For purposes of these selection procedures, a minor is any rider that has not yet reached his 18th birthday as of January 1, 2021.

Every rider or parent/guardian if the rider is a minor shall complete and submit a Certificate of Domicile with the Application [link](#). The Region of each athlete/horse combination is determined by where the athlete is domiciled in the U.S. beginning January 1, 2021, regardless of multiple temporary residences (See definition above. This address must be recorded on the Certificate of Domicile). If a rider's domicile changes between January 1 and April 1, the rider may submit a request to change his Region, which must be received by the USEF, with a copy sent to USDF no later than 5:00PM Eastern Time on April 1. In addition, the athlete must read and understand the USEF Code of Conduct (Attachment A), and the Safe Sport Policy (<http://safesport.usef.org>) and agree to be bound by them as represented by the athlete's signature on this document.

B. Qualifying Events

The method by which the Region's Final Ranking for NAYC is determined shall be the process outlined below as approved by the USEF Board of Directors with recommendation for approval by the USDF Executive Board, USEF Dressage Sport Committee, and USEF International Disciplines Council.

1. Qualifying scores for the Event may only be earned at designated USEF/NAYC Qualifying Competitions within the qualifying period beginning August 1, 2020 and ending June 21, 2021 unless otherwise determined by February 1, 2021
2. A series of competitions held throughout the U.S. have been designated as USEF/NAYC Qualifying Competitions. A list of these designated USEF/NAYC Qualifying Competitions is available on the USEF website: <https://www.usef.org/compete/disciplines/dressage/dressage-championships---national-fei/north-american-youth-championships> or by contacting the USEF Dressage Department. It can also be found on the USDF website: <http://www.usdf.org/competitions/competitions-championships/najyrc/index.asp>.

Athletes may also earn qualifying scores at any CDI/Y/J, held within the United States or any other country that offers the FEI Young Rider Tests and FEI Junior Tests within the designated qualifying period. CDI/Y/J scores are calculable at the option of the athlete and will only be computed into the athlete/horse's overall average upon receipt of a USEF CDI & Championship Report Form within the specified deadline stated on the form. Scores submitted late will not be accepted. It is the sole responsibility of the athlete to ensure that qualifying CDI scores for this program are accurately presented to USEF and on time. All athletes competing in CDI/Y/J competitions and/or the NAYC will be required to pay International High Performance (IHP) fees per USEF GR207 at the time of entry.

FEI Junior and FEI Young Riders may also earn qualifying scores in their respective FEI division USEF/USDF Regional Championship classes in the FEI Team Test. This is only applicable for those qualified to compete in the Regional Championship classes. Qualifying information for Regional Championships can be found on the USDF website [HERE](#). In order for these scores to count, scores must be reported by athletes via the USEF CDI & Championship Report Form by the deadlines as indicated on the form. In cases where the USDF Regional Championship is already a designated NAYC/USEF Qualifying Competition, scores earned in FEI Junior and FEI Young Rider Qualifying classes are automatically recorded. This means that an athlete may report their score from the Regional Championship Jr and/or YR Team Championship class(es) as an additional (second) team score. Scores earned at the USEF Young Rider Dressage National Championship or USEF Junior Dressage National Championship can be used as optional qualifying scores and are reportable under the same rules as a CDI/Y/J if within the qualifying period.

For the FEI Young Rider division, the FEI Young Rider Team Test (current edition), FEI Young Rider Individual Test (current edition), and FEI Young Rider Freestyle Test (current edition), must be used for qualification for the NAYC. For the FEI Junior division, the FEI Junior Team Test (current edition), FEI Junior Individual Test (current edition), and FEI Junior Freestyle Test (current edition), must be used for qualification for the NAYC.

These tests must be held as individual classes, which are specifically designated as NAYC Qualifying. "Test of Choice" (TOC) classes will not count. For calculation purposes, the athlete/horse combination's overall average score will be determined by averaging the scores earned in the Team and the Individual Test.

An applicant athlete/horse combination must earn at least two (2) sets of qualifying scores (two (2) scores in the Team Test and two (2) scores in the Individual Test) in qualifying competitions to be eligible for nomination to a Region's team. Athlete/horse combinations will not receive a '0' if they choose to not complete the Team or Individual Test in a qualifying competition. One of these qualifying competitions (One (1) Team Test, One (1) Individual Test) must occur during the spring season (January 1, 2021 through June 21, 2021, otherwise determined no later than January February 1, 2021.).

