USEF Updates

USEF Rule Changes Approved at USEF's Mid-Year Board Meeting

At the recent USEF Mid-Year Board Meeting, a number of rule changes were approved. [Click here for a press release regarding the approved rules.](#)

USEF Warning Card System

The new USEF Warning Card System went into effect on April 1, 2025.

The Warning Card System rule was amended to encourage and empower Judges, Stewards, and Technical Delegates to address conduct as it happens and correct behavior that should not be repeated. As part of the revision of this rule, USEF focused on clarity and flexibility by streamlining the existing Yellow Warning Card process and adding a Recorded Warning process to provide a mechanism for addressing less egregious behavior.

The goal of the revised warning system is to have conduct addressed and documented immediately, be it an infraction that rises to the level of a Yellow Warning Card or is less severe and warrants a Recorded Warning.

Special Request

We are looking to increase our [USA Endurance Facebook page](#) with more content on FEI Rides. To do so, we are asking that anyone interested please send in pictures you or your crew/family/friends take while at a FEI Endurance event. This can be from U.S.-based or international rides. We are hoping to put up a gallery of each U.S. ride and hopefully some of the international rides.

Our hope is we can highlight the excitement of endurance, the camaraderie of an event's environment, and the opportunities it lends to ride all around the world. Most cell phone pictures will work since standard smart phones have good cameras included, but if anyone has pictures from photographers you have the rights to and would like to share, please send those along too. All we need is a written allowance to use the picture from whoever took the photo and photo credit information.

To make this work, we need your help! Send in scenery, send in friendship, send in teamwork, send in celebration, send in the joy of Endurance and we will utilize the USA Endurance platform to share the love of this sport with the world.

If you are interested in sending in pictures, [please contact the Director of Endurance.](#)
