violation of Federation rules, and the reciprocity provisions of the Federation’s Bylaws shall be applied.

GR 414 Prohibited Practices

1. No injectable substances may be administered to any horse or pony within 12 hours prior to competing, with the following three exceptions subject to paragraph 2 below:
   a. Therapeutic fluids, which amount must consist of a minimum of 1L of polyionic fluids per 100lb of body weight; and which must be used in accordance with the manufacturer's recommendations and guidelines. The fluids must not be supplemented with concentrated electrolytes, such as magnesium.
   b. Antibiotics. Procaine penicillin G is prohibited under this exception.
   c. Dexamethasone. This is permitted only for the treatment of acute urticaria – (hives). The dose must not exceed 0.5 mg per 100 lb (5.0 mg for 1000 lb horse) if administered more than 6 hours and less than 12 hours prior to entering the competition ring, and must not exceed 1.0 mg per 100 lb (10.0 mg for 1000lb horse) within any 24 hour period.

2. The above exceptions are permitted only when (i) the substance is administered by a licensed veterinarian and no less than 6 hours prior to competing; and (ii) the “Trainer” as defined under General Rule 404 properly files, or causes to be properly filed, an Equine Drugs and Medications Report Form with the Steward/Technical Delegate or competition office representative within one hour after the administration of the substance or one hour after the Steward/Technical Delegate or competition office representative returns to duty if the administration occurs at a time outside competition hours. The Steward/Technical Delegate or competition office representative shall sign and record the time of receipt on the Equine Drugs and Medications Report Form.

3. No horse may be injected with any substance, prohibited or permitted, into an intra-synovial space (joint, tendon sheath, or bursa) within the 4 days preceding competition. No horse less than two years of age may be treated with intrasynovial injections within the 30 days preceding competition.

4. Shockwave Therapy may only be administered by or on the order of a licensed veterinarian. If sedation is required for Shockwave Therapy, only sedation performed by a licensed veterinarian and administered at the same time as the Shockwave Therapy will be considered therapeutic and GR411 will apply. No sedation associated with Shockwave Therapy will be considered therapeutic if administered within 24 hours prior to competition. No horse may be treated with Shockwave Therapy within the 3 days preceding competition with the following exception:
   a. Shockwave Therapy may be administered by a licensed veterinarian within the 3 day prohibited period, but no closer than 12 hours prior to competing, and is limited to application to the back and dorsal pelvis areas. No Shockwave Therapy is permitted within the 12 hours prior to competing. This exception is permitted only when the “Trainer” as defined under GR404 properly files, or causes to be properly filed, an Equine Drugs and Medications Report Form with the Steward/Technical Delegate or competition office representative within one hour after the administration of Shockwave Therapy or one hour after the Steward/Technical Delegate or competition office representative returns to duty if the administration occurs at a time outside competition hours. The Steward/Technical Delegate or competition office representative shall sign and record the time of receipt on the Equine Drugs and Medications Report Form.

CHAPTER 5 MEASUREMENT OF ENTRIES

SUBCHAPTER 5-A CONDITIONS

GR501 Other Measurement Rules

The rules in Chapter 5 do not apply to measurement of entries in Hunter, Jumper, and Welsh Pony Divisions: refer to rules HJ126-138. For Combined Driving, see Appendix DC-A Measurement of Combined Driving Ponies. For Dressage, see DR135. For all other measurements, see GR502-518.

GR502 General

1. Measurements must be completed by a Federation licensed official that is certified to measure.
2. Competition Management shall not permit a pony to be shown in a performance class at a Federation Licensed Competition in any division or section that requires a measurement card unless: a) the owner or trainer is in possession of a measurement card issued by the Federation; b) he possesses a copy of a valid measurement form; or c) Competition Management confirms measurement electronically with the Federation Office; or d) For Shetlands the owner or trainer is in possession of a measurement card issued by ASPC. At Regular Competitions, Competition Management shall not give out an exhibitor’s number for a pony showing in a division or section that requires a measurement card before the above requirements have been complied with. (See GR1302.2b)
3. Competition Management, the Federation CEO, or his designee may require the measurement of all ponies in any division in which height is a qualifying factor.
4. Ponies competing in any division or section that requires a measurement card are subject to measurement by a licensed veterinarian, steward who is certified to measure, or technical delegate who is certified to measure, and who is appointed by the Federation.
5. Measurements must take place at a Federation Licensed Competition in which the pony is entered to compete. The pony must be measured (height) by an officiating steward or technical delegate certified to measure and any one of the following competition officials: a veterinarian, a judge, another steward or technical delegate. Heel and toe measurements, where applicable, must be done by an officiating steward.
6. The officials appointed to measure ponies at a Federation Licensed Competition are responsible for their true measurement and must check the measurement devices for accuracy. The names of the measuring officials will be printed on the measurement card. All measuring officials may be subject to penalty under the provisions of the Federation Bylaws and Chapter 7 if it is determined that a measurement is incorrect.
7. Measurements are solely for the internal use of the Federation, its Licensed Competitions and its licensed officials in connection with competing for prizes, and do not constitute any representation or warranty regarding measurement information; accordingly, the Federation, its Licensed Competitions and its licensed officials make no representation and shall have no liability whatsoever for measurement errors.
8. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the pony’s breed registration papers or a signed statement from a veterinarian certifying the pony’s age.
9. Prior to presenting the pony for measurement it is the responsibility of the owner to ensure that the pony is handled properly, accustomed to the application of a measuring stick, and correctly prepared for measurement.

GR503 Required Measurements and Re-measurements

1. All ponies must be measured annually until six years of age. Until six years of age, ponies must be issued a card designating the year measured. Ponies six years of age and older must be issued a measurement card which does not have to be renewed. Those ponies measured (and for which a valid measurement form is received by the Federation) in December immediately preceding the calendar year in which they turn six years of age must be issued a measurement card that does not have to be renewed. Measurement cards for ponies six years of age and older must not be re-issued unless the measurement is questioned, protested, or an appeal is made and an official measurement is performed.
2. In the event a pony has been officially measured and the owner does not have the measurement card or valid measurement form in his immediate possession and the pony's height cannot be confirmed with the Federation electronically, the pony must be re-measured for the purposes of competing in that particular Federation Licensed Competition only. Measurement forms are sent to the Federation office, and shall not be given to the owner. If an owner fails to present a valid measurement card at a Federation Licensed Competition, the owner shall have the pony re-measured at the competition. If an owner fails to present measurement card at more than one (1) Federation Licensed Competition he will be fined for each subsequent re-measurement necessary.

3. If the shoeing status of a pony changes from that which is indicated on its measurement card a new card reflecting the new shoeing status may be issued provided the pony is re-measured in accordance with GR509 and the original measurement card is surrendered to the Federation.

4. All Hackney Roadster and Roadster Ponies must be re-measured and issued new measurement cards prior to competing in Federation Licensed Competitions.

5. Exception: GR503 does not apply to the Dressage Division. For Dressage and Dressage Sport Horse Breeding, see DR135.

SUBCHAPTER 5-B PROCEDURES

GR504 Membership Requirements

All persons presenting a pony for measurement shall first provide the owner's membership number, a signed statement signifying that membership has been applied for, or proof of Equestrian Canada membership.

GR505 Completing the Measurement Form

1. The measurement form must be filled out completely in duplicate and the number of the Measurement Stick must be on the form. Measurement cards will not be issued if the form is not completely filled out and legible. Exhibitors shall ensure the form is accurate and complete.

2. The form must include:
   a. The name and date of the competition, the height of the pony, height of heel (except for Arabian, Dressage and Dressage Sport Horse Breeding), name, color and markings, sex, year foaled which must be verified at time of measurement and designate whether the pony is shod or unshod. (American Saddlebred measurements must be entered on left measurement box of form.)
   b. The name and address of owner and Federation membership number must be given; and
   c. Signature of the person furnishing the above information immediately before the pony is measured
   d. Signature of the competition officials appointed to measure.
   e. The person providing the information that appears on the measurement form must be 18 years or older and shall be responsible for the accuracy of such information. When this individual signs the form he is certifying that all information is complete and correct. If a measurement form is signed by a person under the age of 18 and submitted to the Federation office, the measurement shall be invalid.
   f. No changes may be made to the form once it is signed. Any alterations, scratch outs, or rewrites to any part of the height, height of fore heels, or thickness of shoe/pad must be clearly indicated and initialed by the measuring officials prior to signing the form.

3. The owner shall retain the white copy of the measurement form which, when properly signed by the two measuring officials, is valid for 45 days from the time the pony is measured. Exception: Hackney, Roadster, and American Saddlebred ponies: the white copy which owners retain for the remainder of the current competition year.

SUBCHAPTER 5-C MEASURING

GR506 Measurement Devices

The Federation Approved Measuring Stick shall be used. See DR135 for specific requirements regarding Measurement Devices at Dressage Competitions.
GR507 Measurement Surface

1. The measurement surface must be level. No pony shall be measured on dirt or gravel. A concrete slab or other paved surface is most desirable but, when not available, a sheet of heavy plywood can be used. Exception: plywood may not be used for Dressage or Dressage Sport Horse Breeding measurements. (GR507 does not apply to Dressage pony measurements. See DR135.)

2. If a suitable surface is not available at a competition, a pony without a measurement card or a valid measurement form must be measured to compete in that Federation Licensed Competition, but no measurement form shall be given to the owner. See GR1210.2 and GR1210.3.

GR508 Position of Animal

1. The pony must stand squarely on all four feet in such a position that the front legs are vertical to the ground and the back of the hocks are in a vertical line with the point of the pony's quarters. The head must be held low enough to reveal the highest point of the withers and no lower. The pony must be free of all appliances. Handlers must not interfere with the pony in any way that will prevent it from standing in this position; blinkers may be allowed.

2. For the Hackney Division: The pony should be standing with his front legs perpendicular to the ground. The pony's head should be lower than his withers. This easily locates the highest part of the withers where the measurement should take place. Handlers must not interfere with the pony in any way that will prevent it from standing in the correct position; blinkers may be allowed.

GR509 Method of Measurement

The measurement shall be from the vertical distance from the highest point of the withers to the ground. The cross-piece, arm or bar of the measuring device shall be placed over the highest point of the withers.

GR510 Method of Measuring Toe and Heel

Using a six (6) inch metal ruler, the length of the toe shall be determined by measuring from the front of the hoof, in the center, from the skin line on the lower side of the coronary band to the ground. The skin line on the lower side of the coronary band shall be defined by palpation. The height of heel shall be determined by measuring from the skin line on the lower side of the coronary band to the ground, with the ruler perpendicular to the ground (See illustration).

METHOD OF MEASURING TOE AND HEEL
GR511 Exceptions for Breed Measurements

1. American Saddlebred-
   a. Ponies five years of age and under are eligible to compete in classes restricted to American Saddlebred-type ponies. Ponies must be presented annually for measurement unshod (note: for purposes of protection a 1/4” pad or plate may be nailed to the foot and then deducted from the official measurement).
   b. In order to obtain a permanent Federation measurement card American Saddlebred-type ponies, six years of age and over must be presented for measurement unshod (note: for purposes of protection a 1/4” pad or plate may be nailed to the foot and then deducted from the official measurement).
   c. If an American Saddlebred-type pony (regardless of age) measures up to 1 inch over 14.2 hands the pony will be issued a measurement card reflecting its height and permitted to compete in American Saddlebred-type pony classes restricted to ponies 14.2 hands and under.

2. Shetland - The pony may be presented with or without shoes regardless of how shown.

3. Arabian - heel measurements are not required.

SUBCHAPTER 5-D QUESTIONING AND PROTESTING

GR512 Height

1. An owner or trainer may protest the height of only one pony competing in a class in which he is also competing. For Dressage protests, see DR135.9. If a protest is filed the pony’s heel must be measured by an officiating steward or technical delegate immediately upon exiting the arena so that no change can be made by re-shoeing or the pony must be accompanied by an official until the measurement procedure is completed. The heel measurement will be taken in accordance with GR510, recorded by a competition Steward or technical delegate, and signed by the exhibitor. The pony must be measured for height within one hour of the conclusion of the session and at an officially designated measurement location for that competition. If it is determined that the pony’s shoeing has been changed between the time of the measurement of the heel and the official measurement of the pony, the protest will be upheld and the owner will forfeit entry fees and winnings for the entire competition and the pony is barred from competing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified. (Exception: Heel measurements are not required for Arabians. The pony will be measured for height per Chapter 5, Subchapter 5-B and 5-C)

2. Ponies Five Years of Age or Under
   a. If it is determined that a pony five years of age or under is being shown with the same heel measurement as indicated on its measurement card or valid measurement form, or a lower heel measurement than as indicated on the measurement card or valid measurement form, said pony may continue to show at the height indicated and its height cannot be protested.
   b. If it is determined that the pony is being shown with a greater heel measurement than as indicated on its measurement card or valid measurement form, the pony must be measured in accordance with GR512.1
   c. (Exception: Heel measurements are not required for Arabians. The pony will be measured for height per Chapter 5, Subchapter 5-B and 5-C)

GR513 Toe Length

1. An owner or trainer may protest the length of toe of any pony competing in a class in which he is competing.

2. If the length of toe of any pony is protested, the Competition Management must have the official veterinarian and a judge or steward officiating in the competition measure the toe immediately so that no change can be made by reshoeing.

3. If the limit for length of toe is exceeded, the pony must be disqualified for the balance of the competition and the owner of the pony shall forfeit entry fees and winnings for the entire competition.

GR514 Results of Questioning or Protesting

1. The measurement card or valid measurement form of any pony that is required to transfer into another division or section must be surrendered to the competition steward or technical delegate who must forward it to the Federation office with his report.
2. The name of any pony barred from showing due to its height exceeding the limit for the pony’s section by more than one half inch (1/2") is listed in equestrian.
3. The decision of competition measuring(s) officials is final for the competition where the protesting occurred. An appeal may be filed with the Federation to cover future and prior competitions.

**SUBCHAPTER 5-E MEASUREMENT APPEAL**

**GR515 Conditions**

An owner or trainer of an pony declared ineligible for a division or section on account of height may appeal a measurement. The pony is barred from competing in the particular height division or section for which he was declared ineligible until the measurement is performed.

**GR516 Procedures**

1. The appeal must be made to the Federation office in writing within seven (7) days of the measurement and must be accompanied by the required deposit.
2. All expenses including veterinary fees must be paid by the appellant who must make a deposit with the Federation as an advance on anticipated costs prior to the measurement.
3. The Federation will select a location and time for the appeal measurement as convenient as possible. The owner or trainer must deliver the pony to the location at his own expense within 45 days of filing the appeal.
4. The measurement must be performed by at least two persons appointed by the Federation which shall include one veterinarian who is a member of the American Association of Equine Practitioners and one steward or Technical Delegate certified to measure, as permitted by division rules. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.
5. Any pony submitted for an appeal measurement must show no evidence of lameness. If found to be lame by the examining veterinarian, the pony cannot be measured or remeasured for thirty (30) days and the appellant forfeits his deposit and any veterinary expenses incurred. Each pony submitted for an appeal measurement must be tested for drugs and medications in accordance with General Rules, Chapter 4, GR405.
6. If the appeal is not upheld or the appellant fails to submit the pony within 45 days, the pony is barred from showing for the balance of the competition year. The deposit is forfeited and all points accumulated for Horse of the Year Awards are nullified.
7. The measurement made under the terms of an appeal is final.

**SUBCHAPTER 5-F OFFICIAL MEASUREMENT**

**GR517 Conditions**

An owner or trainer may request an official measurement for a pony six (6) years or over provided: a) the pony has never been shown in a Licensed Competition; b) has never been declared ineligible for a division on account of height; or c) has had a bona fide transfer of ownership.

**GR518 Procedures**

1. The request for an official measurement must be made to the Federation in writing and accompanied by a non-refundable deposit.
2. All expenses including veterinary fees must be paid by the person requesting the measurement who shall make a deposit with the Federation, as an advance on anticipated costs, prior to the measurement. Both the owner and trainer are required to sign a waiver and consent on a form prepared by and acceptable to the Federation agreeing to the arrangements for the official measurement, agreeing to the administration of Lasix to the pony to aid in the collection of a urine sample for laboratory tests for Federation forbidden substances. (Exception: Hackney, Roadster, and American Saddlebred.)
3. The Federation will select a location and time for the official measurement as convenient as possible. The owner or trainer must deliver the pony to the location at his own expense.
4. The measurement must be performed by at least two persons appointed by the Federation which shall include one veterinarian who is a member of the American Association of Equine Practitioners and one steward or technical delegate certified to measure. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.