Please note: for these qualification purposes, competition(s) held over the course of more than one day count(s) as a single qualifying competition (even if each day has a separate competition license number) and only the designated tests count. An athlete/horse combination is limited to competing in one qualifier at the same location in one seven day period, however CDI-Y/Js are exempt from this requirement. *Please note: Judges who are an owner of a horse or parent of an athlete or coach of an athlete competing in this division shall NOT officiate for any USEF/NAYC Qualifying Classes for this division at designated Qualifying Competitions in any USDF region at any time during the qualifying period. Judges who violate this prohibition subject to sanctions.*

3. If an athlete/horse combination competes in more than two (2) designated USEF/NAYC Qualifying Competitions (must have earned scores in two (2) Team Tests and two (2) Individual Tests) and/or CDI/Y/Js, the lowest score earned in Team Test and the lowest score earned in the Individual Test will be dropped regardless of whether or not these scores were earned in the same competition. Only one (1) score will be dropped from the Team Test and only one (1) score will be dropped from the Individual Test.
4. In addition to the above outlined qualifying process, athlete/horse combinations will also be required to earn a Certificate of Capability, as described in Section I (SELECTION SYSTEM), within the Qualifying Period which begins August 1, 2020 and ends June 21, 2021, unless otherwise determined by no later than February 1, 2021.
 - a. Young Rider Championship – Each athlete/horse combination must earn a Certificate of Capability by attaining a minimum overall average of 62.000% attributed by a panel of two (2) or more USEF 'S' or FEI Judges, in the FEI Young Rider Team Test and FEI Young Rider Individual Test at two (2) different

designated USEF/NAYC qualifying competitions. In addition, they must earn, at least one (1) score of 65.000% in the FEI Young Rider Freestyle during the qualification period at an official qualifying event. Verification that an athlete/horse combination has met the requirements of the Certificate of Capability will be based upon the achievement of the score requirements above, and by the athlete electronically agreeing through the USDF Website (www.usdf.org) that they have been met by the end of the qualifying period.

- b. Junior Championship – Each athlete/horse combination must earn a Certificate of Capability by attaining a minimum overall average of 62.000% attributed by a panel of two (2) or more USEF ‘S’ or FEI Judges, in the FEI Junior Team Test and FEI Junior Individual Test at two (2) different designated USEF/NAYC qualifying competitions. In addition, they must earn at least one (1) score of 65.000% in the FEI Junior Freestyle during the qualification period at an official qualifying event. Verification that an athlete/horse combination has met the requirements of the Certificate of Capability will be based upon the achievement of the score requirements above, and by the athlete electronically agreeing through the USDF Website (www.usdf.org) that they have been met by the end of the qualifying period.

5. Special Rules pertaining to Dress, Saddlery, Schooling & Warm-up at Qualifying Events:

- a. DRESS & SADDLERY: Please refer to USEF Rules for dress and saddlery requirements (DR 120-121) if competing in a USEF/NAYC Qualifying Competition or FEI Dressage Regulations if competing in CDI/Y/J competitions and/or the NAYC. **Snaffle bridles are permitted for NAYC qualifying classes, USEF Junior qualifying classes and USEF Young Rider qualifying classes. Please refer to FEI Dressage Rules for Saddlery and Equipment for CDI/Y/J and FEI Championships.** One whip no longer than 47.2 inches (120 cm), including lash, may be carried in designated USEF/NAYC Qualifying Competitions. However, when riding in a CDI/Y/J, FEI whip and bridle rules supersede USEF rules.
- b. SCHOOLING & WARMUP: Under penalty of disqualification for NAYC qualifying purposes, within 24 hours prior and at no time during a competition offering FEI Young Rider or FEI Junior Qualifying classes at a designated USEF/NAYC Qualifying competition, may any horse entered in an FEI Young Rider or FEI Junior Qualifying class be ridden by anyone other than the athlete entered in the class on that horse. Exception: grooms riding on a loose rein. For NAYC Qualifying Competitions held at USEF licensed Dressage Competitions, the competition starts when horse and/or athlete arrive on the show grounds and ends at the conclusion of the USEF licensed Dressage Competition. For NAYC qualifying classes which are included in a CDI/Y/J, per FEI Art. 422.3.6, no one other than the Athlete may ride the horse he/she is entered with, after arrival on the show ground and official opening of the stables according to the FEI approved schedule as well as for the duration of the whole Event under penalty of disqualification (also see FEI DR Art. 429.10.4). Upon arrival on the show grounds, only the athlete when riding, walking, leading or lungeing a horse (lunge whip allowed), is allowed to carry a whip (maximum 120 cm) anywhere on the showground. The groom may also walk, lead, and lunge a horse as above. Other parties are allowed to carry a whip, provided it is not in connection with the training of the horse. Under no circumstances is the whip allowed to be used to school the horse in the stables.

