Dear Amber:

Thank you for submitting your request for a Presidential Modification to the application of GR302.1.h. A Presidential Modification is granted in cases of extraordinary, special circumstances. When measured against that criterion, it has been determined that your request meets the standard for a Presidential Modification and therefore is approved.

As a result, all Endorsed Eventing competitions and USEF licensed Eventing competitions whose date does not roll over in 2027 are not considered to be a date change and will not be subject to the modification process.

Please feel free to contact the Federation office if you need further assistance.

Sincerely,

A handwritten signature in black ink, appearing to read 'Thomas F. X. O'Mara'.