5. Any pony submitted for an official measurement must show no evidence of lameness.

6. An official measurement is final.

This rule applies to all persons deemed ineligible to participate.

1. The purpose of this Rule shall be to prevent the avoidance by suspended exhibitors, trainers, coaches and other persons of the terms and conditions of their suspensions, or the penalties intended by the Hearing
Committee as appurtenant to such suspensions. This Rule shall apply to the spouse of a suspended person as well as to any other persons or entities, including, without limitation, companions, family members, employers, employees, agents, partnerships, partners, corporations or other entities, whose relationship, whether financial or otherwise, with a suspended person would give the appearance that such other persons are riding, exhibiting, coaching or training for the benefit, credit, reputation or satisfaction of the suspended person.

2. No suspended person's spouse or companion shall assume any of the suspended person's responsibilities whatsoever at Federation competitions during the term of said suspension. Companion shall be defined as any person who co-habits with, or otherwise shares living accommodations with, a suspended person.

4. Any person who assumes the responsibility for the care, custody or control of an unsuspended horse completely or in part owned, leased, trained by or coached by a suspended person, must not:
   a. Be paid a salary directly or indirectly by or on behalf of the suspended person; or
   b. Receive a bonus or any other form of compensation in cash, property or other remuneration or consideration such as to make up for any such lost salary; or
   c. Make any payments of any kind, or give any remuneration or other compensation or consideration, to the suspended person, his/her spouse or companion, any corporation, partnership or other entity owned or controlled by said suspended person or to any other person for transfer to any of said individuals or entities for the right to ride, exhibit, coach or train for the suspended person or any of the suspended person's customers during Federation Licensed Competitions; or
   d. Use the farm or individual name of the suspended person.

7. This Rule is intended to provide guidance for suspended persons and anyone contemplating taking over the responsibility for the riding, exhibiting, coaching, or training, of an unsuspended horse from a suspended person. It is not intended to anticipate every potential circumstance in which the intent of a suspension may
be frustrated, and the Hearing Committee shall have the power to determine whether the facts and
circumstances peculiar to any particular case compel a finding that there was or is a violation of the rules
prohibiting exhibiting any horse while in the care, training or custody of a suspended trainer, or riding,
exhibiting, coaching or training for the benefit, credit, reputation or satisfaction of a suspended person (see
GR702.1h and .i).

   n. Assessing and/or collecting a drug enforcement fee in excess of, or in addition to, that specified and
      required by GR407.1 of these rules, unless said assessment is approved in writing by the Federation in
      advance, and then only under the terms and conditions set forth.
   o. Withholding from the Federation any or all of the drug fees collected in accordance with GR407.1, for any
      purpose, including to defray the expenses incurred providing stalls, passes, and other items to the
      Federation drug testing personnel, as required by GR407.4 and .5.
   p. Using the name or title of a championship that has not been assigned to that Licensed Competition during
      the same competition year.

CHAPTER 8 CONDUCT OF LICENSED COMPETITIONS

SUBCHAPTER 8-A ATTIRE AND EQUIPMENT

GR801 Dress

1. It is the tradition of the competition ring that riders and drivers be correctly attired for the class in question, that attendants be neatly dressed, and horses be properly presented.

2. It is compulsory for all persons at Federation licensed hunter, jumper, or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee, Competition Management, and Licensed Officials must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

3. Except as may otherwise be mandated by local law, all sub-junior exhibitors in the Paso Fino division, while riding or driving or while in the driving cart anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. For all exhibitors competing in the hunter, jumper, or hunter/jumping seat equitation section, if a rider’s chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round without penalty or elimination. A judge may, but is not required to stop a rider and ask them to re-fasten a chin strap which has become unfastened, again without penalty to the rider. Members of the Armed Services or the Police may wear the Service Dress Uniform.

4. Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective vest either body protecting or inflatable, specifically designed for use in equestrian sport in any division or class without penalty from the judge. The Federation recommends that the vest pass or surpass the current ASTM standard F1937 or be certified by the Safety Equipment Institute. For Eventing, inflatable vests are permitted only when worn over a body protecting vest.

5. See DC928 for protective headgear requirement in Combined Driving.

6. See DR120 for protective headgear requirement in Dressage.

7. Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. (Exception hunter, jumper, or hunter/jumper competitions refer to GR801.2) It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, Competition Management, and Licensed Officials are not responsible for checking headgear worn for such compliance.

8. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

9. Boots/shoes worn while riding anywhere on the competition grounds must have a distinguishable heel. (Exception: Arabian, Hackney Pony, Morgan, National Show Horse, Parade, Roadster, American Saddlebred, and Saddle Seat Equitation).

10. Competitors must display the correct number which must be clearly visible while performing in any class unless otherwise stated in the prize list. Competitors may be penalized at the discretion of the judge.
Numbers to be supplied by management in compliance with GR1213.11. Refer to DR121.11 (Dressage) and DR207.8 (Dressage Sport Horse Breeding).

11. Refer to EQ106 and HU107.

GR802 Artificial Markings and Appliances

1. Any change of color or markings other than mane, tail, or hoof is prohibited. (Exception: Arabian and Half/Anglo Arabian halter, see AR106; Reining Division; Friesian Division; Paso Fino, see PF101.3). Only clear grooming materials are allowed on the hide and hair. Materials may be used to remove stains.

2. All artificial appliances other than those permitted in division rules are prohibited (Exception: Reining and Jumper Divisions). Bandages, tailsets, chains or other training devices are prohibited in the ring in Breeding/Halter classes.

GR803 Use of Whips

No item may be used inside or outside the ring while showing a horse except one whip per handler. If whips are allowed, they must be no longer than 6’ including the snapper or lash. No appendages of any kind are permitted. One lungeing whip is permitted only when lungeing. Some breed and/or disciplines may have use of whip division rules that depart from this rule and as such, the division rule governs. (GR151.1)

GR804 Shoeing Regulations

1. In some parts of the country, it is common practice to show unshod horses in certain classes. A horse cannot be barred from the ring because of being unshod but, in classes in which it is common practice for all horses to be shod, a barefoot horse may be penalized at the judge’s discretion.

2. Competitions offering classes in a division that designates a maximum weight for shoes (Paso Fino, Welsh) must provide accurate scales for weighing. If any horse casts a shoe in any of these classes, the shoe, including pad if used, but not including nails must be immediately weighed by the judge. In these classes, a competitor may not be excused from the ring until the judge is satisfied that the horse has not cast a shoe.

3. If the weight of a shoe and pad is protested, the owner may either withdraw the entry and forfeit all entry fees and winnings of the protested entry for the entire competition, in which event the protest must be withdrawn and the fee refunded or, have the shoe and pad removed in the presence of the competition veterinarian and steward so it can be weighed immediately.

4. Whether cast or removed, if the shoe including pad exceeds the weight limit, the entry must be disqualified for the balance of the competition and all entry fees and winnings of the entry for the entire competition will be forfeited. Removal and replacement of any protested shoe and pad is the sole responsibility of the owner of the entry; however, if the protest is not upheld, the protestor shall pay up to $100.00 to defray the cost of removal and replacement of the shoe.

5. See AR106 for Arabian shoeing regulations.

SUBCHAPTER 8-B COMPETITION AWARDS, HONORS, AND PRIZES

GR805 Challenge Trophies

1. A Challenge Trophy is a trophy donated to or offered by a competition which must be won a specified number of times under specified conditions. When originally placed in competition, it becomes the property of the Show Committee and cannot be withdrawn by the donor.

2. The conditions of the Challenge Trophy may not be changed without the consent of the trophy donor or his legal representative and of all who have qualified as potential winners of the trophy, except in the event that the conditions stipulated are in conflict with the current rules of the Federation. In such an event, the Show Committee or Competition Management must confer with the Federation as to procedure.

3. The winner of a leg on a Challenge Trophy in competition is entitled to possession of such trophy for a period of 10 months from date of winning unless a competition stipulates that the trophy will remain in its possession. The winner is responsible for protection and care of the trophy while in his possession. At the expiration of 10 months, or two months prior to the next annual competition, the competition may demand return of trophy if it
has not been won outright. Failure of an exhibitor to return the trophy constitutes a violation under Chapter 7 and renders the exhibitor subject to penalty.

4. If a Challenge Trophy is competed for at more than one competition per year, the committee may elect to keep the trophy in its possession.

5. If a Challenge Trophy is destroyed, stolen, or lost and therefore cannot be returned, the exhibitor who had possession of the trophy must pay to the competition the cost of replacing it with a trophy equally suitable and satisfactory to the Show Committee or Competition Management. The exhibitor will be exempt from penalty if the trophy is replaced before the next competition.

6. Should a competition or class be discontinued or not held for any period of time, any unretired Challenge Trophies offered at such competition must be returned at the expiration date of ten months to the last active Show Committee or Competition Management. The Show Committee or Competition Management will determine the disposition of such trophies but they may not be placed in competition at any competition unless the provisions of paragraph 2 are met.

7. In the event of the death of an exhibitor who has won one or more legs on a Challenge Trophy, a member of that exhibitor's family may include such previous winnings in any further competitions for such Challenge Trophy in which they may engage.

8. If a Challenge Trophy is competed for and won under a farm name and the farm is later sold to another person who retains the farm name, legs won on the trophy by the first owner will not be counted by the subsequent owner of the farm in his competition.

GR806 Perpetual Trophies

A Perpetual Trophy is a trophy donated to or offered by a competition which is never awarded permanently to an exhibitor but remains the property of and in the possession of a competition. The Show Committee or Competition Management may present a replica or souvenir trophy to the annual winner. The conditions of a Perpetual Trophy are identical with those of a Challenge Trophy. Exception: previous winners need not be consulted when and if specifications are changed.

GR807 Prize Ribbons

1. At all Licensed Competitions, the prize ribbons are to be the following colors:

<table>
<thead>
<tr>
<th></th>
<th>Color</th>
</tr>
</thead>
<tbody>
<tr>
<td>Grand Champion</td>
<td>Blue, Red, Yellow, and White</td>

<td>Ninth Prize Gray</td>
</tr>
<tr>

<td>Tenth Prize Light Blue</td>
</tr>
</tbody>
</table>

2. It is recommended that competitions offer one ribbon for every six entries.

3. A Licensed Competition located outside the United States may conform to the practice of the country in which it is situated with respect to the color of the ribbons used.

GR808 Awarding Championships

1. Championship classes for a specific height or sex may be offered in any division as set forth in the respective division rules. Judging specifications must follow those of the Open Championship class.
2. In the Hunter divisions, Championships must be awarded on points. In the Morgan and Welsh Pony divisions, Championships may be awarded on points or held as performance classes. (See JP110.2 for Jumper Championships and EQ107.8 for Hunter/Jumping Seat Equitation Championships)

3. When Championships are awarded on points, all competitors must be given an equal opportunity to obtain points. In all other divisions, Championships must be awarded in a Championship Performance class and all entries must be given an opportunity to qualify.

4. Only the first four ribbons in each class are counted regardless of the number offered. Ribbons have the same point value even if less than the specified four places are awarded due to lack of entries, etc. Exception: See JP110.2 for Jumper Championships.

5. Point Value:

<table>
<thead>
<tr>
<th>Ribbon</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Blue</td>
<td>5</td>
</tr>
<tr>
<td>Red</td>
<td>3</td>
</tr>
<tr>
<td>Yellow</td>
<td>2</td>
</tr>
<tr>
<td>White</td>
<td>1</td>
</tr>
</tbody>
</table>

6. In Hunter and Hunter/Jumping Seat Equitation sections only the first six ribbons in each class are counted regardless of the number offered. Ribbons have the same value even if less than the specified six places are awarded due to lack of entries. First Place...10 points, Second Place...6 points, Third Place...4 points, Fourth Place...2 points, Fifth Place...1 point, Sixth Place...1/2 point.

**GR809 Performance Championships**

1. A Show Committee or Competition Management must designate all qualifying classes and can require any or all winners in a qualifying class at that competition to compete in a Performance Championship class provided this is stated in the prize list and the gaits required are the same as in the qualifying class. Any exhibitor failing to comply must forfeit all prize money in the qualifying class. If an exhibitor or trainer qualifies more than one horse for a Championship class he can elect to show only one. Exception: Regional and National/World/Grand Breed Affiliate Competitions.

2. To be eligible to show in a Performance Championship class a horse must have been properly entered, shown, and judged in one qualifying class at that competition in the same division or section. Exception: Regional and National/World/Grand Breed Affiliate Competitions.

3. So long as a competition has not limited eligibility for a Championship class to ribbon winners of qualifying classes, an entry which while performing in a qualifying class fails to qualify by reasons of equipment repair (limited to bridle, saddle, cart, wheels, and harness), shoeing time, illness (certified by the official veterinarian) or failure of a class to fill shall be permitted to pay double fee and make a post entry in another qualifying class in the section or if no subsequent qualifying class is available for such post entry, the horse shall be considered qualified for the Performance Championship class, provided the horse has previously been entered in the Championship or Stake. Exception: Dressage, Jumper (See JP136.6), and Paso Fino. (See also GR117.3)

4. To avoid divided Performance Championship classes, eligibility for a Championship class may be limited to ribbon winners in qualifying classes.

**GR810 Breeding or In-Hand Championships**

1. Junior Breeding or In-Hand Championships may be offered for two-year-olds and under; Senior Breeding or In-Hand Championships for three-year-olds and over. In the event a competition offers a Junior Championship and a Senior Championship, as well as a Show Championship, only the first and second place ribbon winners are eligible to compete for the Show Championship unless division rules prohibit foals and yearlings.

2. Entry in a Breeding class does not qualify a horse for a Performance Championship class. Exceptions: in the Hackney Pony, Morgan, Roadster, and American Saddlebred Horse divisions any performance class, including futurities and/or classics, qualifies for a Performance Championship class at that competition.

3. In a Breeding section of the Welsh division, the Championship will be awarded to one of the horses which has placed first in a qualifying class. After the Championship has been awarded the horse which has placed second in the qualifying class to the horse awarded the Championship shall compete with the remaining first place winners for the Reserve Championship.
4. In a Breeding section of the Hackney, Morgan, American Saddlebred, or Shetland divisions, the Championship and Reserve Championship will be awarded to horses that have placed first or second in their qualifying classes.

5. In a Breeding section of the Arabian division, the Junior, Senior, or Show (Grand) Championship will be awarded to one of the horses which has placed first in a qualifying class. Qualifying classes for championships must be designated in the prize list. After the Championship has been awarded, the horse which has placed second in the qualifying class to the horse awarded the Championship shall compete with the remaining first place winners for the Reserve Championship. If a Show (Grand) Championship class is held, the Senior Champion and the Reserve Senior Champion as well as the top two ranking two-year-olds will be eligible to compete. (Exception: AR118.1).

6. In any case, should any first or second place winners in a qualifying class not compete for the Championship or be disqualified for being unsound, being unruly, or not performing the class routine in the Championship class, the horse receiving the next highest ribbon in the qualifying class shall have the option of moving up for the Championship and Reserve only.

7. None of the above applies to Dressage/Sport Horse Breeding.

8. None of the above applies to the Andalusian/Lusitano Division. For Breeding and In-Hand Championships see AL106.

9. None of the above applies to the Friesian Division. For Breeding and In-Hand Championships see FR118.

GR811 Sweepstakes

When a Sweepstake class is offered, providing for a division of entry fees, either with or without monies added by the Show Committee or Competition Management, the total to be distributed must include the entry fees of all entries listed in the catalogue, whether or not the horses are shown, plus all fees covering other entries legally in the class, unless a competition stipulates in its prize list that portion of the entry fees which will be withheld.

GR812 Retirement Ceremony

1. If a retirement ceremony is allowed at the request of the owner of a horse, that horse may not be permitted to compete at the competition. Any horse officially retired at a Licensed Competition is barred for life from further competition at Licensed Competitions except by special permission of the Board of Directors; however, they can continue to be shown in Academy classes, Leadline classes, Get of Sire, and Produce of Dam classes.

2. The Federation will give necessary publicity to all official retirement ceremonies and will notify all Licensed Competitions. See GR1214.7.

3. Any ceremony announcing an exhibitor's retirement from competition is prohibited.

SUBCHAPTER 8-C COMPETITION AND CLASS CONDITIONS AND ELIGIBILITY

GR813 Classes for Horse and Rider

In a class where the performances of both horse and rider are considered, the horse and rider together constitute an entry and neither can appear in a different combination except in Eventing, Dressage classes, or Western Dressage.

GR814 Amateur

Amateur classes may be offered in any division using the specifications set forth in the respective division rules. If Amateur classes are offered leading to a Championship, judging specifications will be those of amateur classes or amateur Championships unless the prize list specifically states that open judging specifications will be used.