For CDI-Y/Js, horses may not leave the stables, the competition area, or the areas supervised by Stewards for any purpose unless authorized by a recognized FEI Official of the event or a Veterinarian acting in the interest of the health and welfare of the horse.

C. Provided below is a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process to become team nominees

1. USDF will automatically track scores for athlete/horse combinations that are earned at designated USEF/NAYC Qualifying Competitions. CDI/Y/J scores and scores earned in Championships as noted in the Selection Procedures above will NOT be automatically calculated into the athlete/horse’s overall average without receipt of a CDI/Y/J & Championship Report Form within the specified deadline stated on the form.
 1. Percentages are carried out to the third decimal point with numbers of five (5) and above rounded up (63.4555%=63.456%). It is the responsibility of the athlete to verify the accuracy of the standings posted on the USDF website. USDF is not responsible for inaccurately reported or illegible scores. If any errors

are detected, athletes are encouraged to contact the USDF office immediately at (859) 971-2277 or nayc@usdf.org. Errors must be reported no less than five (5) business days prior to the NAYC nominated entry deadline.

At the end of the qualifying period, any ties in overall averages on the final ranking list will be broken according to the athlete/horse combination that achieved the highest average of the FEI Team Test scores.

U.S. Citizens wishing to earn qualifying scores in CDN competitions outside the United States (national competitions outside the United States) must submit a written request to nayc@usdf.org. This request should be received at least two (2) weeks prior to the first day of competition and requires approval by the USEF Dressage Sport Committee or its designees. If approved, athletes are responsible for reporting scores to nayc@usdf.org using the CDI & Championship Report Form within five (5) days of the conclusion of the competition.

Regions may not impose additional requirements upon declared athletes or horses without appropriate approval.

2. TBD Nominated Entry:

By no later than TBD, each Region shall submit a ranked list of applicant athlete/horse combinations (“Final Ranking”) up to eight (8) athletes and horses for each Event (eight (8) for the Young Rider division and eight (8) for the Junior division) (“Nominated Entry”) to USDF. It is anticipated that the Nominated Entry date will be set a minimum of seven (7) days following the end of the qualifying period.

3. TBD Definite Entries:

After submission of the Nominated Entry but no later than the closing date for the Definite Entries, each Region shall submit their Definite Entries for both the Young Rider and the Junior divisions to USDF in order of the Region’s Final Ranking for each Event.

Each Region’s Definite Entries for the Young Rider and the Junior divisions will consist of the three (3) or four (4) applicant athlete/horse combinations named to the “Team.” Reserve athlete/horse combinations are not allowed. In the case of a Region unable to field a complete team for either the Young Rider or the Junior divisions, the Region may send a maximum of two (2) athlete/horse combinations that will compete as Individuals. Regions may not submit individuals in additions to the Team.

ANY ATHLETES WHO ARE LISTED ON BOTH THE JUNIOR AND YOUNG RIDER NOMINATED ENTRY OF A REGION MUST DECLARE IN WHICH EVENT THEY WILL PARTICIPATE BY THE DEFINITE ENTRY DEADLINE.

- 4. Combining of Regions to Form Teams** – If a Region is unable to field a team of at least three (3) athlete/horse combinations, USDF may submit a request to USEF to combine Regions to complete a Team no later than five (5) business days after submission of all U.S. Definite Entries. Once all Definite Entries have been submitted, USEF will make the final decision to combine athlete/horse combinations no later than the Declaration of Starters (FEI Dressage Article 424.1).
- 5. Declaration of Starters** – Once at the Event site, and after the horse inspection, each Region’s Chef d’Equipe will declare the starting order of the athlete/horse combinations on the Team of three (3) or four (4) athlete/horse combinations in the Team Test for each of the Young Rider and the Junior divisions, as well as the Individuals (maximum of two (2) per Region unable to field a complete team) in accordance with FEI Dressage Article 424.1.
