

Equestrian Canada Measurements

The following information is an overview of how Equestrian Canada measurement cards can be utilized at USEF licensed competitions. If you have any questions regarding measurement cards or procedures, please email Melissa Lawson, USEF Horse Measurement Specialist, at mlawson@usef.org.

- Equestrian Canada memberships will suffice for ownership for measurement purposes.
- USEF will recognize a valid Equestrian Canada measurement card for all divisions.
 - However, in order to accumulate points, a USEF measurement card must be obtained.
- Please review GR5 Measurement of Entries of the USEF rulebook for measurement rules.
 - Exception: For Hunter/Jumper measurement information, please review the H/J Hunter Jumper Competitions chapter of the USEF rulebook.
- Licensed Officials can find the various measurement checklists on the [Licensed Officials Resources page](#).