GR815 Breeding or In-Hand

1. Breeding or In-Hand classes may be offered in any section in which they are indicated in the respective division rules. The prize list must specify as to each class the age, sex, and manner of showing.

2. All Futurity classes are considered part of the respective Breeding sections.
GR816 Junior Exhibitor

Classes, sections, or competitions may be limited to junior exhibitors if so desired. Where special rules and class specifications are given for classes so limited, they should be used throughout the junior exhibitor classes offered and shall take precedence over such class specifications as those for Championship classes. A Show Committee or Competition Management should bear in mind that a horse suitable for a junior exhibitor should have good manners and it is suggested that the specifications for a Ladies’ or Amateur class be followed throughout.

GR817 Ladies

Ladies’ classes may be offered in any division using the specifications set forth in the respective division rules. If Ladies’ classes are offered leading to a Ladies’ Championship, judging specifications should follow those of the Ladies’ class rather than those of the Championship class.

GR818 Local

Any competition may offer Local classes or complete Local divisions provided the meaning of the local designation is fully and clearly defined. Class specifications must follow those listed in the respective division rules as closely as possible.

GR819 Maiden, Novice, and Limit

A competition may offer Maiden, Novice, or Limit classes or complete sections in any division using the specifications set forth in the respective division rules. If a Championship class is held, it must be judged in accordance with the Maiden, Novice, or Limit class specifications rather than those of the Championship class as listed unless otherwise specified.

GR820 Model Classes

1. Model classes may be offered in any section in which they are indicated in the respective division rules. They may be divided as to age, sex, or height and may be held prior to a Breeding section to provide a standard for judging.
2. Model classes may be included in the number of classes required for a division or section rating. Exception: Hunter Division and Welsh Pony Division.
3. Entry in a Model class does not qualify a horse for a Performance Championship class.

GR821 Opportunity Classes

1. Opportunity Classes:
   a. may be held at breed restricted or Hunter and/or Hunter Jumper competitions with no FEI recognized classes, Western Dressage competitions, Western Regular or Local Competitions. Classes must be open to all breeds unless it is a breed restricted competition. In a breed restricted competition it must be stated in the prize list if the classes will be restricted or open. Exception: At any Federation Licensed Competition, opportunity classes may not be restricted to Friesians.
   b. are limited to 10% of the total number of the competition’s classes, with a maximum of 20 Opportunity Classes per competition, whichever is less (Exception: Dressage).
   c. Dressage Competitions and Regular/Local Competitions with “Open” Dressage classes are limited to 20 Dressage Opportunity Classes per day. The 10% requirement does not apply to Dressage. BOD 3/8/21 Effective 4/1/21
   d. may be held in addition to Exhibition Classes.
2. Opportunity Classes:
   a. do not count towards Horse of the Year Awards and the results from Opportunity Classes may not be used by any entity for a national awards program. Only with permission of the respective recognized affiliate organization may results from Opportunity Classes be used for regional awards.
b. cannot be used as a qualifying class for any championship class held at the competition except an Opportunity Class championship at the competition.

c. cannot be considered in reckoning Competition Championships awarded on points except an Opportunity Class championship at the competition.

d. do not count towards the minimum number of classes nor amount of prize money offered when determining the rating of the competition.

e. Dressage classes may be offered as Opportunity classes at Dressage Competitions or Regular/Local Competitions with “Open” Dressage classes as described below:

1. Classes are limited to the following competition levels and dressage tests:
   a. Level 1 competitions may offer three tests and only three classes per level per day at Introductory - Fourth Level.
   b. Level 2 competitions may offer three tests and only three classes per level per day at Introductory - Third Level.
   c. Level 3 competitions may offer three tests and only three classes per level per day at Introductory - Second Level.
   d. Level 4 and Level 5 competitions may not offer Opportunity classes.
   e. Level 1, 2, and 3 competitions may also offer two dressage seat equitation classes per day in addition to the tests, classes, and levels list above in Section 1.a – 1.c.

2. Opportunity Classes are for entry level participants and may be offered to encourage participation in Federation Licensed Competitions.

3. Freestyles may not be offered as Opportunity classes. Opportunity classes cannot be offered as “Test of Choice” classes.

4. If opportunity classes at Dressage Competitions or Regular/Local Competitions with "Open" Dressage classes are restricted to amateurs, riders are required to have an amateur status with the Federation.

5. All rules and regulations in GR821 must be followed, except for GR821.6.

6. Horses, riders, owners, trainers, and coaches participating only in Opportunity classes are exempt from Federation and affiliate organization membership and Horse Identification (HID) requirements and non-member/Show Pass fees, but are required to list the Federation membership number if the participant is a member.

f. Breed restricted Dressage classes can be offered as opportunity classes at Regular/Local breed restricted competitions.

g. Opportunity Classes for Hunter/Jumper/Equitation Divisions

1. Opportunity Classes are for entry level riders.

2. May be held at Federation regular or local rated competitions.

3. All Opportunity classes and divisions must have fences 2'6" or below.

4. Any rider that has shown in a Zone pointed division, such as a children’s hunter division is not eligible.

5. Any rider that has shown in a regular division (such as regular ponies) is not eligible.

6. All rules and regulations in section GR821 should be followed, except GR821.7 (no crossing over into rated divisions).

3. Horses entered only in these classes are still subject to and must comply with the Drugs and Medication rules and are subject to drug testing.

4. Horses entered only in these classes:
   a. are exempt from the Federation fee, including the Equine Drugs and Medication fee.
   b. are not required to have a Horse Identification (HID) or Recording Number but are to list the HID or Recording number if the horse has been assigned this number.

5. Riders/drivers/handlers entered only in these classes are exempt from the Federation membership requirements and are not required to pay a Show Pass fee but are required to list the Federation membership number if the participant is a member.

6. The prize list must state whether or not horses and/or riders/drivers/handlers entered in Opportunity Classes can cross enter into the rated/recognized classes at the same competition. If cross entry is allowed, all applicable fees and membership requirements apply.

7. The list of Opportunity Classes offered must include “Opportunity” in the class name. The classes may include but are not limited to the following categories:
   a. Opportunity Pleasure (Saddleseat, Hunter, and/or Western)
   b. Opportunity Equitation (Saddleseat, Hunter, and/or Western)
c. Opportunity Costume (Historic and/or Contemporary)
d. Opportunity Trail (English and/or Western)
e. Opportunity Driving (Show Pleasure Driving and/or Carriage Pleasure Driving)
f. Opportunity Walk-Trot (Pleasure and/or Equitation)
g. Opportunity Gaited (Three-gaited, Five-gaited, and/or Paso Fino)
h. Opportunity Reining
i. Opportunity In-hand classes (Amateur and/or Junior Handler)
j. Opportunity Fun Classes
k. Opportunity classes for Hunter/Jumper/Equitation Divisions 2'6" and under
l. Opportunity classes for Dressage
m. Opportunity classes for Western Dressage.

8. Unless the competition is using existing Federation class specifications, the prize list must list the class specifications for each Opportunity Class, to include but not be limited to:
a. Gaits required
b. Judging criteria
c. Attire, tack, and equipment allowed.

9. Opportunity Classes must be judged by a Federation licensed judge or an individual who has been issued a Guest Card. (Exception: Judges for Dressage Opportunity classes must be eligible according to GR1008, GR1009, or GR1010.) Conflict of interest rules in GR1309 apply. See GR1004. BOD 11/23/20 Effective 12/1/20

10. The competition must submit full results of all Opportunity Classes as required in GR1214. Horses with HID or Recording members and participants with Federation membership numbers are to have these numbers listed in the results. BOD 6/22/20 Effective 12/1/20

GR822 Owners’ Classes

Owners’ classes may be offered in any division using the specifications as set forth in the respective division rules. If Owners’ classes are offered leading to an Owners’ Championship judging specifications should follow those of the Owners’ class rather than those of the Championship class.

GR823 Dividing Classes

1. Classes can be divided by sex into three groups (stallions, mares, and geldings) or a Show Committee or Competition Management may prefer to require mares and geldings, or stallions and geldings to show together.
2. If a Show Committee or Competition Management wishes to divide junior exhibitor classes, it may offer separate classes for boys and girls or offer several age limits. The following three age limits are suggested but may vary according to local conditions:
   a. Juniors who have not reached their 11th birthday,
   b. Juniors who have reached their 11th but not their 14th birthday
   c. Juniors who have reached their 14th but not their 18th birthday.
3. When divided as above horses cannot be entered in more than one age section of the same class.
   Exceptions: Arabian, Morgan, Equitation, and American Saddlebred divisions.
4. A Show Committee or Competition Management may offer classes divided by age of adult exhibitor.

GR824 Stallions

Stallions are barred from any Ladies’ or Junior Exhibitors’ classes except as provided for in division rules. Unless competition rules state otherwise, stallions may be shown by anyone in other classes in every division.

GR825 Ponies

1. Ponies may be ridden only by junior exhibitors. Exceptions: Adults may ride ponies in the Eventing, Connemara, Dressage (other than (1) USEF High Performance Championships, USEF qualifying and
selection trials, and observation classes (2) FEI Pony, Junior, and Young Rider tests), Hunter, Jumper, American Saddlebred, and Welsh Pony divisions.

2. If an animal 14.2 hands or under is eligible to compete as a horse in the Arabian, Half or Anglo Arabian, Connemara, Morgan, Paso Fino, National Show Horse, or American Saddlebred Divisions, it may also compete as a horse in other appropriate classes (except for Dressage; see DR119.1). It cannot, however, compete as a horse in one class and a pony in another class at the same competition.

3. Once an animal is shown in a class restricted to horses, except in the aforementioned divisions and as provided for in SB204.4, it cannot be shown as a pony the same year.

**GR826 Combined Ownership**

Combined ownership is permitted in classes when more than one horse constitutes an entry unless the prize list states otherwise.

**GR827 Hors de Concours**

Competition Management may, in its sole discretion, permit an exhibitor to compete Hors de Concours. If a horse competes Hors de Concours, the horse cannot compete in a subsequent class for prize money in the same ring on the same day. However, the rider of a Hors de Concours horse may compete in subsequent classes.

For exceptions see below:

a. Dressage Competitions (out of competition); see DR119.5 and DR119.7

c. Driving Competitions, see DC915
e. Competing Hors de Concours is prohibited in the following divisions: Hackney, Roadster, Saddlebred, National Show Horse, and Western Dressage.

**GR828 Permission to Compete in Foreign Competitions**

1. International (FEI) Competitions: In accordance with Article 102.3 of the FEI General Regulations which states: “All competitors invited or nominated for an international event must be entered by their NFs”, individuals wishing to compete in foreign International (FEI recognized) Competitions must apply to the Federation for each international competition they wish to enter, (this includes competitions in Canada and Mexico). He/she must complete an application providing information such as: the name and date of the particular competition(s) requested; the name(s) and details of the horse(s) to be ridden. A non-refundable application fee per competition must be enclosed. (Competitors may also opt to pay a non-refundable annual prepaid application fee in the amount of ten times the per competition fee (in lieu of paying a non-refundable per competition application fee). In the event of an oversubscription in dressage, driving, eventing, or reining, the discipline’s Credentials Committee will rank the applicants, providing that they have submitted a timely application as defined in the discipline criteria. The rankings will be based upon the individual’s experience in competing in the U.S. and abroad, his/her recent results and ranking (if applicable) and other discipline specific criteria (if applicable). If the competition in question is on borrowed horses, the Credentials Committee will consider the experience the applicant has had in riding and competing on various horses. For endurance, jumping, and vaulting, please refer to each discipline’s criteria for procedures in selecting riders in the event of an oversubscription. Individuals wishing to compete in foreign international competitions who have not met the established criteria to compete in foreign FEI competitions may apply for a waiver, for which there is a fee. Copies of application and criteria for each discipline are available from the Federation website or Federation office.

2. National Competitions: Individuals wishing to compete in FEI recognized disciplines in National Competitions in foreign countries must receive permission from the Federation. An application for permission to compete must be completed and returned to the Federation. Copies of the application on the Federation website or from the Federation office. The competitor will be asked to provide the following information:

   a. whether or not the individual is a United States citizen and a current member of the Federation;
   b. whether he/she wishes to compete as an amateur or professional;
c. whether he/she wishes to compete in National or International Competitions;
d. the disciplines in which he/she wishes to compete (i.e., Jumping, Dressage, Eventing, Driving, Vaulting, Reining, or Endurance Riding);
e. the length of stay in each country;
f. whether he/she has been alleged to have violated or found in violation of FEI or Federation rules or the rules of any other National Federation or Federation affiliated association; and
g. whether he/she has been indicted, named in an information, convicted or disciplined by an administrative agency, arbitration or other tribunal, body, humane society or court of law, whether civil, criminal, arbitral or administrative, for an act which would be a violation of Federation rules if committed during a Recognized Competition.

3. Permission to compete must be applied for each year.

4. Foreign Competitors: Riders, drivers, vaulters and longeurs who are not citizens of the United States, regardless of Federation membership status and country of origin.
   a. Foreign Competitors who desire to compete in non-breed restricted, National Competitions in the FEI recognized disciplines in the United States must have proof, in English, of membership in good standing from their National Federation or must be members in good standing of the United States Equestrian Federation.
   b. Competition management must request proof, in English, of current membership in good standing from their respective National Federation, or proof of current Federation membership.

5. Denial of Permission. Any application for permission to compete abroad answering affirmatively as to GR828.2f or .g shall be referred to a Committee of the Federation Board of Directors consisting of the Officers and two active athlete directors appointed by the President; the President shall serve as Chairman of the Committee and at any meeting the presence of at least four officers and one active athlete director shall constitute a quorum; the Committee shall by majority vote determine whether any such application shall be granted or denied, taking into account whether in the opinion of a majority of the Committee members any affirmative information regarding GR828.2f or .g causes other applicants to be considered more appropriate to serve as representatives of the sport and country in competing in foreign countries. Any such ruling by a majority vote of the Committee denying the privilege of a license to compete in foreign countries is final and not subject to appeal or review except where otherwise provided in the Bylaws of the USOPC, or where a review is granted in the discretion of the Committee, which upon further application may give further consideration to any applicant, may direct a hearing upon the application by the Committee or by the Hearing Committee, or may make any other ruling regarding the application considered by the Committee appropriate under the circumstances.

SUBCHAPTER 8-D SCHEDULING DURING COMPETITION

GR829 Length of Competition

1. A competition may not hold classes more than 16 hours out of any 24-hour period from the start of the first class to the finish of the last class, including intermissions. There must be a recess of at least 8 hours between the finish of the last class of an evening performance and the first class of a morning performance the following day. A fine in the amount of $250 per hour or part thereof will be imposed for exceeding the 16-hour time limit or not allowing an 8-hour recess. Exception: Competitions offering only Hunter, Jumper, and Hunter/Jumping Seat Equitation classes may not run more than 14 hours of actual performance time. Warm-up sessions, judged or unjudged, are included except sessions held at the beginning of the day where no fee is charged.

