JP123 Fence Dimensions

1. At Licensed Competitions the Level of Difficulty for each class must be indicated in the prize list and on the course plan. This may be shown as either

c. Management may choose to run a class over two different heights (not more than 10 cm of difference), permitting competitors to elect at which height to compete. ***Entries in each height will adhere to the applicable tack rules for that height.*** The conditions for such classes must be stated in the prize list unless the two-height class results from the combining of classes due to insufficient entries (defined as less than six entries in either grouping) See JP108.7. The steward's report must indicate any two-height class held, and the official results submitted to the Federation must accurately state at which height each entrant competed.
