Additionally, combinations must also earn at least one (1) score in the FEI Intermediate I Freestyle Test. The Freestyle Test score must be earned in an FEI Intermediate I Freestyle Test or an FEI Freestyle Test of Choice class held at a national Qualifying Competition or a CDI. Freestyle scores will automatically be noted on the final ranking list and are not used in the calculation of a combination's overall average. When more than one Freestyle score is earned at a national Qualifying Competition, the highest score will be noted on the final ranking list.

For all divisions, a combination cannot earn a score in a national Qualifying Competition if a CDI is also offered at the same event.

The ranking lists can be found here and will be updated as results are processed from national Qualifying Competitions and CDI events. It can take up to a minimum of 10 business days from the completion of a competition for results to reflect on the ranking lists. The ranking lists can be found here starting on July 8, 2027.

USEF is not responsible for inaccurately reported scores. If errors are detected, athletes are encouraged to contact the USEF Dressage Department at festival@usef.org immediately.

For calculation purposes: USEF will automatically track scores for combinations which are earned at National Qualifying Competitions. See below for CDI Scores.

Percentages are carried out to the third decimal point with numbers of five (5) and above rounded up (63.4555% = 63.456%).

Each FEI Prix St. Georges and FEI Intermediate I Test will count as 50% of a combination's overall average from each Qualifying Competition (i.e., PSG 50% + Int. 1 50% = 100%) on the ranking list.

If a combination earns three (3) or more scores in the FEI Prix St. Georges Test, the lowest score earned in this Test will be dropped. If a combination earns three (3) or more scores in the FEI Intermediate I Test, the lowest score earned in this Test will be dropped. Only one (1) will be dropped from the Prix St. Georges Test and only one (1) score from the Intermediate I Test will be dropped. The score earned for the Certificate of Capability may serve as a drop score. All remaining scores will be used to calculate a combination's overall average.

CDI Scores: CDI scores are calculable at the option of the athlete and will only be computed into the combination's overall average upon receipt of the USEF CDI/CPEDI Report Form within the specified deadline stated on the form to the USEF Dressage Department. Scores submitted late will not be accepted. Changes to a submitted USEF CDI/CPEDI Report Form will not be accepted following the specified deadline stated on the form to the USEF Dressage Department.

It is the sole responsibility of the athlete to ensure that all CDI scores for these Championships are submitted to USEF on time and are accurate.

Withdrawals: Withdrawals must be submitted in writing to festival@usef.org. Withdrawals received after the close of the application will be noted as WD on the final ranking list.

The Final Ranking List will be posted here no later than Friday, July 30, 2027.

Invitations are anticipated to be sent via email no later than Friday, July 30, 2027. Combinations on the Final Ranking List will be invited to the Championships until the close of the entry deadline published in the official prize list and in the invitation to these Championships.

- Athletes are permitted to compete with a maximum of two (2) horses in each Championship division.
- The same combination is permitted to participate in one (1) division at the U.S. Dressage Festival of Champions.

If the Dressage Sport Committee or its Designees do not award all three (3) Wild Card Invitations, additional invitations will be extended based upon the Final Ranking List up to a maximum of 15 combinations competing in this Championship.

The following factors will be considered:

- Number of requests received. In some circumstances, an athlete may receive a maximum of one wild card invitation.
- Scores earned in the FEI Prix St. Georges Test and/or the FEI Intermediate I Test from CDIs during the Qualifying Period. Scores from National Qualifying Competitions carry less weight than scores from CDIs.
- International experience of the athlete, horse, or combination.
- The experience and standing of the national judges.
- The combination's ranking on their respective National Championship ranking list noted as "Pending Final Score Verification."
- Consistency of scores over 66% (which is the minimum overall average for the Qualifying Process).
- The trend in scores if the combination competed in multiple competitions within the Qualifying Period.