2. If management disputes that the time limits were not exceeded and the above fine is not properly owing, it may request a hearing of these issues before a special committee appointed by the President provided a written statement specifying the grounds for the hearing is received at the Federation’s office within 30 days of management’s receipt of Federation’s notice of fine. The special committee shall hear the matter and determine whether the fine is properly owing. The special committee may waive a part or all of the automatic penalty upon a finding of good cause why the time limits were exceeded and a finding that extreme hardship results from the automatic penalty.
3. All classes in any section for junior exhibitors in any one day must be held within a twelve-hour period, excluding intermissions.
4. No classes may be started after midnight. Exception: Paso Fino classes not restricted to Junior Exhibitors.
5. Exception: Endurance Competitions. BOD 6/22/20 Effective 12/1/20

GR830 Time Schedule

1. The announced order or time for classes may not be changed unless at least 12 hours notice of such change be given to each exhibitor and judge affected or each exhibitor affected consents in writing.
2. Provided the order of events is not changed, the Show Committee or Competition Management may call any class up to 30 minutes ahead of its scheduled time. Exception: Vaulting exhibitors must be given one hour’s notice.
3. Once the first horse in a Reining class has been entered, shown and judged, the class must be run in entirety before commencing with the next scheduled class.
4. None of the above applies to Eventing (see EV107).
5. None of the above applies to Dressage. For Dressage Competitions, the following conditions apply: (1) Rides may be rescheduled up to one hour earlier or later than announced in the official schedule if each competitor is individually notified at least two hours prior to his/her rescheduled ride time. Rides within a class may be rescheduled in a different order. (2) Ride times or classes may not be changed more than one hour from the time announced in the official schedule unless 12 hours notice of such change is given to each exhibitor and judge affected or each exhibitor affected consents in writing to the change. Public address announcements, schedule changes posted on the show grounds or internet, and statements published in the prize list or entry documents do not meet the notification requirements of this rule.
6. None of the above applies to Western Dressage classes/competitions. For Western Dressage, follow the same conditions as listed in GR830.5.
7. Exception: Endurance Competitions. BOD 6/22/20 Effective 12/1/20

GR831 Delay of Classes

1. When the start of any class requiring horses to be shown individually is delayed by horses not ready to perform, the competition may be closed at the order of the judges, Show Committee, or Competition Management, provided a warning is issued and exhibitors are given three (3) minutes to appear at the in-gate ready to participate. (Exception: in hunter, hunter/jumping seat equitation, and jumper classes with a specified jumping order, see HU126, JP112, JP136.15a & JP136.2.) In classes where horses compete collectively, a warning is issued and the in-gate must be closed two minutes after the first horse enters the ring. (Paso Fino, see PF102.7; Arabian, see AR107.1) Judging must not commence until the gate is closed or at the end of the two-minute call. An official timer must be appointed to enforce this rule.
2. It is recommended that a starting enforce order be established in all classes in which horses compete individually and to allow one minute for an entry to enter the ring. At competitions using only one ring, a starting order must be established. If a jump order is used, it must be posted at least 30 minutes prior to the start of the class.
3. Exception: Endurance Competitions. BOD 6/22/20 Effective 12/1/20

GR832 Interruption of Procedure

1. If weather appears to be imminently affecting the safety and welfare of horses and/or exhibitors, it shall be the responsibility of competition management (Exception: Eventing see EV110) to stop the competition until it is safe to recommence. If a competition in progress must be stopped due to a storm, accident, or other emergency, the Show Committee or Competition Management will decide whether to re-commence. Any interrupted classes may be re-commenced within the session in which they were originally scheduled or at a succeeding session of the competition. (Exception: Dressage GR832.7, Driving, Eventing EV110, Reining GR832.9.) If a Licensed Competition’s Prize List does not advise exhibitors that refunds of entry fees will not be given in the event a class or classes, or all or part of the competition is cancelled due to a storm, accident, or other emergency, the Licensee is required to refund entry fees for the cancelled class or classes upon written request by an exhibitor within 30 days of the cancellation.
2. The Show Committee or Competition Management will also decide whether awards for classes not held is warranted and called for. No Championship, awarded on points, can be awarded in any division, however, unless more than 50% of the scheduled classes in that division have been held. Any action thus taken by the Show Committee or Competition Management will not be referred to the Federation in as much as the matter is one of discretion and not regulation.

3. If a class is in operation at the time a competition is stopped, no placements involving Horse of the Year Awards will be made. If a tie for a Championship exists in the Hunter or Jumper division at the time the competition is stopped, points toward Horse of the Year Awards will be divided between the tied horses.

4. If classes are postponed to a day not included in the original competition dates, exhibitors are entitled to a refund of entry fees in the class postponed and are relieved of any obligation to show back in postponed classes.

5. If a class in which horses compete either collectively or individually is in progress and must be stopped due to a storm, accident, or other emergency, the following procedure shall govern (Exception: Dressage, Driving, Reining, Eventing, Jumper, Western Dressage):
   a. If a class is continued during the same session or a succeeding session of the competition, the judge along with the steward(s) and management will decide:
      1. to hold the class over in its entirety in which case no scores credited in the first session will count, or
      2. to recommence the class where it was interrupted.
      3. In the case of a hunter classic, or a two round class and one round is complete; it may be decided to pin the class with the first round scores.

6. Jumper:
   a. A Jumper Class that Management decides to postpone due to storm, accident, or emergency per GR832.1 may be combined with a subsequent class in the same section with the prize money of the postponed class added to the prize money of the subsequent class. Management must make this decision prior to the first horse competing in the postponed class. The start fee for the postponed class will be added to that of the subsequent class and must be refunded to those declared competitors of the postponed class who choose not to declare for the combined class.
   b. In a jumper class which has reached the jump-off stage when the class is stopped, only those competitors involved in the jump-off need compete in the succeeding session. Jumper classes scored under Table II, Sec. 2b or 2c, Table IV, Sec. 4b or 4c or Table V Sec. 2b or 2c must be held over in their entirety unless the competition is continued over the original course at a later session, in which case the class shall continue from the point where it was stopped and scores earned by horses which have already competed shall stand.

7. Dressage: If it becomes necessary to interrupt a dressage competition for any reason, the unfinished portion may be recommenced and rescheduled for the same or following day at the option of the Show Committee or Competition Management with the Ground Jury’s consent. All scores recorded before the interruption will stand. When classes are re-commenced after a delay on the same day, competitors must be given at least 30 minutes’ notice of the starting time. Exhibitors whose ride times are changed to or on a subsequent day as a result of an interrupted competition or inclement weather conditions, must be individually notified at least two hours prior to a rescheduled ride time.

9. Reining: If it becomes necessary to interrupt a reining competition for any reason, the unfinished portion may be recommenced and rescheduled for the same or following days at the option of the Show Committee or Competition Management and the judge(s). All scores recorded before the interruption will stand.

10. Western Dressage: see GR832.7.

11. Endurance: See EN115 BOD 6/22/20 Effective 12/1/20

GR833 Time-Out

A suspension of judging which may be requested by a competitor or directed by the judge(s).

1. A competitor is entitled to request a time-out for a period not to exceed five minutes in aggregate in order to make obvious adjustments or to repair broken equipment or to rectify a similar condition, or to replace a shoe (See GR804). (Exception: Arabian Hunter, AR108 and HU119; Arabian Jumper, AR108; Dressage, GR833.9 and DR122.7j; Jumper, JP136.6; Hunter/Jumping Seat Equitation, EQ108.4; Reining, RN103.5g; Vaulting, VA111). Time-outs are not allowed in Western Dressage or Endurance. BOD 6/22/20 Effective 12/1/20
2. If division rules allow a competitor to call for a time-out, the competitor may call only one time-out per class (Exception: Paso Fino and Welsh where a competitor may request a time-out no more than two times.) The penalty for exceeding the allowed time out(s) is for the entry to be eliminated.

3. To request a time-out for any such emergency, the competitor must go to the center of the ring (if possible) and or be acknowledged by the judge. The announcer will declare that a request for time-out has been made and permission granted; time will be taken from the moment such announcement is made.

4. If a horse casts a shoe in a class, time starts (after weighing, measuring and/or gauging has concluded, if applicable) when the farrier or his assistant touches the shoe or the horse. No more than three minutes will be allotted to find a shoe; if the shoe is not found, the exhibitor may elect to continue or withdraw. If a horse is removed from the ring for the purposes of shoeing, the steward or judge shall accompany and remain with the horse until it is returned to the ring or eliminated from the class.

5. Two attendants are permitted in the ring to assist a competitor during his/her time-out. If at the expiration of five minutes the repair has not been made, the competitor may proceed as is or be eliminated.

6. The steward or judge is responsible for timing unless an official timer is present.

7. Competitors who are not involved in a time-out may make minor adjustments that can be performed with the assistance of one attendant and not be charged with a time-out. Minor adjustments do not include replacing shoes.

8. At any time the judge(s) considers it necessary he/she may call for a time-out. Said time-out may be charged to a competitor that, in the judge’s opinion, is responsible for the suspension of judging as long as the competitor is so informed by the judge prior to calling the class back to order.

9. None of the above apply to the Eventing, Dressage, or Driving divisions; see specific division rules. Time-outs are not permitted in the Dressage or Western Dressage division.

10. In the Saddlebred division:
   a. In classes in which competitors compete collectively, after the previous class has exited the ring, the show ring has been cleared, and the officials are ready to continue with the competition, Competition Management may allow 5 minutes to replace a shoe or repair equipment outside of show ring, and a time-out will be charged to the competitor. The time-out will be officially timed by a steward, management, or paddock master.
   b. Prior to commencement of the class, the individual responsible for timing the time out outside of the ring must communicate the back number of that entry to the judge(s) officiating.
   c. Once the gate opens and the first entry goes into the ring all further time outs for that class must be taken in the ring as indicated in GR833.4.

SUBCHAPTER 8-E SCHOOLING

GR834 General

1. A Licensed Competition must provide a sufficient area for schooling horses. A separate schooling area must be provided for each ring.

2. Adequate lighting must be provided in schooling areas used after dark.

3. In addition to the official schooling area, competitions should designate an exercise area.

4. Competitions offering A rated sections other than hunter and jumper must provide an exercise area at least 80’ by 200’ or its equivalent. If, due to space limitations, a competition does not have an adequate schooling area or a competition offering an A rated section cannot provide the required exercise area, one ring must be open for a minimum of 5 hours within each 24-hour period. Adequate lighting must be provided.

GR835 Designated Areas

Schooling over obstacles in the ring or over any part of an outside course is permitted only at the time designated by the Show Committee or Competition Management. A schooling area must be provided prior to and during trail classes with enough elements to adequately school a trail horse.

GR837 Hunter
1. Schooling areas for hunters must contain adequate hunter-type fences. A trotting fence, a vertical and an oxer are required. See also HU Appendix A.
2. It is recommended that separate schooling areas be provided for hunters. A separate schooling area and jumps should also be provided for ponies.
3. A supervisor of schooling must be appointed for the schooling area designated for hunters if the area is less than 20,000 sq. ft. in size or more than 500 horses are entered in the competition.
4. Competition Management is responsible for providing a Category 1 Steward or Certified Schooling Supervisor to supervise schooling in the Hunter schooling area during any Hunter class offering $10,000 or more in prize money.
5. The Category 1 Steward's or Certified Schooling Supervisor's decision regarding schooling fences, or tack and equipment in the warm-up area is final.

GR838 Jumper (See also JP103 and Appendix A)

SUBCHAPTER 8-F WELFARE OF THE HORSE

GR839 Cruelty to and Abuse of a Horse
1. Cruelty to or the abuse of a horse present on the grounds of any Licensed Competition is forbidden, constitutes a violation under Chapter 7, and renders the offender subject to penalty. The Show Committee, or Competition Management in the absence of a Show Committee must bar violators from further participation for the remainder of the competition. It is the duty of the competition officials to report to the Federation any person who indulges in this practice for such further action as may be deemed appropriate.
2. Any person or trainer, as defined by Federation rules, who presents for competition a horse that exhibits signs of recent cruelty or abuse will be subject to penalty under this rule.
3. The Federation or the Judge, Steward, or TD may appoint a veterinarian to inspect any animal on competition grounds or entered to compete. Refusal to submit an animal for examination by an authorized veterinarian after due notification shall constitute a violation.
4. The following are included under the words Cruelty and Abuse but are not limited thereto:
   a. Excessive use of a whip on any horse in a stall, runway, schooling area, competition ring or elsewhere on the competition grounds, before or during a competition, by any person. Except in emergency situations, any striking of the horse's head (on the poll and forward of the poll) with the whip shall be deemed excessive.

o. Soring and/or the use of an action device on any limb of a Tennessee Walking Horse, Racking Horse, or Spotted Saddle Horse (each a breed not recognized by the Federation) in any class at a Federation Licensed Competition is prohibited. An action device is defined by the USDA as any boot, collar, chain, roller, or other device that encircles or is placed upon the lower extremity of the leg of a horse in such a manner that it can rotate around the leg or slide up and down the leg so as to cause friction or strike the hoof, coronet band, fetlock joint or pastern of the horse. (Protective bell boots or heel boots are specifically excluded from this definition). The use of a weighted shoe, pad, wedge, in conjunction with a hoof band or other device or material (commonly referred to as a performance package) placed on, inserted in, or attached to any limb of a Tennessee Walking Horse, a Racking Horse, or Spotted Saddle Horse (each a breed not recognized by the Federation) constructed to artificially alter the gait of such a horse, and which are not protective or therapeutic in nature, at a Federation Licensed Competition is prohibited.

Such action(s) could include, but are not limited to excessive use of the whip or spurs.

For the purposes of this rule, the term “soring” is defined by the Horse Protection Act, 15 U.S.C. §1821.

**GR840 Attention Getting Devices**

Attention getting devices and/or other noisemakers (including but not limited to tape measures, blow horns, altered bamboo poles, explosives, etc.) are not allowed in and around the make up/schooling/warm-up and competition rings during scheduled competition sessions. Animals with complete loss of sight in either eye may be found serviceably sound at the Judge’s discretion, except in a class over fences where a Judge may ask a rider to change horses.

Exception: Andalusian (see AL101.14), Dressage, Driving, Eventing, Equitation, Hunter, Jumper, Reining, Vaulting, and Western classes, in which specific rules prevail. In the event of a fall of a horse in any Hunter, Jumper, or Hunter/Jumper equitation seat competition ring at a Federation licensed Hunter, Jumper, or Hunter/Jumper competition, the judge shall notify a steward, regardless of whether an EMT is called, and the steward must include the details of the incident on his report to the Federation. **GR843 Mandatory Necropsy**

This rule applies to fatalities of horses/ponies. For purposes of this rule, a “fatality” is defined as a death by any means including euthanasia at any time from when entries arrive at the venue until departure from the venue or a
death by any means including euthanasia at any time occurring as a result of any fatal injury or illness sustained during a Licensed Competition or after a Licensed Competition where such fatal injury or illness is related to the horse’s participation in the Licensed Competition.

1. The trainer, as defined by Federation rules, or the owner if the trainer is unavailable, or the rider if the trainer and owner are both unavailable, shall notify the Steward/Technical Delegate as soon as possible but no later than one hour after such occurrence of any fatality of a horse or pony. When a fatality occurs outside of competition hours or before the competition begins, notification must occur as soon as possible but no later than one hour after the Steward/TD reports to the show or returns to duty.

2. The Steward/TD shall report to Competition Management and the Federation as soon as possible but no later than 24 hours after the incident.

3. If a Federation appointed testing veterinarian is not available, at the Federation’s cost, the Steward/TD shall ensure that the appointed Competition Veterinarian collects urine and blood samples at the earliest opportunity and submits the samples for analysis to the Federation’s laboratory.

6. A gross post mortem examination must be carried out in all incidents of euthanasia or fatality, except where the nearest Veterinary Pathology laboratory is further than 200 miles from where the equine fatality or euthanasia occurred. If a horse is uninsured or a post mortem is not required by the owner’s insurance, the Federation will cover the cost of the gross post mortem and transport costs to the appropriate veterinary facility, up to a maximum in total of $1,000.00, unless a greater amount is pre-approved by the Federation should the circumstances warrant. If the Federation covers the cost of the post mortem and the relevant post mortem report is provided to the owner’s insurance, the Federation will only be responsible for half of the cost of the post mortem up to a maximum in total of $500.00. If a post mortem is required by the owner’s insurance, at no cost to the Federation, the horse’s owner shall provide the Federation a copy of the post mortem report within 24 hours of receipt of such report.

7. In certain circumstances, as approved by the Chief Administrator of the Federation’s Equine Drugs and Medications Program, who may be contacted at 1-800-633-2472, a necropsy may not be warranted.

8. The Federation Chief Administrator of Equine Drugs and Medications Program must be consulted by the horse’s owner and in prior agreement for any further diagnostic investigations, such as histopathology, unless required by the owner’s insurance. Within 12 hours of the horse leaving competition grounds, Competition Management shall provide the Federation Equine Drugs and Medications Program with the contact details of the applicable Veterinary Pathology laboratory.

9. The owner shall provide the preliminary and final reports of any post mortem to the Federation Equine Drugs and Medications Program within 24 hours of the pathologist completing their report or the owner’s receipt of the report, but no later than 7 days after the Horse’s death.

10. The cause of death and, if relevant, the method of euthanasia should be included in the Post Mortem Report.

11. The Competition and/or treating veterinarian shall submit all information regarding any substance(s) administered to the horse prior to or during competition and before or during death or euthanasia using the Equine Drugs and Medications Report Form to the Federation Equine Drugs and Medications Program within 12 hours.

**GR844 Poling**

Manual poling, or the use of offsets, is prohibited on competition grounds.

