Re: Qualifying Dates and Competitions for 2021 FEI North American Youth Championships

Dear Potential 2021 FEI North American Youth Championships Applicants:

This preliminary information is being provided to assist you with your competition planning. Please remember that this information is based on the recommendations of the US Equestrian Dressage Sport Committee and is subject to approval by the USEF Board of Directors and therefore subject to change. Any determined updates and documentation submission will be outlined in the NAYC Selection Procedures.

SELECTION PROCESS SUMMARY: Athlete/horse combinations must compete in qualifying competitions and earn scores in the Team and Individual tests (see more detail below). Ranking lists will be maintained and selection is based on the final rankings of each Region (see more detail below). The 2021 FEI North American Youth Championships is scheduled to take place on August 9-15, 2021 in Traverse City, Michigan.

1. **Qualifying Period**

The proposed qualifying period for the 2021 FEI North American Youth Championships will begin on August 1, 2020. It is anticipated that the qualifying period will finish a minimum of 7 days prior to the Nominated Entry date.

2. **Qualifying Competitions**

It is anticipated that athlete/horse combinations will be required to complete at least two Qualifying Competitions. Qualifying Competitions include:

- **Competitions listed on the NAYC/USEF Qualifying Competitions Calendar** (must be within the qualifying period): Scores earned at these competitions are automatically counted towards the Ranking List. NAYC/USEF Qualifying Competitions scheduled to take place beginning August 1, 2020 and December 31, 2020 can be found [HERE](#). The 2021 NAYC/USEF Qualifying Competitions Calendar will be available in the Fall of 2020 [HERE](#). Please make sure to check the Calendar(s) frequently for updates.
- **CDI-J or CDI-Y Events** (if within the qualifying period): Scores earned at CDI-Y/J are calculable at the option of the athlete and will only be computed into the Ranking List upon receipt of a CDI-Y/J Report Form within the specified deadline stated on the form (Form can be found at www.usdf.org). The 2020 and 2021 FEI Calendars can be found on the FEI website [HERE](#) (Please note that the FEI 2021 calendar is not approved until after the FEI General Assembly in November). Please make sure to check the Calendar(s) frequently for updates.

- Regional Championships (if within the qualifying period): It is anticipated for FEI Junior and FEI Young Riders to be able to earn qualifying scores in their FEI division USEF/USDF Regional Championship classes in the FEI Team Test. This is only applicable for those qualified to compete in the Regional Championship classes; qualifying information for Regional Championships can be found on the USDF website [HERE](#). In order for these scores to count, scores must be reported by athletes via the CDI Report Form by the deadlines as indicated on the form. In cases where the USDF Regional Championship is already a designated NAYC/USEF Qualifying Competition, scores earned in FEI Junior and FEI Young Rider Qualifying classes are automatically recorded. This means that an athlete may report their score from the Regional Championship Jr and/or YR Team Championship class(es) as an additional (second) team score.
 - USEF Young Rider or Junior Dressage National Championships (if within the qualifying period): Scores earned at these National Championships are calculable at the option of the athlete and will only be computed into the Ranking List upon receipt of a CDI-Y/J Report Form within the specified deadline stated on the form.
3. **Tests Required:** New to the selection process, it is anticipated that athlete/horse combinations are required to achieve **two** scores in the current editions of their respective FEI Junior Team Test/FEI Young Rider Team Test and **two** scores in the current editions of the FEI Junior Individual Test/FEI Young Rider Individual Tests in **two** Qualifying Competitions. Athlete/horse combinations that compete at more than **two** Qualifying Competitions may drop the lowest score earned in the Team Test and the Individual Test regardless of whether these scores were earned in the same Qualifying Competition.
4. **Certificate of Capability:** Each athlete/horse combination must earn a Certificate of Capability by attaining a minimum overall average of 62.000% or greater attributed by a panel of two (2) or more USEF 'S' or FEI Judges, in the FEI Team Test and FEI Individual Test at two (2) different qualifying competitions. **A minimum overall average of 62% or greater will be required in order to be named to the nominated and definite entries.** In addition to these tests, athlete/horse combinations will be required to earn **one** score of 65% in the respective FEI Junior Freestyle test and FEI Young Rider Freestyle test.