**GR845 Equine Vaccination Rule**

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be
per the vaccine manufacturers’ or veterinarian’s recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

SUBCHAPTER 8-G SAFETY PREPAREDNESS AND REPORTING

GR846 Accident Preparedness Plan

1. All competitions must have in place, prior to the start of the competition, an accident preparedness plan. In addition, all competitions must have in place an isolation protocol for horses. Competitions must report to the Chief Administrator of the Drugs & Medications Program, within 24 hours, any horse identified to Competition Management as showing symptoms of infectious disease, put into isolation at the competition, or that departs the competition to receive treatment for a potential infectious disease. BOD 6/22/20 Effective 12/1/20

2. Competition Management is responsible for ensuring that all appropriate competition officials and competition staff are advised of the accident preparedness plan and isolation protocol for horses, and that they are distributed accordingly.

3. The accident preparedness plan and protocol must be given to the Steward or Technical Delegate prior to the start of the competition.

4. The Steward or Technical Delegate shall submit a copy of the accident preparedness plan and protocol to the Federation along with his/her Steward or Technical Delegate report.

5. At a minimum, the accident preparedness plan must include:
   a. Emergency call/radio priority protocol;
   b. List of emergency telephone numbers and directions to the competition that can be relayed to offsite responders; and

GR903 Preliminary Correction Service

A draft of a prize list may be sent to the Federation for advance corrections and suggestions, provided two copies are submitted and at least two weeks are allowed to make a thorough analysis. There is no fee for this service for competitions in their first two years of membership; but thereafter a fee will be charged. The fee must accompany the two drafts.

GR904 Changes in Prize List

If the prize list must be changed after it has been distributed to potential exhibitors the following procedures must be followed. Notification of specific changes to a prize list must be made to the Federation and exhibitors via email or mail as well as being posted on a competition’s website. This will serve as notification for the requirements of this rule. In the cases where electronic communication is not available, then notification must be made as specified under this rule.

1. If errors are discovered or changes made up to 10 days prior to the closing of entries, notify potential exhibitors in writing of the specific changes.

2. If errors are discovered or changes made after that date, notify exhibitors on receipt of entries, and in writing when they arrive at the competition of the specific changes.

3. If classes are omitted or premiums decreased, notify only affected exhibitors 5 days prior to the competition in writing, by e-mail or by wire, thereafter these classes cannot be reinstated. In this instance, entry fee refunds must be given in all cases. (For Jumper Division, see JP108.2)

4. If classes are added or premiums increased, unless required under division rules, notify potential exhibitors in writing, by e-mail or by wire at least 5 days prior to the competition. Post entries must be accepted in such classes without a post entry penalty fee.

5. If the change in (3) or (4) adds a new division or section or alters a division’s or section’s rating, permission therefore must be obtained from the Federation at least 30 days prior to adoption.

6. Competitions are allowed to add additional classes from the following divisions as competition management deems necessary: Andalusian/Lusitano, Arabian, Connemara, Friesian, Hackney, Morgan, National Show Horse, Roadster, Paso Fino, Saddle Seat Equitation, American Saddlebred and Shetland. Unrated Hunter classes may be added as competition management deems necessary. If classes are added less than 5 days prior to the competition (See GR904.4), competition management must advise exhibitors of the additions upon check in, post notices in the competition office, and make the appropriate announcements during the competition.
GR905 Entry fees

An established entry fee figure must be clearly stated in the prize list for all Hunter classes. Once that figure has been printed it may not be changed regardless of the number of entries shown.

SUBCHAPTER 9-B ENTRY BLANKS

GR906 Requirements

1. The entry blank of each Licensed Competition must contain the name, age (if nine years or over, the term aged may be used), sex, color and in case of all horses four years old or over, the height of each horse entered in any class. This information is not required for Four-in-Hand, Team, Collection, Championship and other classes in which the conditions state that the entry need not be named.

2. For disciplines recognized by the FEI at non-breed-restricted events, the entry blank of each Recognized competition must contain the citizenship of the riders, drivers and vaulters.

3. The entry blank must contain a space for an emergency contact phone number.

4. The entry blank or prize list of each licensed competition must contain the following statement ("Federation Entry Agreement"), printed as below; failure of a Licensed competition to print this rule on every entry blank or prize list and to require that the entry blank be signed constitutes a violation of the rules and the competition is liable to penalty under GR707. If the Federation Entry Agreement is printed only in the prize list, the entry blank must contain the following abbreviated statement in lieu of the entire rule:

Federation Entry Agreement

I have read the United States Equestrian Federation, Inc. (the “Federation”) Entry Agreement (GR906.4) as printed in the Prize List for [insert name here] (“Competition”) and agree to all of its provisions. I understand and agree that by entering this Competition, I am subject to Federation Rules, the Prize List, and local rules of the competition. I agree to waive the right to the use of my photos from the competition, and agree that any actions against the Federation must be brought in New York State.

The complete statement is as follows:

FEDERATION ENTRY AGREEMENT

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulter or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the “Federation”) and the local rules of the competition.

I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules.

I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered.

I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cable-casts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation.

The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.
SUBCHAPTER 9-C SUBMISSION, ACCEPTANCE, AND REFUSAL OF ENTRIES

GR907 Requirements

1. When Entries are based strictly on a first-come, first-served basis: if the prize list restricts entries to mailed entries it must specify that entries may only be received by mail postmarked on or after a specified date which must be at least two weeks subsequent to the issuance of the prize list; if entries are to be made by other means (e.g. by hand, by fax, email or other electronic submission) that must be clearly specified in the prize list together with the earliest date for receipt which must be at least two weeks subsequent to the issuance of the prize list; competition management must maintain and make available for examination accurate records regarding proof of receipt of entries (e.g. postmarks, fax, email and other electronic transmittal records, hand delivery receipts); the prize list must further specify that entries will be accepted based solely on the priority of receipt of entries, and that ties regarding entries received at any time on the same day will be broken by lot on a date, time and location specified in the prize list with the right of any potential entrant to be present in person or by representative at the drawing of lots.

2. In Breeding classes (except Dressage/Sport Horse Breeding), provided a stud book exists for the horse in question, each horse must be registered in the recognized stud book of the breed and its registered number, sire and dam must be given on the entry blank. Horses competing in Dressage Sport Horse Breeding (DSHB) classes are not required to be registered with any stud book, but if a horse is registered with any breed, the name of the breed, sire, dam, dam sire and breeder must be given on the entry blank. For unregistered horses competing in DSHB classes, the above information is strongly recommended, if available.

3. Horses over two years of age must be named and the same name must be listed in all classes except those that permit nominations after the close of entries. If a horse has been recorded it must be entered under its original recorded name unless the name has been officially changed under the provisions of GR1101. It must also be entered under the name of the owner or lessee of record, or of the registered exhibitor name, which must appear in the catalogue. When entered by an agent, the owner’s name or lessee’s name must also be given.

4. Misrepresentation of a horse’s identity, name, height, age, eligibility for the class, registered or recorded number or other information on an entry blank for the class in question results in the exhibitor’s forfeiture of any ribbon, trophy, cash prize or other award won by such misrepresented or substituted animal. For Dressage Competitions, any documentation such as negative EIA certification that is required for entry to a competition must list the same horse name and description as is listed on the entry blank and on the USEF horse identification or recording documents. The exhibitor is liable for further penalty as described in GR703.

5. Misrepresentation of the identity of the trainer responsible for the training, custody or performance of a horse by any person shall constitute a violation of the rules (see also GR148).

GR908 Agreement

1. Every entry at a Licensed Competition constitutes an agreement that the person making it, owner, lessee, trainer, manager, agent, coach, driver, rider, handler, vaulter, longeur, and the horse are subject to the Bylaws and the rules of the Federation and the local rules of the competition. Exhibitors are cautioned to abide by restrictions concerning exhibiting horses before judges as provided for in GR1304. Participants utilizing an online entry system for a Licensed Competition do so with the agreement that they have read the Official Prize List and agree to follow all the class specifications, requirements and conditions in the Official Prize List.

2. Every exhibitor, rider, driver, handler, vaulter, longeur, coach and trainer or his/her agent(s) must sign an entry blank. In the case of a rider, driver, handler, vaulter or longeur under the age of 18, his/her parent or guardian, or if not available, the trainer, must sign an entry blank on the minor’s behalf. Unless specifically provided otherwise by law, any of the above persons may alternatively sign an entry blank in electronic form which shall have the same validity, force and effect as a signature affixed by hand. If any of the above persons fails to do so, his/her first entrance into the ring as an exhibitor, rider, driver, handler, vaulter or longeur shall be construed as his/her acceptance of the rules of the competition involved and of the Federation and shall ipso facto render him/her subject to said rules. Upon the failure of an owner, trainer, rider, driver, handler, vaulter, longeur, coach or agent(s), or parent or guardian or trainer of a minor rider, driver, handler, vaulter or longeur, to sign an entry blank as required, and upon confirmation of any such violation(s) by the steward or secretary of the competition, such person(s) shall be subject to an automatic fine of $250 imposed for each such violation.
3. Violation of the rules in connection with entries may be cause for disqualification of the exhibitor, rider, driver, handler, vaulter, longeur, coach and trainer by the Directors of the Licensed Competition (see GR1218.4) and for report to the Federation.

4. The Federation, incorporated in 2003, is a New York Not-For-Profit corporation. Pursuant to Chapter 6, the construction and application of Federation rules are subject to the laws of the State of New York. It is expressly agreed by and between the Federation and its members and any other persons in any way participating or in any way seeking to participate in a Licensed Competition or otherwise utilizing or seeking to utilize the privileges or services of the Federation, that any lawsuit (except for an arbitration pursuant to Bylaw 705 of the Federation) brought against the Federation by or on behalf of any such member (whether or not still a member at the time such suit is brought), or by or on behalf of any such person, shall be commenced and adjudicated only in the United States District Court for the Southern District of New York or in the Supreme Court of the State of New York, County of New York, to the exclusion of the courts of any other jurisdiction or venue.

5. The entry blank of each Licensed competition must contain the following USEF RELEASE as printed below, in an easily visible location, separated from any other language on the entry blank, and appearing immediately above or next to the required signatures as specified in GR908.2. No other material may come between this RELEASE and the required signatures.

6. All USEF fees appearing on the entry blank must be grouped together in one section of the page, preferably in a box separating them from other fees.

**Release, Assumption of Risk, Waiver and Indemnification**

This document waives important legal rights. Read it carefully before signing.

I AGREE in consideration for my participation in this Competition to the following:

I AGREE that “the Federation” and “Competition” as used herein includes the Licensee and Competition Management, as well as all of their officials, officers, directors, employees, agents, personnel, volunteers and Federation affiliates.

I AGREE that I choose to participate voluntarily in the Competition with my horse, as a rider, driver, handler, vaulter, longeur, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death (“Harm”).

I AGREE to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results, directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse while at the Competition.

I have read the Federation Rules about protective equipment, including GR801 and, if applicable, EV114, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries.

If I am a parent or guardian of a junior exhibitor, I consent to the child’s participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child’s behalf.

I represent that I have the requisite training, coaching and abilities to safely compete in this competition.

I AGREE that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

BY SIGNING BELOW, I AGREE to be bound by all applicable Federation Rules and all terms and provisions of this entry blank and all terms and provisions of this Prize List. If I am signing and submitting this Agreement electronically, I
acknowledge that my electronic signature shall have the same validity, force and effect as if I affixed my signature by my own hand.

SEE PRO FORMA AT END OF THIS RULE

GR909 General

1. Entries must be made in writing and signed by the (1) exhibitor (2) the rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable, or by the agent(s) of such person(s) and must be accompanied by funds to cover entry fees, stall fees and Federation fee (see GR208.1). In the case of a rider, driver, handler, vaulter or longeur under 18, his/her parent or guardian, or if not available, the trainer, must sign an entry blank on the minor's behalf. Or: by transmitting the required entry data to a designated collection agent via the internet, accompanied by a valid credit card payment to cover entry fees, stall fees, Federation fee (see GR208.1) and applicable processing fees, and including the name(s) of the (1) exhibitor, (2) rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable. The secretary of the competition will accept such an entry as complete (see a.1 below).

   a. In the case of on-line entries, no competition number will be issued until the Competition Secretary has received an entry form, the signatures of the (1) exhibitor, (2) the rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable, or of the agent(s) of such person(s). In the case of a rider, driver, handler, vaulter or longeur under 18, his/her parent or guardian, or if not available, the trainer must sign an entry blank on the minor's behalf.

   b. Submission of on-line entry accompanied by a valid credit card or other type of electronic payment shall be construed to be acceptance by the person(s) named in the entry of the provisions of GR906-GR908 and GR911-GR914.

   c. Electronic signatures on an entry form and in online entry systems must be submitted and accepted in compliance with applicable laws in the location where the competition is held.

2. In the event that a catalogue contains a statement as to an entry not in accordance with the exhibitor's original entry blank, it is the duty of the Show Committee or Competition Management to take all steps necessary, including public announcement, to correct the error, giving precedence to the exhibitor's entry blank and not the catalogue in error, as authority.

3. In the Dressage or Western Dressage Division and for open dressage or western dressage classes at Regular and Local Competitions, all entries received by the closing date of entries shall be acknowledged by the competition secretary. (Note: This would include DSHB, but not breed-restricted dressage classes.)

GR910 Post Entries

1. Post entries are any entries made after the advertised closing date.

2. Post entries should not be encouraged in classes listed in the prize list since this practice often results in unfair competition, confusion during the competition, inability to collect the proper fees, extreme difficulty in recording winnings of horses not listed in the catalogue and disruption of the time schedule. Furthermore, the exhibitor and his horses are worthy of having their names in the program. In the interest of good sport, a Show Committee or Competition Management is strongly urged to require that entries be made in advance and printed in the catalogue. This does not apply, however, to classes in which the prize list states that post entries will be accepted, such as pairs of saddle horses, hunt teams, etc.

3. When a Licensed Competition does not accept post entries it must be stated in the prize list and no exceptions can be made.

4. When a Licensed Competition does accept post entries it must be stated in the prize list and post entries can only be accepted prior to the starting of the class and upon signature of exhibitor or his agent and trainer.

GR911 Substitutions

1. Substitution of a horse may not be made after the announced date of the closing of entries, except in classes where more than one horse represents an entry (i.e., Pairs, Teams, Tandems). In such cases substitution of one horse may be made provided a veterinarian's certificate of disability is submitted. (Exception: Friesian) (Local Competitions exempt).
2. If a horse is sold or injured after the closing of entries, Competition Management may allow an exhibitor to post enter another horse in the same class but the new entry must be given another number.

3. Substitution of a rider or driver or longeur may be made during a class only under the following conditions:
   a. in case of injury to or illness of the original rider or driver or longeur;
   b. in a Combination class unless the prize list states that the same rider or driver is required for the entire class;
   c. in a Reining division when one rider may show several horses in the individual workout. See RN101.5.

4. Substitution of rider is not allowed in Equitation classes.

GR912 Cancellation and Withdrawal of Entries

1. A Licensed Competition may adopt its own policy covering the refunding of fees to an exhibitor who cancels his entries after the official closing date and prior to the competition’s beginning. If a Licensed Competition does not specify its refund policy in the prize list, refunds are required to be made for entries cancelled before the competition begins, upon written request by the exhibitor within 30 days of the competition.

2. A Licensed Competition can set the penalty governing an exhibitor who is permitted to cancel his entries or withdraw from the competition. Such penalty applies only at the competition in question. See GR1305.

3. Competition management must refund any entry fees, (stabling and processing fees exempted) paid in advance by an exhibitor for any horse(s) which is subsequently named to an official US team, participation on which will prevent him/her from competing in that competition.

4. After the competition starts, if a rider is unable to compete due to illness or injury, class fees will be refunded upon presentation of a doctor’s certificate unless otherwise stated in prize list. Stall fees and office fees need not be refunded.

GR913 Unpaid Entries

1. Any Competition Licensed or endorsed by the Federation which accepts entries without the payment of the required fees, does so at its own risk and the Federation will not be responsible for the collection of fees (See also GR1213.10). However, if a person makes payment for fees which is not negotiable, the Licensed Competition, after first contacting the individual at least once in writing (with delivery confirmation), may report the name and address of the person in writing to the Federation within 150 days of notification of denied payment, (See GR1213.1) giving the names of the horses and the names and complete addresses of the owners for which the non-negotiable funds were to cover, a copy of the entry blank, a copy of the front and back of the check or receipt with credit card information and signature, and a copy of the delivery confirmation showing the competition’s attempt to notify the individual of the non-negotiable payment. The amount of all fees for each horse must be itemized. On receipt of such notice, the Federation will notify said person, of his or her indebtedness to the competition as well as the imposition of a processing fee payable to the Federation. If the person fails to make settlement with the competition and/or the Federation within 30 days from the date of the notice from the Federation, he or she will be fined the additional sum of $250 payable to the Federation and he or she and any horses owned by him or her and any horses and/or persons for which the non-negotiable sums have been paid will automatically be barred from taking any part whatsoever in any competition Licensed or endorsed by the Federation until settlement is made both of indebtedness to the competition and to the Federation. If the indebtedness to the competition is paid within thirty days of the notice from the Federation and only the $50 processing fee is not paid to the Federation within that timeframe, the Federation will assess a $250 fine and the suspensions as referenced above will remain until the debt to the Federation is paid in full. Publication of the suspension will be published on the Federation’s website. Exception: Persons who are engaged to compete on horses owned by individuals with whom they have no current business relationship regarding the ongoing training, care, custody, or control of the horse are not responsible for indebtedness under this rule provided that said persons have not tendered the non-negotiable payment.

2. If the person disputes that the amounts in question are owing or unpaid, he or she may request a review of these issues before the Co-Chairs of the Hearing Committee or their designees provided a written statement specifying the grounds for a procedural review, accompanied by a fee (which will be refunded if the dispute is settled in favor of said person) is received at the Federation’s office within said 30 day period. The Co-Chairs of the Hearing Committee or their designees are the only body that can waive the fines assessed as the result of this rule.

3. In the event a person is reported three or more times for making unnegotiable payment for entry fees, etc., to any competition Licensed or endorsed by the Federation, he is, after a hearing, subject to further disciplinary action.

GR914 Refusal of Entries

1. In addition to entries of persons suspended or expelled from the Federation, a Licensed Competition may refuse any entry of an exhibitor or the participation of any agent, trainer, rider, driver or handler who has shown an objectionable attitude or behavior at a Licensed Competition or towards its management, which management is able to substantiate, or previous un sportsmanlike behavior at a Licensed Competition which management is able to substantiate.

2. A competition licensed by the Federation and an affiliate association may refuse the entries of horses and riders in Maiden, Novice, Limit and Green classes if they are ineligible under the rules of the Affiliate Association, except for:
   a. A class open to horses in a specified area (Examples: State Championship, New England Championship, and Kentucky-bred horses).
   b. A class where the winnings form part of a total score in a competition for a trophy,
   c. Classes in which the identical award may also be competed for at another Licensed Competition.
   d. Classes counting for USEF Horse of the Year Awards.

3. If a horse is withdrawn or eliminated from competition during a horse inspection at any FEI licensed competition, it is prohibited from competing at any concurrently held Federation licensed competitions within 48 hours following the FEI Horse Inspection.

GR915 Limiting Entries

For Hunter and Jumper competitions see HJ124 - 125.

1. Management can limit the number of horses entered by an owner and the number of horses ridden by a rider.

2. Any competition that sets restrictive criteria for accepting entries and/or offers classes or events which are part of a league, series or other ranking or award system must do so by meeting the applicable requirements described below:
   a. Based strictly on a First-Come, First-Served basis (See GR907.1) under this method the prize list must be distributed at least two weeks prior to close of entries to any person requesting a prize list as well as at least three times the number of potential entrants as there will be entries accepted.
   b. Qualification based only on winnings or participation: (i.e., ribbons and/or prize money or dressage scores during a specified time period, of at least eight (8) consecutive weeks duration, established by Competition Management and published in the prize list or otherwise prior to the end of the specified period. (See applicable breed/discipline rules for further requirements under this rule).
   c. By Council Approval: Any other competition wishing to set restrictive criteria for accepting entries other than as specified above must make written application to the applicable Council, accompanied by a nonrefundable fee, at least 120 days prior to the event detailing the criteria being requested. The Federation office may refer the application to the appropriate discipline or other committee for its recommendation regarding the application prior to the application and any recommendation being considered by the Council. The Council will consider such recommendations and may approve any such applications in its discretion and may condition any such approval in its discretion, and must require, if approved, that there be publication in the prize list or otherwise of such restrictive criteria sufficiently in advance of the closing date of entries, where appropriate, for all interested to have a fair opportunity to enter. The foregoing provisions do not apply to national championships, qualifying events for national championships, and any other events with selection criteria approved by the Board of Directors.

3. Leagues, Series, and Finals:
   a. Definitions:
      1. “Finals” means any championship, trophy or other award final, league final or other final class or final event with entries based upon the outcomes of earlier contests.
      2. “System” means classes or events which are part of a league, series, ranking/tracking lists or championship, final trophy or other award system, whether or not generated or tracked by a computer program or otherwise.
   b. All of the following requirements must also be met:
      1. The league or series must be run under the auspices of either a Recognized Affiliate or an Alliance Partner of the Federation.
      2. All the qualifying classes must be held at licensed competitions or at competitions recognized by a Recognized Affiliate or an Alliance Partner of the Federation.
      3. The league or series must award the qualifying classes to licensed competitions on an equal basis. If a licensed competition meets the requirements to hold a qualifying class and wishes to do so, it must be given the opportunity.
4. The organization or individuals financially responsible for the system must be USEF Members, Federation Recognized Affiliates, or Federation Alliance Partners and must agree to be bound by and comply with all applicable Federation rules in the conduct of the system and its application in the league or series.

5. If there is an award category for classes in the league or series and the above requirements are met, HOTY points will be awarded for the qualifying classes and for the finals held at licensed competitions.

6. If the finals of a league, series or other ranking system are not held at a licensed competition, HOTY points for the finals will not be awarded.

GR916 General Conditions

Except as permitted by the FEI for FEI recognized classes, all entries at a Licensed Competition must be on the same basis. A competition cannot give free or reduced entries, free or reduced transportation or other expenses to one exhibitor unless the same privileges are extended to all exhibitors in the same section or subset of competitors. The requirements to obtain these privileges must be advertised to all potential exhibitors. No fees may be imposed that are not listed in the prize list.

United States Equestrian Federation, Inc. Entry Agreement

I have read the United States Equestrian Federation, Inc. (the “Federation”) Entry Agreement (GR906.4) as printed in the Prize List for this Competition and agree to all of its provisions. I understand and agree that by entering this Competition, I am subject to Federation Rules, the Prize List, and local rules of the competition. I agree to waive the right to the use of my photos at the competition, and agree that any actions against the Federation must be brought in New York State.

I AGREE to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results, directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse while at the Competition.

I AGREE that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

GR1043 Clinic and Officiating Requirements
CHAPTER 10 LICENSED OFFICIALS

SUBCHAPTER 10-A APPLICATION PROCESS

GR1001 Duties

The Federation will act upon every completed application for enrollment, annual renewal, promotion, recommendation to the FEI, and change of status of judges, course designers, stewards and technical delegates. The Federation will issue a license to each approved applicant. Licenses are valid for the current competition year only. Decisions of the Licensed Officials Committee are subject to the approval of the Federation.

GR1002 Applications

1. The Federation will review all applications and take an action on the application, including but not limited to an approval, denial, or administrative hold.
2. If the Federation administers the education program for a license on behalf of an Affiliate, the Federation may solicit recommendations from the applicable Breed/Discipline Committees, Recognized National and FEI Affiliates and others as it deems appropriate. If the Federation does not administer the education program for a license on behalf of an Affiliate, the Federation will not solicit recommendations from the applicable Breed/Discipline Committees, Recognized National and FEI Affiliates, or others. The Federation may consider any recommendations received, along with competition reports, Licensed Officials Evaluations, and any other relevant information submitted to the Federation, whether solicited by the Federation or submitted by the Recognized Affiliate or others deemed appropriate.
3. In the Federation’s sole discretion, unless warranted, applications will not be denied outside of an applicant’s failure to meet the minimum licensing requirements, as outlined in the Federation’s Licensed Officials Policies and Procedures.
4. The Federation may in its discretion revoke a current license, place a license on probationary status, reduce a license by one level, temporarily suspend, or refuse to renew an official’s license at its expiration following a hearing with at least ten days written notice to the official in question who shall have the right to appear, to be represented, and to bring witnesses. The Federation shall issue its written ruling specifying the substance of the Federation’s reasons for said decision. The Federation may consult with the applicable Recognized National or FEI Affiliate before taking a final action.
5. The Federation, in its discretion, may reinstate an official who has allowed his license to lapse for one year or may require him to reapply.
6. All applications whether for enrollment, renewal, promotion, change of status, or recommendation to the FEI shall contain a statement to be signed by the applicant, indicating that the applicant has read and understands the rules governing the application process, and agrees to be bound thereby.

GR1003 Review

1. Any person whose application for enrollment, renewal, promotion, change of status, or recommendation to the FEI has been denied or whose license has been revoked, placed on probationary status, reduced by one level, or temporarily suspended may request a review by the Licensed Officials Committee to reconsider the decision. The request must be in writing and mailed to the Federation within 30 days from receipt of the written ruling of the Federation sought to be reconsidered and accompanied by a check payable to the Federation, which is non-refundable.
2. A written notice to all parties will be issued within ten days of the request for review. The notice shall contain a brief statement of the facts regarding the position of the Licensed Officials Committee and shall specify the time and place at which the review is to be held. The person requesting the review may attend and may bring witnesses, sworn statements, or other evidence on his behalf. Upon the written request of a representative of the Licensed Officials Committee or the person requesting the review, there shall be furnished before the Committee any evidence to be introduced, the names of witnesses, and the substances of their testimony.
3. Following an adverse decision by the Federation with regard to a non-renewal or revocation only, an applicant may request the Hearing Committee to review the decision or to consider a hearing de novo, provided such a request is submitted in writing within 20 days of receipt of the Federation’s decision, and accompanied by a
nonrefundable fee payable to the Federation. The Hearing Committee may review the decision based upon the record below, in which case the parties may be represented by counsel and may file briefs for the Hearing Committee's review. Or in its discretion, the Hearing Committee may hold a new hearing at which the parties shall have the right to make written submissions, to be represented by counsel, to appear in person, and to present or cross-examine witnesses. In either case, both the applicant and the Licensed Officials Committee shall be parties to the proceeding.

**SUBCHAPTER 10-B GENERAL RULES AND FEES**

**GR1004 General**

1. Any written agreement between the Federation and another National Federation regarding requirements for licensed officials shall supersede these rules.
2. With the exception of those who have been issued Guest and/or Special Cards (see GR1005, GR1011, GR1015, GR1024, and GR1025), only licensed officials in good standing may officiate at Licensed Competitions in those divisions covered by the rules and specifications of the current Rulebook.
   a. Unless stated otherwise, judges for Exhibition classes for Breed, hunter, jumper, or Western are not required to be licensed by the Federation nor is the competition required to obtain a guest card for the judge.
3. All Federation national and FEI officials must be Federation Competing Members.
4. Any Federation member who is a U.S. citizen holding a FEI license for which there is a comparable national level license must maintain the national level license with the Federation (Exception: Jumper Judges, Jumper Course Designers, and Stewards).
   a. If a national or U.S. FEI license is not properly maintained, this in itself shall be deemed sufficient basis for the Federation to recommend to the FEI that the individual be removed from the FEI list of officials.

**GR1005 Officiating Eligibility and Guest Cards**

1. A judge licensed in a division restricted to one breed may judge all classes restricted to entries of that breed even though he may not be licensed in the divisions for all types of classes offered. Exceptions:
   a. A licensed Dressage judge must judge Dressage classes.
   b. Sport Horse classes in the Arabian, Half-Arabian and Anglo/Arabian Division must be judged by Federation licensed Dressage Sport Horse Breeding (DSHB) or Hunter Breeding judges, or a Federation or Senior Equestrian Canada judge licensed in Dressage, Hunter or Jumper divisions. A guest card is not required for Federation licensed DSHB, Hunter Breeding, Dressage, Hunter, or Jumper judges. A guest card is required for Senior Equestrian Canada Dressage, Hunter, or Jumper judges.
   c. For Carriage Pleasure Driving divisions, see CP201.
   d. Refer to GR1004.17 for Western Dressage.
2. In competitions restricted to entries of one breed, (i.e. Arabian, Morgan, Friesian), a judge licensed in a specific division (i.e. Hunter, Saddle Seat Equitation, Reining) may officiate the sections at that competition in which he is licensed. In this case, a guest card is not required, nor is a Special Judges card required for recorded judges licensed in a specific division in order to judge these classes.
3. The following individuals shall comply with the background check and training requirements of the Federation’s Safe Sport Policy:
   a. All Federation Licensed Officials, including Guest Judges, Certified Eventing Cross Country Course Designers, and Certified Schooling Supervisors;
   b. All individuals seeking FEI licensure through the Federation; and
   c. Current Federation FEI officials.
4. It is the responsibility of competition management to ensure the eligibility of all licensed officials.
5. Judges licensed by the FEI are eligible to officiate in Federation Licensed Competitions in the division in which they are licensed (Exception: Vaulting). Guest Cards are not required.
   a. Dressage: See GR1005.13
6. Guest Cards and Restrictions
   a. A Guest official is a Federation Competing Member not enrolled as an official in a particular division, to whom the Licensed Officials Department may grant permission to officiate in that division upon the
request of a Licensed Competition and for that competition only. The fee is not refundable. The application must be made on the official form and accompanied by the required fee. The statement on the form that the competition holds itself responsible that the individual applied for is familiar with the Federation rules and is capable to adjudicate as requested must be signed by the competition manager.

b. Notwithstanding the above, a full membership fee is not required for Guest Cards issued for classes in which the Federation does not have division rules or license officials and the applicant is not a Federation member, provided that a Show Pass fee for each such guest official accompanies the application in addition to the guest official fee.

c. The application for a Guest Card must be received in the Federation office at least 21 days prior to the start of the competition. In cases where the Guest Card application is received prior to the competition, but less than 21 days prior, the competition must pay a processing fee. If management disputes that the application was not timely filed or that the above fee is not properly owing, it may appeal in writing to the Federation within 30 days of management’s receipt of the Federation’s notice of fee, specifying the grounds for the appeal. The Federation’s CEO or his designee, a special committee appointed by the President or the Hearing Committee will consider the appeal and may waive a part or all of the fee upon a finding of good cause why the application was not timely filed and/or a finding that extreme hardship results from the fee.

d. Guest Card applications received after the first day of the competition will not be considered.

e. Guest Cards will not be issued to anyone whose application for enrollment, re-enrollment, promotion, or change of status has been denied by the Federation in the respective division in which the Guest Card is applied for.

f. Guest Cards are required for officials with foreign national licenses provided they have Senior status with their own federation and are officiating in the division for which they are licensed by their federation.

g. Guest Cards will not be granted to any person more than twice in a lifetime in a particular division without the approval of the Board of Directors unless outlined differently in these rules.

h. There is no limit to the number of Guest Cards an official may receive for classes recognized by a national breed or discipline association and for which the Federation has no division rules and does not license judges.

i. See GR1005.7-GR1005.34 for Guest Card restrictions and limitations within each division.

SUBCHAPTER 10-H REGULATIONS GOVERNING OFFICIALS

GR1032 General

1. Failure of an official to attend a competition with which he has a signed agreement or failure to perform his duties in accordance with the rules, or to officiate in the classes to which he is assigned shall constitute cause for disciplinary action as provided for in Chapters 6 and 7, except in cases of extreme emergency.
2. Any official found guilty of cruelty to a horse or to have killed, abandoned, mistreated, neglected, or otherwise abused a horse, by an administrative agency, body, humane society, or court of law, whether such court or tribunal is civil, criminal, or administrative may have his license(s) revoked.
3. No official is to be housed in a private home unless he has agreed before the competition.
4. In the event that an official officiates at a competition where he is ineligible, the official may be penalized as described in GR703.

GR1033 Judges

1. Good judging depends upon a correct observance of the fine points and the selection of best horses for the purpose described by conditions of the class. A judge serves three interests: his own conscience, exhibitors, and spectators. He should make it clear that the best horses win.
2. When judges are required to judge independently on a multiple judge panel, each judge must meet the requirements as outlined in Rules GR1004 through GR1010.
3. Except in the discharge of their official duty, the use of cellular phones or other similar communication devices, including computers, by judges while in the ring (including center ring), judges’ box, judges’ stand, or on any part of a course during a competition is prohibited.
4. A judge is obligated to adjudicate each division, section, and class in conformity with the rules and specifications of that division, section and class as they appear in the Federation Rulebook. He is expected to be proficient in his division and to possess a thorough knowledge of the rules of the Federation.
5. The attention of judges is directed to the difference in requirements covering Maiden, Novice, Limit, Junior, Amateur, and Ladies’ classes versus Open classes. These differences must be observed in adjudicating classes.
6. The decisions of each judge constitute solely his individual preference and not as opinions of or decisions by the Federation. For decisions of a judge in regard to soundness, see GR1204.
7. Consulting with a Veterinarian
   a. Only the judge may call a veterinarian during a class but is encouraged to do so if his opinion necessitates the disqualification of an entry. The judge shall give the numbers of the horses in question and the veterinarian shall render his finding. If the veterinarian is not immediately available or not called upon, the judge’s decision as to the serviceable soundness of a horse shall be accepted for the purpose of disqualifying a horse from showing in that class and shall be final. (Exception: The decision of the judge as to the serviceable soundness of a horse in Hunter classes is final, however the competition veterinarian may be consulted.)
   b. In regard to possible whip marks, or other matters other than soundness that are pertinent to the welfare of the horse, the judge may consult with a veterinarian during a class. The final decision rests with the judge.
   c. None of the above applies to Dressage, Driving, Eventing, or Western Dressage. See DR208, EV134.8, and WD126.9.
8. When a judge is used as a referee and is called upon to break a tie, the other judges must give the ringmaster only the numbers of the two horses tied. The ringmaster will then take these to the referee who will indicate
his preference by circling the number of his choice. The ringmaster will then return this written decision to the other judges who will proceed with the remaining placements, as the breakage of a tie for one placement by the referee does not automatically place the losing contender of the tie in the next position. This procedure is to be followed for each placement in turn, as ties occur. The referee shall turn in a judge's card only when called upon to break a tie, in which case only his tie breaking decision shall be indicated on the card.

9. All placements stated in the prize list/omnibus shall be awarded, beginning with first place and proceeding in order through all placements, unless there is an insufficient number of entries or an entry is eliminated, excused, or disqualified.

10. It shall be the prerogative of the Licensee to designate a particular system of judging and to post a complete order of placement for public inspection. Judges accepting an invitation to officiate must recognize the Licensee's prerogative. Unless the Licensee designates a particular system of judging when an invitation is issued, a judge is not required to use a particular system of judging.

11. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, driver, handler, other exhibitors, or their entries.

12. A judge must order from the ring any rider, driver or handler who exhibits inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any exhibitor, their entries, or the safety of class officials.

13. When over 40 horses or riders are entered in a performance class in which horses compete together, a judge must divide the class and work it in groups of less than 40. Unless individual tests are required in the class routine, he shall bring the top contestants from each group back into the ring for final adjudication. (Exception: See AR107.8d and DR126.1a(4)).

14. In classes which have a maximum weight and/or measurement for shoes, the judge himself must immediately weigh and/or measure any shoe that is cast. In such classes the judge may not excuse an entry from the ring until satisfied that the entry has not cast a shoe.

15. In the Western and Western Seat Equitation division, when a single judge system is used, judge's cards shall be considered final and shall not be changed after the completion of the presentation of awards for that class.

16. Judges' cards and/or official score sheets are to be signed by the judge and retained (with the exception of score sheets returned to the exhibitor) as part of the competition’s official records for a period of no less than three years. Electronic signatures through a PDA or similar device used to record scores will fulfill the signature requirement.

17. In the Hunter and Hunter/Jumping Seat Equitation divisions classes may not be recommenced once the judge has signed the card.

18. Judges must commence and complete classes in accordance with GR109.

**GR1034 Stewards and Technical Delegates**

For the second offense and any offense thereafter in the same competition year, said official will be fined $250. A third offense and any offense thereafter will result in an automatic suspension from office as Steward or Technical Delegate for 90 days, in addition to the fines.
     c. Failure to pay any fine within 30 days will result in a violation of rules and the Steward/Technical Delegate will be subject to an additional late fee.
     d. If the Steward/Technical Delegate disputes that the report was not timely filed, he may appeal in writing to the Federation within 30 days of receipt of the Federation’s notice of the fine. The CEO or his designee and three members of the Licensed Officials Committee will consider the appeal and may waive a part or all of the fine upon finding of good cause of why the report was not timely filed and/or a finding that extreme hardship results from the automatic penalty. Note: only the fine may be waived. The rule violation will remain on record for the official.

CHAPTER 11 FEDERATION RECORDS AND AWARDS

SUBCHAPTER 11-A HORSE IDENTIFICATION AND RECORDING

GR1101 Horse Identification Number and Horse Identification Form

1. All horses competing in Federation licensed competitions must be properly identified. For all such competitions, entries for each horse must include either a Federation-issued Unique Horse Identification Number or a registration number from a Federation Recognized Affiliate. Additionally, a Federation Recognized Discipline Affiliate may require horses to be registered with their organization, and if so, the entry must also include that registration number.

2. The Federation will issue only one Unique Horse ID Number per horse. This Unique Horse ID number must subsequently remain with the horse in perpetuity, and shall not be changed for any reason, including upgrade from Unique Horse ID to a Recording, change of ownership, change of name, or death.

3. Prior to submitting an application for a new Unique Horse ID number, it is the owner’s responsibility to verify the current ID status of a horse through a Horse Recording/ID search, (the assistance of Federation staff may be requested). Anyone who knowingly seeks to obtain an additional Unique Horse ID Number for a horse which has previously been issued one is subject to disciplinary action.

4. The Federation must be notified of any change of ownership and/or competition name of the horse.

5. Owners are requested to notify the Federation of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.

6. A Unique Horse ID number can be upgraded to Federation recording. The Unique Horse ID Number will remain the same.

7. Applications for Unique Horse ID Numbers and/or recordings can be completed online at www.usef.org using the Horse application form which can also be downloaded. The ID application form is also available on request from the Federation office, and from competition management.

There will be no charge for Unique Horse ID Numbers that are issued via the internet to members of USEF or its affiliates for: 1) horses that are life recorded, registered or otherwise identified or listed with a USEF discipline affiliate, or 2) horses registered with a USEF breed affiliate. Horses not meeting the above criteria must have a completed USEF Horse application indicating on the application the request for a Horse ID number before a number will be issued. This form can be completed on the internet, free of charge, at www.usef.org.

GR1102 Horse Recordings

1. Using each horse’s Unique Horse ID number the Federation maintains the only official record of winnings for Federation awards, Federation ranking lists, Federation qualifying classes and Federation championships of horses at all Regular Competitions. To keep these records consistent, a horse should be recorded with the Federation in the same name of horse and owner under which it is exhibited at competitions. The Federation’s horse recording records are not a title registry and the Federation does not decide, otherwise resolve, or become involved in ownership disputes.

2. Horses must be recorded in order to be eligible for National, Regional, or Zone Horse of the Year Awards (see GR1110), and to enter a USEF Show Jumping Ranking List class. (Exception: Horses entered in a USEF Show Jumping Ranking List class that are owned by a member of another National Federation and, have proof, in English, of current membership in good standing of their own National Federation, GR901.9, item 9.)

3. Horses must be recorded in order to be eligible to compete in USEF/USDF qualifying classes for dressage championships and will not be credited with qualifying for the Regional Finals for Dressage Championships until they are recorded in the name of the current owner or lessee of record and unless they are entered in qualifying classes under their official recorded names and ownership. The responsibility for such recording rests entirely with the exhibitor.

4. Horses competing in divisions restricted to a particular breed may be recorded with the Federation under any name but if registered in a Breed Registry, the registered name must also be given.
a. To maintain breeding identification, exhibitors may not shorten horses’ names by dropping registered prefixes.
5. Horse recording applications are available from the Federation office or online at www.usef.org. The recording fee is discounted for the life of a horse if applied for from birth to December 31st of year foaled. A recording may also be activated on an annual basis, using each horse’s Unique Horse ID number. Exception: Horses must be recorded for life to be eligible to receive FEI or National Passports. To qualify for the age discount, registration papers and/or other proof of age must be provided. The fees can be found on the horse recording application at www.usef.org.
6. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal’s breed registration papers or a signed statement from a veterinarian certifying the animal’s age.
7. A horse’s Federation Recording may be made retroactive to cover bad points earned at Federation Licensed Competitions (Exception: Dressage) so long as a complete horse recording is received by the Federation within ten days of the Federation sending notification of bad points earned to the owner. **BOD 6/22/20 Effective 12/1/20**

SUBCHAPTER 11-C OWNERSHIP AND COMPETITION RECORDS

2. For points to count with respect to any recorded horse at a Federation competition, such agreement or lease registration form (provided by the Federation) and fees must be received by the Federation office on or before the first day of such competition. **SUBCHAPTER 11-D HORSE OF THE YEAR AWARDS AND NATIONAL CHAMPIONSHIPS**

**GR1109 General**

The Federation offers annual Horse of the Year Awards on a national, district, regional and zone level, in numerous divisions. The purpose of these awards is to encourage participation at Federation Licensed Competitions. In making the awards the Federation in no way implies that the winners are the best in their respective divisions (although they may well be) but certifies that these animals are properly recorded for competition purposes, and registered with the USHJA if competing for awards defined in GR1131, GR1132 or GR1133, are exhibited by the recorded owner, who must be a Federation Member, and USHJA Member if competing for awards defined in GR1131, GR1132 or GR1133, and acquired the greatest number of points during a given year.

**GR1110 General**

1. Points toward any Horse of the Year Award will not be credited until the applications and fees for the horse’s recording, exhibitor’s registration, transfer of ownership, name change or addition of owner(s) and owner’s Senior Active, Junior Active or Life membership are received by the Federation office. Furthermore, points toward Horse of the Year Awards defined in GR1131, GR1132 or GR1133, will not be credit until the applications and fees for the horse’s USHJA Horse Registration and the owner’s USHJA Active or USHJA Life membership are received by the Federation or USHJA offices. Exception: Applications for Federation and USHJA Individual Membership and Horse Recordings submitted at Licensed Competitions:
   a. For Dressage Competitions, reference Bylaw 223, Section 1:
1. Applications are considered effective on the date the application and dues are received by the Competition Secretary provided the application is signed and dated by the Competition Secretary on that same day.

2. Applications completed online at the competition are effective the date the application is submitted.

b. For all Competitions other than Dressage Competitions, reference Bylaw 221, Section 1:
   1. Applications are considered effective, for points and eligibility to compete only, on the start date of said Competition provided the application and dues are received by the Competition Secretary and the application is signed and dated by the Competition Secretary during the period of the Competition.
   2. Applications completed online at the competition are effective, for points and eligibility to compete only, on the start date of the Competition.

2. For points to count with respect to any competition, the required materials and fees must be received by the Federation office (or by the Competition Secretary - see below) on or before the first licensed day of such competition. Exception: Applications for Federation Individual Membership and Horse Recordings submitted at Licensed Competitions:
   1. For Dressage Competitions, reference Bylaw 223, Section 1:
      a. Applications are considered effective on the date the application and dues are received by the Competition Secretary provided the application is signed and dated by the Competition Secretary on that same day.
   2. Applications completed online at the competition are effective the date the application is submitted.

b. For all Competitions other than Dressage Competitions, reference Bylaw 221, Section 1:
   1. Applications are considered effective, for points and eligibility to compete only, on the start date of said Competition provided the application and dues are received by the Competition Secretary and the application is signed and dated by the Competition Secretary during the period of the Competition.
   2. Applications completed online at the competition are effective, for points and eligibility to compete only, on the start date of the Competition.

3. A horse must be recorded with the Federation, and the name of at least one individual appearing on the horse recording certificate as owner must be that of a Senior Active, Junior Active or Life Member in good standing. If the horse is leased at the time of the competition, per GR1108, the lessee is considered the owner (exception all Owner classes) and must be a Senior Active, Junior Active or Life Member in good standing. If the recorded owner is a farm/stable, corporation or any name other than that of a person, refer to GR1106.

For the purposes of accruing Federation points, the horse must be entered and shown in the ownership of an individual or entity, including a member of the owner’s family, who is included on the Federation horse recording certificate. Effective date of ownership is the day written authorization is received by the Federation office.

4. If the owner, rider, animal, and trainer are all in good standing and an error occurs on the entry blank (i.e. the wrong USEF number is written, the old owner is written in error, the correct number but incorrect spelling is written, etc.), HOTY points may be awarded after review by the Federation.

5. No points can be credited toward an award unless the Federation recorded name and Horse Recording number of the horse and the Federation recorded owner or lessee’s name and membership number appears in the competition’s records (i.e., result sheets or catalogue) as exhibited in the name of the Federation recorded owner or, if the horse is leased, under the ownership of the lessee as required under GR1108.

6. Failure to comply with the rules respecting eligibility for points will result in points not counting for Federation purposes and awards. Points standings are available on the Federation website, www.usef.org, and it is the responsibility of exhibitors to check standings and call to the Federation’s attention any omissions or inaccuracies. As a service to members the Federation may from time to time advise exhibitors when points are not able to be counted, but the responsibility for checking standings and ensuring that eligibility requirements are met remains solely with the exhibitors.

**GR1111 National, Regional and Zone Awards**

1. All horses are eligible for National Awards, as long as all requirements of GR1110 are met. See GR1122-GR1144 for specific classes and divisions offered at the National level.

2. In the Arabian, Half/Anglo Arabian, Andalusian/Lusitano, Friesian and Morgan divisions, horses are eligible for Regional Awards in any region they compete. (Points will be awarded in the qualifying region stated in the
prize list regardless of the owner’s home region). Exception: In Friesian division, any points won at Nationals will count solely towards National Awards and not towards any Regional awards. In the Andalusian/Lusitano Division, any points won at the IALHA designated National Show will count solely towards National Awards and not towards any Regional Awards. In the Hackney, Roadster, and American Saddlebred divisions, points won at competitions in states contiguous to an exhibitor’s home region, or in Canada if contiguous to an exhibitor’s home region, will count in addition to any points won in an exhibitor’s home region. (For Arabian, see GR1124).

3. For purposes of distributing Regional Awards for the Andalusian/Lusitano, and Western divisions, refer to the Regional map in GR1123. For Friesian division, refer to Friesian Regional map in GR1129. For Arabian and Half/ Anglo Arabian divisions, refer to Regional map in GR1124. For Hackney and Roadster divisions, refer to Hackney Regional map in GR1130. For the Morgan division, refer to Morgan Regional map in GR1134. For the American Saddlebred division refer to American Saddlebred Regional map in GR1139.

4. Horses are eligible for Zone Awards only within the home zone of the entry’s recorded owner(s) exception Hunter/Jumping Seat Equitation, the rider’s home residence will be used. However, points won at competitions in states contiguous to an exhibitor’s home zone, or in Canadian provinces if contiguous to an exhibitor’s home zone, will also count if the state or Canadian province has been designated as provided below.

a. Zone awards are offered in the following disciplines: Hunters, Jumpers and Hunter/Jumping Seat Equitation. For Hunter, Jumper and Hunter/Jumping Seat Equitation divisions for which zone awards are offered, each zone committee may designate one or more states and/or Canadian provinces contiguous to its zone in which to compete for zone points. Designated Canadian provinces that are contiguous to the zone will receive zone points for national Horse of the Year award sections and for USHJA Zone Horse of the Year award sections providing they conduct their classes under national Federation rules for these sections. For purposes of this rule as applied to hunter/jumper and equitation zone awards, the state of New Jersey which is a state land-locked within the zone will be treated as a part of either New York or Pennsylvania. Therefore if Zone 1 chooses New York as one of its contiguous states, New Jersey is also included. If Zone 3 chooses Pennsylvania as one of its contiguous states, New Jersey is also included.

b. Zone committees must submit their designation of contiguous state(s) and/or Canadian provinces by August 1 annually, to be in effect for the next competition year. If no designation of contiguous states and/or Canadian provinces is submitted, it defaults to the previous year’s policy.

5. For purposes of distributing Zone Awards, refer to Zone map.

6. An owner’s residence at the time he applies for or renews his membership will be maintained throughout the competition year and is considered his home district, region or zone for the purposes of counting points. For a Life Member, his residence on December 1st will be used for this purpose. If the recorded owner moves his residence during the year to a new district, region or zone, points can be accumulated in the new location provided the owner declares in writing to the Federation that the new district, region or zone will be his home district, region or zone. The declaration must be received by the Federation office on or before the first licensed day of a competition for points to be counted for that competition. See also JP101.

7. If the recorded ownership of the horse is transferred, valid points earned by the previously recorded owner will be retained in his home district, region or zone. Points are not transferable from one district, region, or zone to another.

8. Horses showing under multiple ownership involving more than one district, region or zone must have one home district, region or zone declared for the purpose of these Awards. This declaration must be made in writing to the Federation office by March 1st of the current year or within 30 days of receipt of horse recording application and must be signed by each bona fide owner. Effective date of declaration is the day the written authorization is received by the Federation office and for points to count, the declaration must be received by the Federation office on or before the first day of the competition. If only one owner is a Federation Member in good standing, this person’s residency will automatically become the entry’s home district, region or zone.

9. If the horse is recorded under the ownership of a registered farm, the residence of the farm’s owner is the entry’s home district, region or zone. If the owners of a farm reside in different districts, regions or zones see paragraph 8 above.

10. Exception to GR1111.8-1111.11: Arabian, Half/ Anglo Arabian Division, Andalusian/ Lusitano, Morgan and Friesian Divisions; see GR1111.2.
11. Responsibility in fulfilling the requirements of the above Rules rests entirely with the exhibitor. As the
competition entry blank is generally the source of information required in GR1110.5, care should be taken to
fill out entry blanks correctly.

Although the Federation uses its best efforts to insure that the points as recorded by the Federation on its web site and elsewhere are accurate, the Federation assumes no liability to anyone for any errors or omissions whatsoever. Anyone who uses these points for Federation purposes or for any other purpose is hereby notified that the Federation disclaims any and all liability and responsibility, including for negligence, with respect to these point tabulations and records.

2. Any participant wishing to dispute a tabulation or qualification or disqualification must appeal the issue in writing specifying the reasons for disputing the tabulation or qualification or disqualification (the “Dispute”). Said Dispute must be received by the Federation by December 15 (should the 15th fall on a weekend, the deadline will be set for the following Monday) following the competition year in question, except for the Paso Fino Division for which the deadline is September 15. A Dispute must be accompanied by the required fee which is not refundable. If the participant is dissatisfied with the CEO’s or his designee’s ruling, the participant may request a procedural review of these issues before the Co-Chairs of the Hearing Committee or their designees, provided that the request is made in writing and accompanied by the required fee, which will be refunded if the appeal is upheld.

3. In the Hunter division, points are calculated according to the Increment system. In “C” and “B” rated sections, points are determined by the number of horses that compete in the first performance class of the section; in “A” rated sections, points are determined by both the rating of the competition (based on scheduling restrictions of Subchapter HJ-4) as well as the number of horses that compete in the first performance class of the section. Exception: National awards for Green Hunter 3’0”, 3’3”, 3’6” and 3’9”, Young Hunter 5 and under, Young Hunter 6 and under, Young Hunter 7 and under, High Performance and Performance Hunter 3’3” and 3’6”, Green Conformation Hunter 3’6”, and High Performance Conformation Hunter will be calculated using two systems towards two separate sets of national awards. The national Money Won Awards will be based on the money won by each horse in their respective section. The national Points Awards will be calculated according to the Increment System. Both money won and points won in hunter classics, the USHJA International Hunter Derby Welcome Stake, the USHJA International Hunter Derby, and the USHJA Green Hunter Incentive Stake will be included. The money won and points won in the USHJA International Hunter Derby and USHJA International Hunter Derby Welcome Stakes will only be awarded towards a declared Hunter section for HOTY points if a horse competes in the declared section a minimum of five (5) times during the competition year. The money won and points won in the USHJA Green Hunter Incentive Stake will only be awarded toward a declared Hunter section for HOTY points if a horse competes in the declared section a minimum of three (3) times during the competition year. BOD 6/22/20 Effective 12/1/20

4. All Hunter competitions are required to offer the minimum number of classes and amounts of prize money listed in GR312 for each approved Hunter section. If sections are canceled or entries are insufficient to award all prize money offered then only money offered to the number of places awarded must be distributed. All Hunter competitions must state their Increment rating clearly on the cover of the prize list. See Subchapter HJ-3 for Hunter competition rating requirements.

**GR1303 Safe Sport Requirements**

Consistent with the mission statement of the Federation, the welfare of equestrian participants, especially minors, is of paramount concern. When any member -- athlete, participant, trainer, coach, organizer, official, volunteer, or staff member is subjected to or engages in abuse or misconduct, it undermines the mission of the Federation and is inconsistent with the best interests of equestrian sport and of the athletes the Federation serves. The Safe Sport Policy and U.S. Center for Safe Sport's Code have been created to protect all athletes from misconduct they may experience within sport. The education and training of all participants in equestrian sport is crucial to the protection of athletes, reporting of misconduct, and eradication of abuse in our sport.

The U.S. Center for SafeSport (Center) is the first and only national organization of its kind focused on ending all forms of abuse in sport. As an independent non-profit headquartered in Denver, CO, the Center provides consultation to sport entities on prevention techniques and policies, while developing best practices and educational programs focused on promoting athlete wellbeing and putting an end to abuse in sports. The Center also provides a safe, professional, and confidential place for individuals to report sexual abuse.

The Federation Safe Sport Policy defines a "Federation Participant" as any Federation member, or non-member, who participates in or attends a Federation Licensed Competition or sanctioned event. The Federation’s Safe
Every Federation member and Federation Participant shall abide by the Federation’s Safe Sport Policy and the U.S. Center for SafeSport Code, which can be found at www.usef.org and www.safesport.org respectively.

b. In order to comply with S. 534, the Protecting Young Victim’s from Sexual Abuse and Safe Sport Authorization Act of 2017, the Federation Safe Sport Policy, and the U.S. Center for SafeSport Code, every Federation adult member and Federation adult Participant, with the exception of the victim, shall report suspected sexual misconduct, including sexual abuse, and suspected child abuse, within 24 hours to the appropriate authorities and to the U.S. Center for SafeSport.

GR1307 Amateur Status

1. Only active Federation members may obtain amateur status. Every person who has reached his/her 18th birthday and competes in classes for amateurs under Federation rules must possess current amateur status issued by the Federation. (Exception: This is not required for Opportunity classes except for the Dressage Division. If Opportunity classes are offered at Dressage Competitions or Regular/Local Competitions with “Open” Dressage classes and are restricted to amateurs, riders are required to have amateur status with the Federation). This status must be available for inspection or the competitor must have lodged with the competition secretary, at least one hour prior to such class, an application for such status provided by the Federation. Amateur status will be issued only on receipt of the application properly signed and is revocable at any time for cause. Foreign riders requesting Federation Amateur status, must be a Junior, Senior or Life Competing Member of the Federation (Exception: Equestrian Canada members in possession of current EC membership may sign for Federation Amateur status on a show by show basis at no cost). Any person who has not reached his/her 18th birthday is an amateur and does not require amateur status.

2. An amateur continues to be such until he/she has received a change in status from the Federation. Any amateur who wishes to be re-classified on the grounds that he/she has engaged or is planning on engaging in activities which would prevent him/her from continuing to remain an amateur must notify the Federation in writing.

3. There is no fee for amateur status for Senior Active or Life Members. A member will be deemed to continue his amateur status unless the member notifies the Federation in writing of a change.

4. If a person violates or does not comply with the above, he/she will not be eligible to compete in amateur classes and will not be entitled to an award in such classes and will be deemed guilty of a violation within the meaning of Chapter 7 in the event he/she does compete.

5. In the event a person is found to be a professional as a result of a complaint made in connection with a competition, all awards won by such person in amateur classes at such competition and subsequent competitions shall be forfeited and returned to the competition and the person shall be subject to further
disciplinary action. The holding of an amateur card does not preclude the question of amateur standing being raised.

6. The trainer may be subject to disciplinary action if an exhibitor shows as an amateur and it is determined that the trainer had knowledge of the exhibitor’s professional activities.
   a. Any changes of status from professional to amateur, or vice versa, will be published on the Federation’s web site.

7. An exhibitor who engages a person to ride, drive or show in halter in any amateur class and then remunerates such person beyond the extent to which such amateur is entitled as provided above in GR1306 will be subject to disciplinary action under Chapter 7.

8. Any person who under these rules is a professional and knowingly and falsely represents himself/herself to be an amateur by declaring or maintaining current amateur status issued by the Federation, and any person who violates any of the provisions of this rule will be subject to disciplinary action under Chapter 7.

9. A professional continues to be such until he/she has received amateur status by a vote of the Hearing Committee. Any professional who wishes to be reclassified as an amateur on the grounds that he/she has not engaged in the activities which made him/her a professional within the last twelve months must notify the Federation in writing.
   a. Such person shall submit to the Hearing Committee an amateur reclassification request which is supported by:
      1. A notarized letter signed by him/her outlining the horse related activities (using specific dates) which made said person a professional and outlining the activities performed within the twelve month period (or longer) since professional activities have ceased,
      2. Two or more notarized letters from any Senior Active Federation members stating the relationship with the applicant and outlining the applicants activities for the one year period preceding such written notification advising and testifying that the applicant has not engaged in any activities which would make him/her a professional as outlined in GR1306 during that period,
      3. A processing fee,
      4. Sign and declare amateur status on a current Federation membership application. The burden of proof of proving amateur status is on the applicant. The Hearing Committee may call for and/or consider any and all further evidence and facts which it deems pertinent. The decision of the Hearing Committee on the reclassification request shall be final.
   b. Any changes of status from professional to amateur, or vice versa, will be published on the Federation’s website.

10. Please contact the Federation office for information regarding international/professional licenses.

The Adaptive Sports Committee will render an opinion (approval of all or some of the aids requested or denial of the dispensation) and the individual will be notified by the Federation in a timely manner.
   a. The Dispensation/Classification Certificate will be issued annually upon completing a Dispensation/Classification renewal form, and remains in effect until the end of the competition year or until he/she receives a change in status from the Federation, whichever is earlier. Once the Federation Director of Para-Equestrian receives the completed paperwork, the office will contact the Federation Classification Coordinator.

2. The Federation classification coordinator will assist in scheduling a classification with one of the Federation /FEI Classifiers. There is a non-refundable administrative fee for the classification payable to the Federation. If the individual requests a classification to be scheduled at their convenience, all expenses for the classifier will be paid for by the individual. The individual must be a member in good standing with the Federation.

3. If the individual is deemed eligible for Para-Equestrian, the classification will result in a Profile and a Grade based on the FEI Profile system. The Profile will remain with the individual for as long as their physical disability remains constant with no need for re-classification. This is considered a Confirmed Status. If the individual has a fluctuating medical condition or if his/her function changes, the profile may change with future re-classifications. This is considered a Review Status. The Grade will be based on the specific discipline.

4. Upon classification, the Federation will issue a Federation Dispensation/Classification Certificate. This Certificate will outline the individual's profile, grade, status, Classification expiration, and indicate any compensating aids/ adaptive equipment that may be used in Federation Licensed Competition in accordance with Federation rules.

For those with fluctuating conditions or conditions expected to change, either by deterioration or improvement there will be a status of Review indicated on the Certificate with an expiration and expected date for re-classification. It is the individual's responsibility to apply for re-classification through the Federation with time allowed prior to any upcoming competitions. It is also the individual's responsibility to apply for re-classification if a major change in function, either improvement or deterioration occurs. The individual will be required to submit objective medical information with the request for re-classification.

8. Upon receipt of an FEI Classification, necessary for Qualifying and FEI licensed competition. The individual’s information will be posted on the FEI website at www.fei.org, on the FEI Classification Master List for Dressage or Driving. The list will indicate the individual’s profile, grade, status and compensatory aids. The FEI Classification Master List may be found at http://inside.fei.org/fei/disc/para-dressage/classification. The individual may request a Federation Dispensation/Classification Certificate with the FEI Classification status and any approved compensating aids listed. The Dispensation/Classification Certificate may be used at any Federation Licensed Competition.

9. Classification status can be challenged by a Federation competition official with a written request to Federation. Medals will be suspended until such time that the Classification status is resolved.

GR1314 Hearings/Protests

1. Any individual whose application for a Dispensation/Classification Certificate or a Para-Equestrian Classification has been denied may request a review by the Hearing Committee or by such individual or committee as it may designate to review said decision. The request must be in writing and received by the Hearing Committee within ten (10) days from receipt of the decision sought to be reviewed.
   a. The hearing shall be after ten (10) days notice to all parties concerned. The notice shall contain a brief statement of the facts reporting the position of the Federation and shall specify the time and place at which the hearing is to be held. The person requesting said hearing may attend and bring witnesses, sworn statements or other evidence on his or her behalf. Upon the written request of a representative of
the Federation or of the person requesting the hearing, there shall be furnished before said hearing any evidence to be introduced, the names of witnesses and the substance of their testimony.

b. Complaints brought in connection with an individual’s Dispensation/Classification Certificate status or Para Equestrian Classification status shall be handled in accordance with the provisions within the Federation Bylaws.

GR1315 Definition of Terms

1. Diagnosed permanent physical disability - An individual with a medical condition resulting in functional limitations affecting their ability to participate in equestrian sport and diagnosed by a medical doctor. The condition is not reasonably expected to improve and may, in fact, be one that worsens over time. The condition should be easily objectively measurable in scope, either by physical examination by a medical professional or with medical testing. An example may include a limb amputation, paralysis, weakness due to a neuromuscular condition loss of vision.

2. Compensating aid and/or adaptive equipment - Allowance for an alteration in performance, an alteration of dress or alternate piece of equipment which allows the individual with functional limitation(s) to perform the requirements of the competition. The aid or equipment assists in equalizing the functional ability of the individual and should not give the individual an undue advantage. The aid/equipment must be deemed safe for the competitor and the horse and is subject to review by the TD and/or judge at each event. Examples:
   a. Saluting with the nod of the head only when taking a hand off of the reins would be unsafe.
   b. Use of paddock boots and smooth leather half chaps rather than tall boots if wearing tall boots is unsafe for a rider with leg dysfunction.
   c. Allowance to not wear gloves for the individual with impaired sensation in the hands.
   d. Use of 1 or 2 whips to cue the horse for an individual with impaired use of his/her legs.
   e. Use of a golf cart to survey a course prior to driving for the individual who is unable to walk.
   f. Use of quick release equipment for carriage driving.

For additional examples, please see FEI Compensating Aids booklet at www.fei.org.

3. Dispensation
   a. Dispensation Program - The Federation encourages competition amongst all individuals, including those with a diagnosed permanent physical disability. For those individuals wishing to compete in a Federation licensed competition and who require compensating aids and/or adaptive equipment to do so, a Dispensation/Classification Certificate may be granted. The purpose of the dispensation is to aid those with limited function by allowing the use of aids/equipment which will result in more equal function. These aids/equipment should not give the individual with a disability an advantage over his/her competitors.
   b. Adaptive Sports Committee: An interdisciplinary group representing the equestrian disciplines, the medical field, competitors, and the Federation who is charged with the review and/or approval of dispensation applications.

4. Para-Equestrian (PE)
   a. Federation Para-Equestrian (PE) Classification - The Federation has chosen to adopt the FEI Profile System for classification of individuals with disabilities for Para-Dressage and Para-Driving. This system provides a means to assess an individual’s functional abilities and impairments to determine which Grade they will compete in amongst individuals with similar levels of function. There is a minimal level of impairment required in order to qualify for the FEI Profile System. In the system, an individual with a permanent measurable physical disability is assessed by a Federation or FEI approved classifier. As a result of the assessment, the classifier will determine eligibility and then assign the individual a Profile. The Profiles are grouped into Grades based on the discipline in which the individual will be competing. For example, an individual who has minor impairment of the left arm and leg after a stroke would likely be given a Profile 15. If they compete in dressage, they would compete in Grade IV. If they choose to compete in Carriage Driving, they would compete as a Grade II.
   b. FEI Profile System - Amongst individuals with disabilities, there are many different types of impairments. To provide meaningful competition for these individuals it is necessary that those of similar levels of impairment compete together. The FEI “Profile System” fulfills this criterion. It is a System of tests administered by trained and certified Physical Therapists or Physicians. It is based on the classification
systems used in other sports for individuals with disabilities and has been tested for reliability and validity in its application in equestrian sport.

5. Profile - an individual is given one of 42 profiles based on their level of function as assessed by a Federation or FEI Classifier. The Profiles are versatile but tight, easy to use and understand. The locomotor Profiles are not disability (diagnosis) specific, but are based on the ability of the functioning part(s) of the body. The Profile is considered permanent except in the case of a diagnosis that has a reasonable expectation of change, such as with progressive Multiple Sclerosis.

6. Grade - the grouping of profiles within a discipline. In Dressage, there are 5 grades (I, II, III, IV, and V). In Carriage Driving there are 2 Grades (I and II). A Grade is made up of several profiles, grouping Para-Equestrians of similar level of function. The lower number Grades (i.e. Grade I) is made up of Para-Equestrians with a more significant level of impairment, whereas the higher number Grades (i.e. IV) identify those Para-Equestrians with a lesser impairment. The Grade determines which tests a rider competes and against whom the Para-Equestrian will be competing. In National and International competition, medals/placement is awarded in each Grade.

7. An individual who has been classified by a Federation or FEI Classifier and who has been given a Profile, Grade, status and the use of compensatory aids/adaptive equipment. These individuals may compete up to the National level of Federation Licensed PE Competitions.
